### **Lawless** Penguin

No. 1 New York Times Bestselling Author Nora Roberts brings you the fascinating and irresistible Donovan cousins. They share a secret that's been handed down through generations... Captivated His interest in her was purely professional...or so he told himself. Nash Kirkland had sought out Morgana Donovan, self-proclaimed witch, to help him research his latest screenplay. The hard-headed sceptic didn't believe for a minute that Morgana was what she professed to be, yet Nash found himself falling under her spell. But how could he be sure the passion he felt was real and not just some conjurer's trick? Entranced Obviously Sebastian Donovan was a fraud, but fiercely protective Mary Ellen Sutherland was desperate to find a missing baby and had run out of leads. Reluctantly, the private investigator agreed to enlist Sebastian's help. She soon had to admit -- though grudgingly -- that this man had some pretty remarkable gifts. The

most disturbing of which was his ability to penetrate her tough facade and get to her heart.

Now Jo must

return to the island, and to her bitterly estranged family. With the help of Nathan Delaney—who was on the island the summer her mother disappeared—Jo hopes to learn the truth about the tragic past. But Sanctuary may be the most dangerous place of all.

Twelve years later, the woman now known as Abigail Lowery lives alone on the outskirts of a small town in the Ozarks. A freelance security systems designer, her own protection is supplemented by a fierce dog and an assortment of firearms. She keeps to herself, saying little, revealing nothing. mystery of Abigail Lowery and her sharp mind, secretive nature and unromantic viewpoint intrigues local police chief Brooks Gleason, on both a personal and professional level. And while he suspects that Abigail needs protection from something, Gleason is accustomed to two-bit troublemakers, not the powerful and dangerous men who are about to have him in their sights. And Abigail Lowery, who has built a life based on security and self-control, is at risk of losing both.

Bluff her home—and an enticing, fiery passion as dangerous to Jake as anything he ever faced with a six-gun.
