HOWARD CAMERON

Ghost Boys Simon and Schuster
Soon to be a major motion picture
starring Kristin Scott Thomas (The
English Patient), directed by Stefan
Ruzowitzky (The Counterfeiters) Drawing
from decades of work, travel, and
research in Russia, Robert Alexander re-
creates the tragic, perennially
fascinating story of the final days of
Nicholas and Alexandra Romanov as
seen through the eyes of their young

kitchen boy, Leonka. Now an ancient
Russian immigrant, Leonka claims to be
the last living witness to the Romanovs'
brutal murders and sets down the dark
secrets of his past with the imperial
family. Does he hold the key to the many
questions surrounding the family's
murder? Historically vivid and
compelling, *The Kitchen Boy* is also a
touching portrait of a loving family that
was in many ways similar, yet so
different, from any other.

"Ingenious...Keeps readers guessing
through the final pages." —USA Today

A Novel Basic Books

Two young boys encounter the best and worst of humanity during the Holocaust in this powerful read that USA Today called "as memorable an introduction to the subject as *The Diary of Anne Frank*." Berlin, 1942: When Bruno returns home from school one day, he discovers that his belongings are being packed in crates. His father has received a promotion and the family must move to a new house far, far away, where there is no one to play with and nothing to do. A tall fence stretches as far as the eye can see and cuts him off from the strange people in the distance. But Bruno longs to be an explorer and decides that there must be more to this desolate new place than meets the eye. While exploring his new environment, he meets another boy whose life and

circumstances are very different from his own, and their meeting results in a friendship that has devastating consequences.

The Boy from the Woods Beacon Press
A heartbreaking and powerful story about a black boy killed by a police officer, drawing connections through history, from award-winning author Jewell Parker Rhodes. Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances.

Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death.

The Kitchen Boy Macmillan

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of

survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father

and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

The Outsiders Penguin

Determined to become a doctor like her father when she grows up, Katy has a good sense for people and their sicknesses, so when she befriends Jacob, she sees that there is something in him that needs to be revealed.

A Novel of the Last Tsar Schocken

This powerful Newbery-winning classic tells the story of the great coon dog Sounder and his family. An African American boy and his family rarely have

enough to eat. Each night, the boy's father takes their dog, Sounder, out to look for food. The man grows more desperate by the day. When food suddenly appears on the table one morning, it seems like a blessing. But the sheriff and his deputies are not far behind. The ever-loyal Sounder remains determined to help the family he loves as hard times bear down. This classic novel shows the courage, love, and faith that bind a family together despite the racism and inhumanity they face in the nineteenth-century deep South. Readers who enjoy timeless dog stories such as *Old Yeller* and *Where the Red Fern Grows* will find much to love in *Sounder*, even as they read through tears at times.

Guantanamo Boy Penguin

This unforgettable memoir, by one of our most gifted writers, introduces us to the young Toby Wolff, by turns tough and vulnerable, crafty and bumbling, and ultimately winning. Separated by divorce from his father and brother, Toby and his mother are constantly on the move, yet they develop an extraordinarily close, almost telepathic relationship. As Toby fights for identity and self-respect against the unrelenting hostility of a new stepfather, his experiences are at once poignant and comical, and Wolff does a masterful job of re-creating the frustrations and cruelties of adolescence. His various schemes - running away to Alaska, forging checks, and stealing cars

- lead eventually to an act of outrageous self-invention that releases him into a new world of possibility.

Long before Kevin Jennings began advocating to end anti-LGBT bias in schools, he was a victim of it. In *Mama's Boy, Preacher's Son*, Jennings traces the roots of his activism to his elementary school days in the conservative South, where "faggot" became more familiar to him than his own name. *Mama's Boy, Preacher's Son* is that rare memoir that is both a riveting personal story and an inside account of a critical chapter in our recent history. Creating safe schools for all youth is now a central part of the progressive agenda in American

education—and Kevin Jennings is at the forefront of that fight. *Mama's Boy, Preacher's Son* earned an A- in *Entertainment Weekly*, was featured in *Salon* and *The Advocate*, and was called "a great read" by *People*.

That storyline drives Hell of a Book and is the scaffolding of something

much larger and more urgent: Mott's novel also tells the story of Soot, a young Black boy living in a rural town in the recent past, and The Kid, a possibly imaginary child who appears to the author on his tour. As these characters' stories build and converge, they astonish. For while this heartbreaking and magical book entertains and is at once about family, love of parents and children, art and money, it's also about the nation's reckoning with a tragic police shooting playing over and over again on the news. And with what it can mean to be Black in America. Who has been killed? Who is The Kid? Will the author finish his book tour, and what kind of world will he leave behind? Unforgettably told, with characters who burn into your mind and an electrifying

plot ideal for book club discussion, Hell of a Book is the novel Mott has been writing in his head for the last ten years. And in its final twists, it truly becomes its title.

A trans boy determined to prove his gender to his traditional Latinx family summons a ghost who refuses to leave in Aiden Thomas's New York Times-bestselling paranormal YA debut Cemetery Boys, described by Entertainment Weekly as "groundbreaking." Yadriel has summoned a ghost, and now he can't get rid of him. When his traditional Latinx family has problems accepting his true gender, Yadriel becomes determined to prove himself a real brujo. With the help of his cousin and best

friend Maritza, he performs the ritual himself, and then sets out to find the ghost of his murdered cousin and set it free. However, the ghost he summons is actually Julian Diaz, the school's resident bad boy, and Julian is not about to go quietly into death. He's determined to find out what happened and tie off some loose ends before he leaves. Left with no choice, Yadriel agrees to help Julian, so that they can both get what they want. But the longer Yadriel spends with Julian, the less he wants to let him leave. Praise for Cemetery Boys: Longlisted for the National Book Award "The novel perfectly balances the vibrant, energetic Latinx culture while delving into heavy topics like LGBTQ+ acceptance, deportation, colonization, and racism within authoritative establishments."

—TeenVogue.com "This stunning debut novel from Thomas is detailed, heart-rending, and immensely romantic. I was bawling by the end of it, but not from sadness: I just felt so incredibly happy that this queer Latinx adventure will get to be read by other kids. Cemetery Boys is necessary: for trans kids, for queer kids, for those in the Latinx community who need to see themselves on the page. Don't miss this book." —Mark Oshiro, author of *Anger is a Gift A Novel* Heinemann

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

[A Story from Our Americas](#) Penguin

A mesmerizing novel of two love stories,

separated by half a century but connected by one enchanting act of devotion—from the internationally acclaimed Israeli writer Meir Shalev. During the 1948 War of Independence—a time when pigeons are still used to deliver battlefield messages—a gifted young pigeon handler is mortally wounded. In the moments before his death, he dispatches one last pigeon. The bird is carrying his extraordinary gift to the girl he has loved since adolescence. Intertwined with this story is the contemporary tale of Yair Mendelsohn, who has his own legacy from the 1948 war. Yair is a tour guide specializing in bird-watching trips who, in middle age, falls in love again with a childhood girlfriend. His growing passion for her,

along with a gift from his mother on her deathbed, becomes the key to a life he thought no longer possible. Unforgettable in both its particulars and its sweep, *A Pigeon and A Boy* is a tale of lovers then and now—of how deeply we love, of what home is, and why we, like pigeons trained to fly in one direction only, must eventually return to it. In a voice that is at once playful, wise, and altogether beguiling, Meir Shalev tells a story as universal as war and as intimate as a winged declaration of love.

Things get out of hand for a twelve-year-old boy when a neighbor convinces him to expand his summer lawn mowing business.

The Boys in the Boat Penguin
This heartfelt, deeply personal memoir

explores how a celebrated filmmaker and activist and his conservative Mormon mother built bridges across today's great divides--and how our stories hold the power to heal. Dustin Lance Black wrote the Oscar-winning screenplay for Milk and helped overturn California's anti-gay marriage Proposition 8, but as an LGBTQ activist he has unlikely origins--a conservative Mormon household outside San Antonio, Texas. His mother, Anne, was raised in rural Louisiana and contracted polio when she was two years old. She endured brutal surgeries, as well as braces and crutches for life, and was told that she would never have children or a family. Willfully defying expectations, she found salvation in an unlikely faith, raised three rough-and-rowdy boys, and

escaped the abuse and violence of two questionably devised Mormon marriages before finding love and an improbable career in the U.S. civil service. By the time Lance came out to his mother at age twenty-one, he was a blue-state young man studying the arts instead of going on his Mormon mission. She derided his sexuality as a sinful choice and was terrified for his future. It may seem like theirs was a house destined to be divided, and at times it was. This story shines light on what it took to remain a family despite such division--a journey that stretched from the steps of the U.S. Supreme Court to the woodsheds of East Texas. In the end, the rifts that have split a nation couldn't end this relationship that defined and inspired their remarkable lives. Mama's

Boy is their story. It's a story of the noble quest for a plane higher than politics--a story of family, foundations, turmoil, tragedy, elation, and love. It is a story needed now more than ever.
