BURKE BRYNN

Island of the Blue Dolphins Bantam
 THE BOOK BEHIND THE FOURTH SEASON OF THE ACCLAIMED HBO SERIES GAME OF THRONES Few books have captivated the imagination and won the devotion and praise of readers and critics everywhere as has George R. R. Martin's monumental epic cycle of high fantasy. Now, in *A Feast for Crows*, Martin delivers the long-awaited fourth book of his landmark series, as a kingdom torn asunder finds itself at last on the brink of peace . . . only to be launched on an even more terrifying course of destruction. *A FEAST FOR CROWS* It seems too good to be true. After centuries of bitter strife and fatal treachery, the seven powers dividing the land have decimated one another into an uneasy truce. Or so it appears. . . . With the death of the monstrous King Joffrey, Cersei is ruling as regent in King's Landing. Robb Stark's demise has broken the back of the Northern rebels, and his siblings are scattered throughout the kingdom like seeds on barren soil. Few legitimate claims to the

once desperately sought Iron Throne still exist—or they are held in hands too weak or too distant to wield them effectively. The war, which raged out of control for so long, has burned itself out. But as in the aftermath of any climactic struggle, it is not long before the survivors, outlaws, renegades, and carrion eaters start to gather, picking over the bones of the dead and fighting for the spoils of the soon-to-be dead. Now in the Seven Kingdoms, as the human crows assemble over a banquet of ashes, daring new plots and dangerous new alliances are formed, while surprising faces—some familiar, others only just appearing—are seen emerging from an ominous twilight of past struggles and chaos to take up the challenges ahead. It is a time when the wise and the ambitious, the deceitful and the strong will acquire the skills, the power, and the magic to survive the stark and terrible times that lie before them. It is a time for nobles and commoners, soldiers and sorcerers, assassins and sages to come together and stake their fortunes . . . and their lives. For at a feast for crows, many are the guests—but only a few are the survivors.

The Armageddon Rag Simon and Schuster

A page-turning novel that is also an exploration of the great philosophical concepts of Western thought, Jostein Gaarder's

Sophie's World has fired the imagination of readers all over the world, with more than twenty million copies in print. One day fourteen-year-old Sophie Amundsen comes home from school to find in her mailbox two notes, with one question on each: "Who are you?" and "Where does the world come from?" From that irresistible beginning, Sophie becomes obsessed with questions that take her far beyond what she knows of her Norwegian village. Through those letters, she enrolls in a kind of correspondence course, covering Socrates to Sartre, with a mysterious philosopher, while receiving letters addressed to another girl. Who is Hilde? And why does her mail keep turning up? To unravel this riddle, Sophie must use the philosophy she is learning—but the truth turns out to be far more complicated than she could have imagined.

Bloodchild Penguin

Acclaimed author Karen Hesse's Newbery Medal-winning novel-inverse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma. Out of the Dust joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! "Dust piles up like snow across the prairie. . . . "A terrible accident has transformed Billie Jo's life, scarring her inside and out. Her mother is gone. Her father can't talk about it. And the one thing that might make her feel better -- playing the piano -- is impossible with her wounded hands. To make matters worse, dust storms are devastating the family farm and all the farms nearby. While others flee from the dust bowl, Billie Jo is left to find peace in the bleak landscape of Oklahoma -- and in the surprising landscape of her own heart.

A Knight of the Seven Kingdoms Bantam

An anthology prepared in tribute to the career of Jack Vance features original tales inspired by "The Dying Earth" and includes contributions by such genre masters as Neil Gaiman, Tanith Lee, and Robert Silverberg.

The Ice Dragon CRC Press

A beautiful, deluxe edition of the #1 New York Times bestseller—with over 15 million copies sold—that will make the perfect holiday gift or treat for yourself. A Reese Witherspoon x Hello Sunshine Book Club Pick A Business Insider Defining Book of the Decade "I can't even express how much I love this book! I didn't want this story to end!"—Reese Witherspoon At once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder, *Where the Crawdads Sing* has touched the hearts of millions of readers around the world, and this beautiful deluxe edition features: • new, personal note from the author • updated linen jacket with foil • foil-stamped case with cloth spine • four-color endpapers • premium interior stock • four-color map and newly colored interior illustrations For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. Through Kya's story, Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

The Winds of Winter Macmillan

THE FANTASY BOOKTOK SENSATION! For fans of *Uprooted* and *For the Wolf* comes a dark, lushly gothic fantasy about a maiden who must unleash the monster within to save her kingdom—but the monster in her head isn't the only threat lurking. Elspeth

needs a monster. The monster might be her. Elspeth Spindle needs more than luck to stay safe in the eerie, mist-locked kingdom she calls home—she needs a monster. She calls him the Nightmare, an ancient, mercurial spirit trapped in her head. He protects her. He keeps her secrets. But nothing comes for free, especially magic. When Elspeth meets a mysterious highwayman on the forest road, her life takes a drastic turn. Thrust into a world of shadow and deception, she joins a dangerous quest to cure the kingdom of the dark magic infecting it. Except the highwayman just so happens to be the King's own nephew, Captain of the Destriers...and guilty of high treason. He and Elspeth have until Solstice to gather twelve Providence Cards—the keys to the cure. But as the stakes heighten and their undeniable attraction intensifies, Elspeth is forced to face her darkest secret yet: the Nightmare is slowly, darkly, taking over her mind. And she might not be able to stop him.

A Clash of Kings Tor Teen

Winner of the Pulitzer Prize and a documentary from Ken Burns on PBS, this New York Times bestseller is "an extraordinary achievement" (The New Yorker)—a magnificent, profoundly humane "biography" of cancer—from its first documented appearances thousands of years ago through the epic battles in the twentieth century to cure, control, and conquer it to a radical new understanding of its essence. Physician, researcher, and award-winning science writer, Siddhartha Mukherjee examines cancer with a cellular biologist's precision, a historian's perspective, and a biographer's passion. The result is an astonishingly lucid and eloquent chronicle of a disease humans have lived with—and perished from—for more than five thousand years. The story of cancer is a story of human ingenuity, resilience, and perseverance, but also of hubris, paternalism, and misperception. Mukherjee recounts centuries of discoveries, setbacks, victories, and deaths, told through the eyes of his predecessors and peers, training their wits against an infinitely resourceful adversary that, just three decades ago, was thought to be easily vanquished in an all-out "war against cancer." The book reads like a literary thriller with cancer as the protagonist. Riveting, urgent, and surprising, *The Emperor of All Maladies* provides a fascinating glimpse into the future of cancer treatments. It is an illuminating book that provides hope and clarity to those seeking to demystify cancer.

Utopia Bantam

A graphic novel edition of *The Mystery Knight*, one of the thrilling Dunk and Egg novellas from George R. R. Martin's *A Knight of the Seven Kingdoms* and a prequel of sorts to *A Game of Thrones* "Every wedding needs a singer, and every tourney needs a mystery knight." Westeros is eerily peaceful. King Aerys I sits on the Iron Throne. A ravaging plague has abated. Yet beneath the surface, tensions linger sixteen years after a failed rebellion. In these restless times, noble hedge knight Ser Duncan the Tall—Dunk, to his friends—and his precocious boy squire, Egg, travel the Seven Kingdoms performing chivalrous deeds, though Egg's bloodline must be concealed at all costs. After heading north for Winterfell, Dunk and Egg are lured off the kingsroad by a wedding feast—and an unusually lucrative tournament. The champion jousting will claim a rare trophy indeed: a dragon's egg. Dunk, always better in a melee, would be satisfied with a hot meal, a cup of wine, and a purse full of coins. But a treasonous plot is more likely to hatch before another dragon ever stretches its wings. Someone's on to Egg. And a mystery knight with designs on an even bigger prize soon throws the entire affair into chaos.

Introduction to Probability Penguin Group

Freak the Mighty joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus

content! It has been over twenty years -- and more than two million copies, eight foreign editions, and a popular Miramax feature film -- since the world was introduced to this powerful story of a unique friendship between a troubled, oversized boy and the tiny, physically challenged genius who proves that courage comes in all sizes. This simple yet timeless story explores many themes, including bullying -- an important topic in today's schools. *Freak the Mighty* is sure to remain fresh, dramatic, and memorable for the next twenty years and beyond!

The World of Ice & Fire Bantam

Ten short stories and one novella by the winner of the World Fantasy and Nebula Awards.

A Feast for Crows Bantam

NOW THE ACCLAIMED HBO SERIES *GAME OF THRONES*—THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys.

Songs of the Dying Earth Bantam

Utopia is a work of fiction and socio-political satire by Thomas More published in 1516 in Latin. The book is a frame narrative primarily depicting a fictional island society and its religious, social and political customs. Many aspects of More's description of *Utopia* are reminiscent of life in monasteries.

[Great by Choice](#) Simon and Schuster

#1 NEW YORK TIMES BESTSELLER • THE BOOK BEHIND THE FIFTH SEASON OF THE ACCLAIMED HBO SERIES *GAME OF THRONES* Don't miss the thrilling sneak peek of George R. R. Martin's *A Song of Ice and Fire: Book Six, The Winds of Winter* Dubbed "the American Tolkien" by Time magazine, George R. R. Martin has earned international acclaim for his monumental cycle of epic fantasy. Now the #1 New York Times bestselling author delivers the fifth book in his landmark series—as both familiar faces and surprising new forces vie for a foothold in a fragmented empire. *A DANCE WITH DRAGONS* In the aftermath of a colossal battle, the future of the Seven Kingdoms hangs in the balance—beset by newly emerging threats from every direction. In the east, Daenerys Targaryen, the last scion of House Targaryen, rules with her three dragons as queen of a city built on dust and death. But Daenerys has thousands of enemies, and many have set out to find her. As they gather, one young man embarks upon his own quest for the queen, with an entirely different goal in mind. Fleeing from Westeros with a price on his head, Tyrion Lannister, too, is making his way to Daenerys. But his newest allies in this quest are not the rag-tag band they

seem, and at their heart lies one who could undo Daenerys's claim to Westeros forever. Meanwhile, to the north lies the mammoth Wall of ice and stone—a structure only as strong as those guarding it. There, Jon Snow, 998th Lord Commander of the Night's Watch, will face his greatest challenge. For he has powerful foes not only within the Watch but also beyond, in the land of the creatures of ice. From all corners, bitter conflicts reignite, intimate betrayals are perpetrated, and a grand cast of outlaws and priests, soldiers and skinchangers, nobles and slaves, will face seemingly insurmountable obstacles. Some will fail, others will grow in the strength of darkness. But in a time of rising restlessness, the tides of destiny and politics will lead inevitably to the greatest dance of all. Praise for *A Dance with Dragons* "Filled with vividly rendered set pieces, unexpected turnings, assorted cliffhangers and moments of appalling cruelty, *A Dance with Dragons* is epic fantasy as it should be written: passionate, compelling, convincingly detailed and thoroughly imagined."—The Washington Post "Long live George Martin . . . a literary dervish, enthralled by complicated characters and vivid language, and bursting with the wild vision of the very best tale tellers."—The New York Times

Jerusalem Children's Press(CT)

Charlie's the kind of boy that no one notices. Hell, his own mother can't remember his name. So when a mysterious clockwork man tries to kill him in modern day Philadelphia, and they tumble through a hole into 1725 London, Charlie realizes even the laws of time don't take him seriously. Still, this isn't all bad. Who needs school when you can learn about history first hand, like from Ben Franklin himself. And there's this girl... Yvaine... another time traveler. All good. Except for the rules: boys only travel into the past and girls only into the future. And the baggage: Yvaine's got a baby boy and more than her share of ex-boyfriends. Still, even if they screw up history - like accidentally let the founding father be killed - they can just time travel and fix it, right? But the future they return to is nothing like Charlie remembers. To set things right, he and his scrappy new girlfriend will have to race across the centuries, battling murderous machines from the future, jealous lovers, reluctant parents, and time itself.

[Between the Lines](#) e-artnow

In this epic grimdark conclusion to the *Godblind Trilogy*, heroes, armies, and gods both good and evil will battle one last time, with the fate of the world itself at stake. . . . The great city of Rilpor has fallen. Its walls have crumbled under the siege by the savage Mireces; its defenders have scattered, fleeing for their lives; its new rulers plot to revive the evil Red Gods using the city's captured, soon-to-be-sacrificed citizens. Now, with the Fox God leading the shattered remnants of the Rilporian defence and the Mireces consolidating their claim on the rest of the country, it's up to Crys, Tara, Mace, Dom and the rest to end the Red Gods' scourge once and for all. While the Rilporians plan and prepare for one final, cataclysmic battle to defeat their enemies, the Blessed One and the king of the Mireces have plans of their own: dark plans that will see gods resurrected and the annihilation of the Dancer for all time. Key to their plan is Rillirin, King Corvus's sister, and the baby—the Bloodchild—she carries. As both sides face their destinies and their gods, only one thing is clear: death waits for them all.

Winter Garden Bantam

Strange, wondrous things happen in these two short stories, which are both the perfect introduction to Gabriel García Márquez, and a wonderful read for anyone who loves the magic and marvels of his novels. After days of rain, a couple find an old man with huge wings in their courtyard in 'A Very Old Man with Enormous Wings' - but is he an angel? Accompanying 'A Very Old Man with Enormous Wings' is the short story 'The Sea of Lost

Time', in which a seaside town is brought back to life by a curious smell of roses.

Where the Crawdads Sing Deluxe Edition Simon and Schuster

Far off the coast of California looms a harsh rock known as the island of San Nicholas. Dolphins flash in the blue waters around it, sea otter play in the vast kep beds, and sea elephants loll on the stony beaches. Here, in the early 1800s, according to history, an Indian girl spent eighteen years alone, and this beautifully written novel is her story. It is a romantic adventure filled with drama and heartache, for not only was mere subsistence on so desolate a spot a near miracle, but Karana had to contend with the ferocious pack of wild dogs that had killed her younger brother, constantly guard against the Aleutian sea otter hunters, and maintain a precarious food supply. More than this, it is an adventure of the spirit that will haunt the reader long after the book has been put down. Karana's quiet courage, her Indian self-reliance and acceptance of fate, transform what to many would have been a devastating ordeal into an uplifting experience. From loneliness and terror come strength and serenity in this Newbery Medal-winning classic.

Out of the Dust (Scholastic Gold) Harper Collins

#1 NEW YORK TIMES BESTSELLER • The thrilling history of the Targaryens comes to life in this masterly work, the inspiration for HBO's Game of Thrones prequel series House of the Dragon "The thrill of Fire & Blood is the thrill of all Martin's fantasy work: familiar myths debunked, the whole trope table flipped."—Entertainment Weekly Centuries before the events of A Game of Thrones, House Targaryen—the only family of dragonlords to survive the Doom of Valyria—took up residence on Dragonstone. Fire & Blood begins their tale with the legendary Aegon the Conqueror, creator of the Iron Throne, and goes on to recount the generations of Targaryens who fought to hold that iconic seat, all the way up to the civil war that nearly tore their dynasty apart. What really happened during the Dance of the Dragons? Why was it so deadly to visit Valyria after the Doom? What were Maegor the Cruel's worst crimes? What was it like in Westeros when dragons ruled the skies? These are but a few of the questions answered in this essential chronicle, as related by a learned maester of the Citadel and featuring more than eighty-five black-and-white illustrations by artist Doug Wheatley—including five illustrations exclusive to the trade paperback edition. Readers have glimpsed small parts of this narrative in such volumes as The World of Ice & Fire, but now, for the first time, the full tapestry of Targaryen history is revealed. With all the scope and grandeur of Gibbon's The History of the Decline and Fall of the Roman Empire, Fire & Blood is the first volume of the definitive two-part history of the Targaryens, giving readers a whole new appreciation for the dynamic, often bloody, and always fascinating history of Westeros. Praise for Fire & Blood "A masterpiece of popular historical fiction."—The Sunday Times "The saga is a rich and dark one, full of both the title's promised elements. . . . It's hard not to thrill to the descriptions of dragons engaging in airborne combat, or the dilemma of whether defeated rulers should 'bend the knee,' 'take the black' and join the Night's Watch, or simply meet an inventive and horrible end."—The Guardian

Consolations Bantam

Long before A Game of Thrones became an international phenomenon, #1 New York Times bestselling author George R. R. Martin had taken his loyal readers across the cosmos. Now back in print after almost ten years, Tuf Voyaging is the story of quirky and endearing Haviland Tuf, an unlikely hero just trying to do right by the galaxy, one planet at a time. Haviland Tuf is an honest space-trader who likes cats. So how is it that, in competition with the worst villains the universe has to offer, he's become the proud owner of a seedship, the last remnant of Earth's legendary Ecological Engineering Corps? Never mind; just be thankful that the most powerful weapon in human space is in good hands—hands which now have the godlike ability to control the genetic material of thousands of outlandish creatures. Armed with this unique equipment, Tuf is set to tackle the problems that human settlers have created in colonizing far-flung worlds: hosts of hostile monsters, a population hooked on procreation, a dictator who unleashes plagues to get his own way . . . and in every case, the only thing that stands between the colonists and disaster is Tuf's ingenuity—and his reputation as a man of integrity in a universe of rogues. "A rich blend of adventure, humor, compassion and all the other things that make being human worthwhile."—Analog "A new facet of Martin's many-sided talent."—Asimov's

Forecast Earth Scholastic Inc.

A GAME OF THRONES How would you like to read A Game of Thrones with a PhD by your side? Steven Attewell, creator of Race for the Iron Throne (racefortheironthrone.wordpress.com), is one of the most insightful scholars in political theory and history, but instead of devoting his talents to academia, he's delving into George R.R. Martin's A Song of Ice and Fire saga to give the most comprehensive deconstruction - and explanation - yet offered. Each one of Thrones's 73 chapters is broken down in meticulous detail in four key areas. The Political and Historical Analyses explore the political ramifications that each character's decisions entail while digging into the real-world historical incidents that inspired Martin's narrative twists and turns. What If? offers up a tantalizing look at how these political and historical elements could have played out in dozens of alternative scenarios, underscoring the majesty and complexity of Martin's storytelling. And Book vs. Show looks at the key differences - both good and bad - between the story as originally conceived on the printed page and as realized in HBO's Game of Thrones. At nearly 204,000 words, it's almost literally impossible to imagine a more exhaustive or authoritative reading companion for any novel ever before published. Note: there are spoilers for all five published novels in the Song of Ice and Fire series. About the author Steven Attewell is the author of Race for the Iron Throne, a blog that examines the history and politics of the Song of Ice and Fire series and HBO's Game of Thrones. He has a PhD in History from the University of California, Santa Barbara, where he studied the history of public policy and was a political and union activist. In addition to Race for the Iron Throne, Steven is also a co-podcaster on Game of Thrones at the Lawyers, Guns, and Money podcast, writes about public policy at the Realignment Project, and is a co-author of the Tower of the Hand: A Hymn for Spring anthology book.
