Bestselling author Robert Morgan offers ten strategies for dealing with hard times and discouragements in order to move from fear to faith—a divine protocol for handling life. Red Sea Rules has been updated with new study questions. Life is hard, especially for Christians. It is certain that we will face difficulties and that God will allow them. But just as certain is the fact that the same God who led us in will lead us out. As The Red Sea Rules makes comfortingly clear, He is in control. Using the Israelites' story in Exodus 14 as an example, Robert Morgan offers ten sound strategies for moving from fear to faith. Just as Moses and the Israelites became trapped between Pharaoh's rushing armies and the uncrossable Red Sea, so are we sometimes overwhelmed by life's problems. In The Red Sea Rules, readers will learn strategies to: Realize that God means for

you to be where you are Acknowledge your enemy, but keep your eyes on the Lord Stay calm and confident, and give God time to work View your current crisis as a faith builder for the future The Red Sea Rules reveals that even in the midst of seemingly impossible situations, God promises to make a way for us. His loving guidance will protect us through danger, illness, marital strife, financial problems, or whatever challenges Satan places in our path. The Red Sea Rules also is available in Spanish, reglas del Mar Rojo.

Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over.
