'It can't be love . . .' he thinks and immediately his heart protests. They are complete opposites! She's a small town girl who takes admission in Delhi University (DU). An idealist, studies are her first priority. He's a Delhi guy, seriously into youth politics in the DU. He fights to make his way. Student union elections are his first priority. But then opposites attract as well! A scandal on campus brings them together, they begin to walk the same path and somewhere along, fall in love . . . But their fight against evil comes at a heavy price, which becomes the ultimate test of their lives. Against the backdrop of dominant campus politics, *Your Dreams Are Mine Now* is an innocent love story that is bound to evoke strong emotions in your heart.

Arise, Awake is the story of young entrepreneurs who started a business while studying in college, or right after graduation. turning their backs on lucrative placements, to pursue dreams of their own. The ability to start a business is not defined by age or education. It takes energy and passion, an idea and an internet connection. Your first 'office' could be your very own hostel room.

The nullification of Article 370 and enactment of the Citizenship (Amendment) Act (CAA), 2019, had been landmark legislative actions in 2019. Author Sanjay Dixit delves deep into the past and traces the events, actions and their repercussions that finally led to the

Union of India introducing these two measures. He looks at these events from all perspectives-historical, social and political. For Article 370, he traces the entire history of Kashmir from its pre-Islamic past and to the events that unfolded at the time of the Partition of India, leading to the initial inclusion of Article 370 in the Constitution of India. Dixit also studies in detail the legal and constitutional labyrinths, discussing the various Presidential Orders and case laws from the Constitutional Bench jurisdiction of the Supreme Court. For CAA, Dixit traces the constitutional history of India from the time of the partition of Bengal in 1905 to the unfortunate events of the Partition in 1947. His study relies heavily on Dr. B.R. Ambedkar's analysis of the reasons for the Partition and the theology of a 'separate nation' that prevailed during the period. The author contends that this same theology has been staging a comeback now in the form of mazhabi pehchan which forms the crux of the anti-CAA protests. The informed position of the author, his lucidity of language and directness of approach lend clarity to his arguments and make this an accessible and important read.

The saga of the Indian National Movement; with its unique leadership and ideological foundation; continues to engage those interested in the history of India. *Raj to Swaraj: A Textbook on Colonialism and Nationalism in India* takes its readers through the panorama of modern Indian history; with all its trials and tribulations; and keeps it intellectually stimulating all through the narrative. This textbook for students attempts to present its case; free from ideological biases. The result of a lifelong

engagement with teaching and research; this book incorporates the sharp classroom debates and analysis of bright and committed students; thus enriching its formulations and interpretations. It provides a fresh look at the national struggle for independence and attempts to provoke; promote and unleash; critical and creative thinking among the student community. In the process; it seeks to relieve them from the drudgery of working as intellectual foot soldiers to the authorities in our academia. This book marks a departure from the earlier studies in terms of its new and updated sources as well as in its freedom from the great ideological divides that continue to bedevil our academic life. As such; it avoids both the extremes of woolly sentimentalism and ideology-based debunking. Essentially eclectic and synthesising in its approach; and written in a lucid style; the book covers different phases and facets of our national struggle. To that end; it adopts a thematic; rather than a chronological narrative. The book will prove invaluable for students of political science and modern Indian history; as well as general readers.

By Way of Deception Penguin

The first authorized inside account of one of the most daring—and successful—military operations in recent history. From the earliest days of his dictatorship, Saddam Hussein had vowed to destroy Israel. So when France sold Iraq a top-of-the-line nuclear reactor in 1975, the Israelis were justifiably concerned—especially when they discovered that Iraqi scientists had already formulated a secret program to extract weapons-grade plutonium from the reactor, a first critical step in creating an atomic bomb. The reactor formed the heart of a huge nuclear plant

situated twelve miles from Baghdad, 1,100 kilometers from Tel Aviv. By 1981, the reactor was on the verge of becoming “hot,” and Israeli Prime Minister Menachem Begin knew he would have to confront its deadly potential. He turned to Israeli Air Force commander General David Ivry to secretly plan a daring surgical strike on the reactor—a never-before-contemplated mission that would prove to be one of the most remarkable military operations of all time. Written with the full and exclusive cooperation of the Israeli Air Force high command, General Ivry (ret.), and all of the eight mission pilots (including Ilan Ramon, who became Israel’s first astronaut and perished tragically in the shuttle Columbia disaster), *Raid on the Sun* tells the extraordinary story of how Israel plotted the unthinkable: defying its U.S. and European allies to eliminate Iraq’s nuclear threat. In the tradition of *Black Hawk Down*, journalist Rodger Claire recreates a gripping tale of personal sacrifice and survival, of young pilots who trained in the United States on the then-new, radically sophisticated F-16 fighter bombers, then faced a nearly insurmountable challenge: how to fly the 1,000-plus-kilometer mission to Baghdad and back on one tank of fuel. He recounts Israeli intelligence’s incredible “black ops” to sabotage construction on the French reactor and eliminate Iraqi nuclear scientists, and he gives the reader a pilot’s-eye view of the action on June 7, 1981, when the planes roared off a runway on the Sinai Peninsula for the first successful destruction of a nuclear reactor in history.

This is one of the many inspiring books from the renowned "Motivator" Dr. G. Francis Xavier. Evidently, this harvest of stories has been gleaned from lands he visited and books he read. Xavier, who conducts full-house personal growth courses has brought out this compendium in an interactive form, making the reader give the answers at the end of the story, which is a novel approach. Stories and examples are the best way to inspire, and this volume can be gifted to anyone. It is useful for preachers, speakers and teachers. The book appeals to readers of all ages except the morose and irredeemable negaholics (negative thinking addicts) and anti-reading teenagers. It has stories to inspire and promises uninterrupted chuckles till the end. There are also quotations on success.

From the USA Today bestselling author of *A Curve in the Road* comes a spellbinding novel about one woman's love, loss, and courage during wartime. After a crushing betrayal by the man she loves, Gillian Gibbons flees to her family home for a much-needed escape, but when she finds an old photograph of her grandmother in the arms of a Nazi officer, Gillian's life gets even more complicated. Rattled by the discovery, Gillian attempts to unravel the truth behind the photos, setting her off on an epic journey through the past... 1939. England is on the brink of war as Vivian Hughes falls in love with a handsome British official, but when bombs begin to fall and Vivian's happy life is destroyed in the blitz, she will do whatever it takes

to protect those she loves... As Gillian learns more about her grandmother's past, the old photo begins to make more sense. But for every question answered, a new one takes its place. Faced with a truth that is not at all what she expected, Gillian attempts to shine a light not only on the mysteries of her family's past but also on her own future. This gorgeously written multigenerational saga is a heart-wrenching yet hopeful examination of one woman's struggle to survive, perfect for fans of *The Nightingale* and *Beneath a Scarlet Sky*.

When Did the Mahabharata War Happen? National Geographic Books #1 New York Times bestselling author Daniel Silva presents "a first-rate thriller" (Rocky Mountain News) featuring art restorer—and reluctant spy—Gabriel Allon. After an explosion in Rome destroys the Israeli embassy, Gabriel Allon makes a disturbing discovery—the existence of a dossier in terrorist hands that strips away his secrets, and lays bare his history. Drawn into the heart of a service he'd once forsaken, Allon finds himself stalking a master terrorist across a bloody landscape generations in the making. But soon, Allon will wonder who is stalking whom. When the final showdown comes, it won't be Allon alone who is threatened with destruction. For it is not his history alone that has been exposed...

A terrorist plot in London leads Israeli spy Gabriel Allon on a desperate search for a kidnapped woman in this thriller from #1 New York Times bestselling author Daniel Silva. While in Amsterdam, Israeli intelligence officer and master art restorer Gabriel Allon discovers a plot that is about to explode in the middle of London. The daughter of the American ambassador is to be brutally kidnapped. But Gabriel arrives too late to save her. And when he reveals his face to the plot's masterminds, his fate is sealed as well. Drawn once more into the service of American intelligence, Gabriel desperately searches for the missing woman as the clock ticks steadily toward the hour of her execution. The search will thrust him into an unlikely alliance with a man who has lost everything because of his devotion to Islam. It will cause him to question the morality of the tactics of his trade. And it might very well cost him his life... A Publishers Weekly Best Book of the Year

A Fire Sparkling Routledge

Spy turned art restorer Gabriel Allon finds himself accused of murder in this New York Times bestseller from Daniel Silva. An Israeli spy by trade and art restorer by preference, Gabriel Allon arrives in Zurich to restore the work of an Old Master for a millionaire banker—and finds himself standing in blood and framed for the man's murder.

While trying to clear his name, Allon is swept into a spiraling chain of events involving Nazi art theft, a decades-old suicide, and a dark and bloody trail of killings—some of them his own. The spy world Allon thought he had left behind has come back to haunt him. And he will have to fight for his life—against an assassin he himself helped train.

Sanskrit Non-Translatables Penguin
Sanskrit Non-Translatables is a path-breaking and audacious attempt at Sanskritizing the English language and enriching it with powerful Sanskrit words. It continues the original and innovative idea of nontranslatability of Sanskrit, first introduced in the book, *Being Different*. For English readers, this should be the starting point of the movement to resist the digestion of Sanskrit into English, by introducing loanwords into their English vocabulary without translation. The book presents a thorough mechanism of the process of digestion and examines the loss of *adhikara* for Sanskrit because of translating its core ideas into English. The movement launched by this book will resist this and stop the programs that seek to turn Sanskrit into a dead language by translating all its treasures to render it redundant. It discusses fifty-four non-translatables across various genres that are being commonly mistranslated. It empowers English speakers with the knowledge and arguments to introduce these Sanskrit words into their daily speech with confidence. Every lover of India's *sanskriti* will benefit from the book and become a cultural ambassador propagating it through routine communications.
