The Seventh-day Adventist Hymnal.

Christian Faith Publishing,
Inc.

In 1868, Dykesboro was
incorporated as Cochran.
The Macon and Brunswick
Railroad enabled the

community to ship cotton
and corn and receive
needed goods. As the
town began to grow,
education was always
promoted by the
churches. Ebenezer
Academy, founded in
1884, became Middle
Georgia College. In 1912,
Bleckley County was
created, and the county
courthouse began

operation on January 1,
1914. The local economy
was good, and World War
I brought a period of
prosperity due to the
need for food and fiber. In
the 1920s, the boll weevil
devastated the
agricultural cotton
economy and the Great
Depression brought loss
of economic wealth and
financial hardships that

were not relieved until after World War II .
101 Best-Loved Psalms, Gospel Hymns & Spiritual Songs of the African-American Church Rowman & Littlefield
 From the song of Moses on the shore of the Red Sea, to the hymn at the close of our Lord's first communion, the singing of psalms, hymns and spiritual songs is an essential part of worship for God's people. In the wisdom of the Glorious Creator, God created man in his image, which included a voice - a

uniquely human instrument capable of producing melody. And so, our Lord delights in worship with the voice of praise. From the psalms composed by David on the grassy hillsides of Bethlehem, to the thunderous chorus of "Holy! Holy! Holy!" offered by the seraphim in the throne room of heaven, expressions of singing in worship are evident. And notably, Zephaniah declared the Lord rejoices in singing Himself: "The LORD thy God in the midst of thee is

mighty; he will save, he will rejoice over thee with joy; he will rest in his love, he will joy over thee with singing." (Zephaniah 3:17). Truly, God's people rejoice in songs of praise through the ages. By singing Psalms in the early church, in quiet whispers of praise in dens and caves of the earth during persecution, singing praises to our Lord endures. In recent centuries, times of revival and despair alike have sown seeds of creativity, and hymns of praise blossomed and bloomed.

As such, visionary men like Elder Lee Hanks, saw fit to collect hymns, true to God's word in sentiment, and place them in hymnbook form to use in worship. To commemorate the 100th year of the Old School Hymnal, with hearts set on the glory of God, and enveloped by our rich history of worship in song, we the members of the newly restructured, non-profit Old School Hymnal Foundation Board, humbly present to you the Centennial Edition. In 1920, the founding

members of the 1st edition presented a compilation of beloved hymns. In updating the hymnal, we prayerfully labored to honor their focus, endeavoring to maintain treasured, long-standing hymns, while also offering new compositions. We believe the Lord blessed us to remain true to scripture and honor Him with the words and melodies selected. In following the footsteps of our forefathers in hymnody, we echo the words of Elders Monsees and

Pittman, in the preface to the 3rd edition, as we tried to include "the best old songs, and some of the new good ones..." In recent years, the Holy Spirit has blessed the creation of new hymns, born from the souls of redeemed children of God, moved and affected by the influence of grace. In honoring the spirit of past editions, and striving to obey the unction of the Holy Spirit, we are united in the desire to share some new songs. Having begun in the fall of 2019, and concluded in the

midst of uncertain times, we believe a Providential blessing is in the timing of this effort. As unprecedented upheaval and abject fear prevails, we are compelled to present a point of light to push back against the darkness. While angry, dispirited voices reach a fever pitch, as the vitriolic squawk of malicious accusations command our attention, amidst the din of hard speeches and great swelling words, our prayer is that a different sound rises above the fray. In Christian homes,

among congregations of Spirit-led worship, and from hearts of weary sinners, may songs of praise and voices of worship rise to adorn and adore the worthy name of Jesus. Accepting full responsibility for omissions, oversights and mistakes, and pleading for the mercy and blessing of God, we give to you this Centennial Edition, trusting the voice of praise will lift up to glorify our resurrected, reigning and returning Savior.
George Beverly Shea
Macmillan

This book uses Psalm 133 as a launching pad for espousing the importance and benefits of unity in the body of Christ. Unity as a subject is constantly discussed in the church, but the practical demonstration is generally ignored. The first two chapters attempt an exposition on Psalm 133. The metaphors, that is, the precious ointment (anointing oil) and the dew of Hermon used by David to describe the goodness and pleasantness of brethren dwelling together in unity,

are extensively elucidated. Further chapters in the book in addition to discussing barriers to unity adopt a prescriptive approach in enunciating the rationale for unity in the body of Christ. Practical steps on how we might achieve or at least advance the cause of Christ as we seek to walk in unity is discussed within the context of a local church, denomination, and the church at large. The book in the final chapters sets out the benefits of unity while challenging the

church to do all she can about this very important subject. It is my prayer that as you read this book, apart from learning new truths, you will be encouraged, emboldened, and challenged to champion and promote unity in the body of Christ. Chalice Hymnal Review and Herald Pub Assoc Evangelical Christianity--the faith professed by one in four Americans--exerts an enormous influence in American society. Believed by some to have originated as a reaction to the social revolution of

the 1960s, evangelicalism as a distinct subculture in fact dates to the advent of radio. The evangelical faithful flocked to the airwaves, developing a nationwide mass culture as listeners across denominational lines heard the same popular preachers and music. Evangelicals left behind the fundamentalism of the early 20th century as broadcast ministries laid the foundation for the culturally engaged New Christian Right of the late 20th century. This historical ethnography

presents the era's major radio evangelists and songwriters in the own words, drawing on their writings and recordings, as well as songbooks, liner notes and "song story" anthologies of the period.

Finding Fresh Passion to Worship Vantage Press, Inc

(Foreword by George Younce) An inspiring collection of stories behind fifty treasured songs of the faith, including "Mansion Over the Hilltop," "We Shall Behold Him," "He's Still

Working on Me," and "Sweet Beulah Land."

FINALLY, a scholarly description of the development of Black preaching in the United States that is accessible to the average reader, but also contributes to the academic conversation about both style and theological content.
Written from the perspective of a seasoned practitioner and tenured practical theologian, Thomas surveys Black preaching as it has responded to various social and historical time periods. Starting with the

brutality of chattel slavery, early formations in segregated Southern life, rapid migration to and urbanization in Northern cities, and various events throughout the post-civil rights era, the book gives convincing details and examples of how the Black preacher helped to guide and sustain the masses of African American people through the wilderness of social change. At the heart of the book, three prime examples are presented as models of the real “genius” of Black

preaching. The reader will never again think about Reverend Martin Luther King Jr., Malcolm X, and the Reverend Jesse Jackson in the same way. A special chapter is devoted to the contributions of Black women preachers along with a closing chapter that makes new proposals for the future. The book is a provocative and critical analysis of why Black preaching still matters. **Let There be Praise!** Mahalia Jackson and the Black Gospel Field Gospel music was a

significant part of not only who Elvis became as a man, but as an artist as well. As Elvis mania continues to consume generation after generation throughout the world, fans still crave new insights into the person of Elvis Presley. This book takes a look at his roots and the role of gospel in his foundational years, as well as the comfort, solace, and strength it offered him in the years of his meteoric rise in popularity. With the addition of "150 Little Known facts about Elvis"

and eight unique appendices not included in the original hardcover book, this paperback edition THE GOSPEL SIDE OF ELVIS reveals much about the Elvis so many have yet to discover and is sure to become a collector's treasure. Compass Flower Press About the Book Have you ever seen a shifting shadow when no one else is around? Perhaps in your peripheral vision, you caught sight of a glimmering glow or a radiant white light? Or maybe you have heard a

voice call your name, speak a command, or word of warning-a clear, audible voice that causes you to turn your head to see who is talking, only to find that there is nobody there, nobody that you can see with the natural eye. Was there ever a time where you were delayed due to unforeseen circumstances? Maybe at that moment, the situation caused stress or frustration due to impatience, but the delay was sparing you from an accident down the road.

Have you ever felt the urge to help another human in need with an act of kindness? In all of life's experiences, things are going on behind the scenes, unseen, including the working of angels. We may not see them, other than in glimpses or through revelation, but they are there. They are invisible friends-more for us than against us. Myriads upon myriads and thousands upon ten thousands, there are more of them than can be numbered! They bring help to those who call out

for healing, encouragement, peace, and protection all at God's bidding. In a time such as this, it is comforting to know there are angels among us.

Lord, Make Me Over

In Tune With God:

Living by the Hymns of

Faith Xlibris Corporation

The Complete Book of Hymns brings to life the stories behind more than 600 hymns and worship songs. With background on the composer, the inspiration behind the lyrics, scriptural references for devotional consideration, and a sampling of the song

lyrics, this book brings forth the message of these great songs of the faith like never before!

For All who Go Down to the Sea in Ships--

Thomas Nelson

Hymns and the music the church sings are tangible means of expressing worship. And while worship is one of, if not the, central functions of the church along with mission, service, education, justice, and compassion, and occupies a prime focus of our churches, a renewed sense of awareness to our

theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship. Hymns and Hymnody: Historical and Theological Introductions is a 60-chapter, three-volume introductory textbook describing the most influential hymnists, liturgists, and musical movements of the church. This academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers

that have impacted the church over the course of twenty centuries. Volume 1 explores the early church and concludes with the Renaissance era hymnists. Volume 2 begins with the Reformation and extends to the eighteenth-century hymnists and liturgists. Volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty-first century. Each chapter contains these five elements: historical background, theological

perspectives communicated in their hymns/compositions, contribution to liturgy and worship, notable hymns, and bibliography. The mission of Hymns and Hymnody is (1) to provide biographical data on influential hymn writers for students and interested laypeople, and (2) to provide a theological analysis of what these composers have communicated in the theology of their hymns. We believe it is vital for those involved in leading the worship of the

church to recognize that what they communicate is in fact theology. This latter aspect, we contend, is missing-yet important-in accessible formats for the current literature. *Praise Warrior* Review and Herald Pub Assoc
Few people read the credits in their hymnals to learn who wrote the hymns they sing and love. Leslie Clay does. Over one hundred women are featured along with their most loved hymns in *Sisters in Song*. Learn some of the surprising facts the author has

unearthed about the history of many of the most familiar hymn writers. Who knew how important women have been to hymnology? *The Complete Book of Hymns* Westminster John Knox Press
This informative resource provides a brief history of each hymn in the popular hymnal *Glory to God*. Written by one of the foremost hymn scholars today, the *Companion* explains when and why each hymn was written and provides biographical information about the

hymn writers. Church leaders will benefit from this book when choosing hymn texts for every worship occasion. Several indexes will be included, making this a valuable reference tool for pastors, worship planners, scholars, and students, as well as an interesting and engaging resource for music lovers.

Why Black Preaching Still Matters Multnomah

Each of us constantly searches for our destinies in life. Some drift aimlessly, and some give up altogether. But if

you're curious about how to find your destiny and need direction to discover it, then look no further than *Destiny Solution Prayers*. Using personal anecdotes, Scripture, and relevant hymns, evangelist Dr. Pauline Walley-Daniels shows you how to embrace your destiny by illustrating how God works in the lives of the faithful. Not only does she enlighten you about the pathway to destiny, but she also shows you how to identify the structures of various destinations that connect

with your destiny. In this guide, divided into easy-to-read chapters, Dr. Walley-Daniels explores some of the obligations and responsibilities of Christians and shares where to find comfort and guidance in the Bible. Each chapter includes a "notepad" for reflection, a prayer, and a motivational song to encourage you to give your life a makeover with God's help. Learn how to recognize and respond to the voice of destiny, relying on God to lead you in the proper direction. Let Destiny

Solution Prayers help you transform your life.

A Journey of Faith Through My Mother's Dementia Kregel Publications

An authorized biography on George Beverly Shea. He turns 100 2/1/09. Most in-depth book on Mr. Shea. Endorsed by Franklin Graham.

Ev'ry Time I Feel the Spirit McFarland

At first, Ken Abraham wrote off his mother's changes in behavior as quirks that just come with old age. There was memory loss, physical

decline, hygiene issues, paranoia, and uncharacteristic attitudes. He soon realized that dementia had changed her life—and his family's—forever. "How is it possible to lose a loved one while he or she is still living, still sitting right in front of you, talking with you, smiling at you—and yet the person you have known and loved for years is somehow gone?"

According to the Alzheimer's Association, an estimated 5.4 million Americans of all ages have Alzheimer's disease.

That's one in eight older Americans. More than likely, that figure includes someone you know and love. As he chronicles his own mother's degenerative condition, New York Times best-selling writer Ken Abraham educates while offering inspiration to help readers cope with and manage their family circumstances. With humor and spiritual reminders of God's command to honor our parents, Abraham encourages readers through often-difficult

responsibilities. And though in most cases patients will not recover this side of heaven, he suggests many practical things that families can do to make the experience safer, kinder, and more endurable for everyone involved. When Your parent Becomes Your Child tells the story of one family's journey through dementia while offering hope to family members and friends, that they might better understand the effects of the disease. Don't let this catch you by surprise—be informed

before you face the challenges and difficulties of a loved one with Alzheimer's or dementia.

This book can help.

Leather Shaped Note**

AuthorHouse

Nearly a half century after her death in 1972, Mahalia Jackson remains the most esteemed figure in black gospel music history. Born in the backstreets of New Orleans in 1911, Jackson during the Great Depression joined the Great Migration to Chicago, where she

became an highly regarded church singer and, by the mid-fifties, a coveted recording artist for Apollo and Columbia Records, lauded as the "World's Greatest Gospel Singer." This "Louisiana Cinderella" narrative of Jackson's career during the decade following World War II carried important meanings for African Americans, though it remains a story half told. Jackson was gospel's first multi-mediated artist, with a nationally broadcast radio program, a Chicago-based

television show, and early recordings that introduced straight-out-of-the-church black gospel to American and European audiences while also tapping the vogue for religious pop in the early Cold War. In some ways, Jackson's successes made her an exceptional case, though she is perhaps best understood as part of broader developments in the black gospel field. Built upon foundations laid by pioneering Chicago organizers in the 1930s, black gospel singing, with Jackson as its most visible

representative, began to circulate in novel ways as a form of popular culture in the 1940s and 1950s, its practitioners accruing prestige not only through devout integrity but also from their charismatic artistry, public recognition, and pop-cultural cachet. These years also saw shifting strategies in the black freedom struggle that gave new cultural-political significance to African American vernacular culture. The first book on Jackson in 25 years, Mahalia Jackson and the

Black Gospel Field draws on a trove of previously unexamined archival sources that illuminate Jackson's childhood in New Orleans and her negotiation of parallel careers as a singing Baptist evangelist and a mass media entertainer, documenting the unfolding material and symbolic influence of Jackson and black gospel music in postwar American society.

The Gospel Side of Elvis Geneva Press 209—the place that was full of good food, laughter,

and lots of people. I wish I had listened better and asked more questions, but now they're gone. My story is about my

mothers. All four of them are strong, giving, and tenacious women. Can you imagine knowing you're dying and asking your best friend to take

your child without giving financial support? I was that child, and I thank God I was given to the right mothers.
