The summer of '28 was a vintage season for a growing boy. A summer of green apple trees, mowed lawns, and new sneakers. Of half-burnt firecrackers, of gathering dandelions, of Grandma's belly-busting dinner. It was a summer of sorrows and marvels and

gold-fuzzed bees. A magical, timeless summer in the life of a twelve-year-old boy named Douglas Spaulding—remembered forever by the incomparable Ray Bradbury. The only god living in Green Town, Illinois, that Douglas Spaulding knew of. The facts about John Huff, aged twelve, are simple and soon stated. • He could pathfind more trails than any Choctaw or Cherokee since time began. • Could leap from the sky like a chimpanzee from a vine. • Could live underwater two minutes and slide fifty yards downstream. • Could hit baseballs into apple trees, knocking down harvests. • Could jump six-foot orchard walls. • Ran laughing. • Sat easy. • Was not a bully. • Was kind. • Knew the words to all the cowboy songs and would teach you if you asked. • Knew the names of all the wild flowers and when the moon would rise or set and when the tides came in or out. He was, in fact, the only god living in the whole of Green Town, Illinois, during the twentieth century that Douglas Spaulding knew of. “[Ray] Bradbury is an authentic original.”—Time

RAY BRADBURY Penguin

Strange Exit is Parker Peevyhouse's next suspenseful, near-future, stand-alone thriller, perfect for fans of Kass Morgan's The 100 and Patrick Ness's More Than This Seventeen-year-old Lake spends her days searching a strange, post-apocalyptic landscape for people who have forgotten one very important thing: this isn't reality. Everyone she meets is a passenger aboard a ship that's been orbiting Earth since a nuclear event. The simulation that was supposed to prepare them all for life after the apocalypse has trapped their minds in a shared virtual reality and their bodies in stasis chambers. No one can get off the ship until all of the passengers are out of the sim, and no one can get out of the sim unless they believe it's a simulation. It's up to Lake to help them remember. When Lake reveals the truth to a fellow passenger, seventeen-year-old Taren, he joins her mission to find everyone, persuade them that they've forgotten reality, and wake them up. But time's running out before the simulation completely deconstructs, and soon Taren's deciding who's worth saving and who must be sacrificed for the greater good. Now, Lake has no choice but to pit herself against Taren in a race to find the secret heart of the sim, where something waits that will either save

them or destroy them all. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Giver Classroom Complete Press

Essentially a complete teacher's manual for the book, this LitPlan Teacher Pack includes lesson plans and reproducible resource materials for the book Fahrenheit 451 by Ray Bradbury. It includes: 18 Daily Lessons Short answer study questions Multiple choice quiz questions Vocabulary worksheets for each reading assignment 3 detailed writing assignments Individual and group activities Critical thinking discussion questions 5 unit tests (2 short answer, 2 multiple choice, 1 advanced) Evaluation forms Review puzzles & games Bulletin board ideas Reproducible student materials And more! A Note About A Few Of The Many Different Assignments Included: The unit project is for students to make a presentation describing what they think the world will be like 50 years from now. There is also a daily lesson devoted to exploring the idea of censorship. There are three writing assignments in this unit, each with the purpose of informing, persuading, or expressing personal opinions. The detailed writing assignment sheets guide students through the assignments. The first assignment is to inform: students create a fire escape plan for their homes. The second assignment is to express personal opinions: students tell what they think the future will be like (as a preparation for the group activity). The third assignment is to persuade: students persuade the teacher that today is better than 50 years from now will be or vice versa. These materials are geared for whole class use but are very easily adapted for independent study work, lit circles or book groups, home school use, or tutoring. If you have never taught this book before, this manual will give you a great foundation of materials on a variety of levels. If you have taught this book before, you might like to know that many veteran teachers have told us they have found our LitPlan Teacher Pack manuals to be much more thorough and more helpful than other materials they have used. All publications are copyrighted materials, with permission to print student materials as needed for ONE teacher's classroom use only, unless otherwise specifically stated. Documents may not be reproduced,

displayed, or distributed in any other way without written permission from Teacher's Pet Publications, Inc.

The Old Man and the Sea Legare Street Press

While some try to get out of prison, Soapy, the only character in O. Henry's short story, tries to get into it. Soapy is a homeless guy who prefers the warm cell to the cold night under the New York sky. He does everything he can think of in order to draw the attention of the police. However without any success. Until he hears a magical organ anthem. How will this story develop? Will Soapy manage to get into jail or he will find another way to sort out his life? "The Cop and the Anthem" is a comical short story with a touch of irony which emphatically presents the lower class and the obstacles man has to face. William Sidney Porter (1862-1919), known simply as O. Henry, was a prolific American author of humorous literary pieces. His fame came exceptionally quickly and he became a bestselling author of short story collections, among the most famous being "Cabbages and Kings", "The Voice of the City", and "Strictly Business." As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name, given to exceptional short stories.

Spencer Morgan And Dieter Hedrick, one American, one German, are both young and eager to get into action in the war. Dieter, a shining member of the Hitler Youth movement, has actually met the Führer himself and was praised for his hard work. Now he is determined to make it to the front lines, to push back the enemy and defend the honor of the Fatherland. Spencer, just sixteen, must convince his father to sign his induction papers. He is bent on becoming a paratrooper -- the toughest soldiers in the world. He will prove to his family and hometown friends that he is more than the little guy with crooked teeth. He'll prove to his father that he can amount to something and keep his promises.

Everyone will look at him differently when he returns home in his uniform, trousers tucked into his boots in the paratrooper style. Both boys get their wishes when they are tossed into intense conflict during the Battle of the Bulge. And both soon learn that war is about a lot more than proving oneself and one's bravery. Dean Hughes offers young readers a wrenching look at parallel lives and how innocence must eventually be shed.

A Lesson Before Dying Total Class Notes

A successful man must face the terror of his own mortality in this masterful nineteenth-century Russian novella by the author of War and Peace. In his later years, Leo Tolstoy began to contemplate the inescapable realities of mortality—its terrifying mystery, its many indignities, and the way it forces one to look back on the legacy and regrets of one's life. The Death of Ivan Ilyich, widely considered the masterpiece of Tolstoy's late career, is both a deeply insightful meditation on the final months of a man's life, and an unsparing critique of conventional middle-class life in nineteenth-century Russia. Ivan Ilyich, a prosperous high-court judge, spends his days pursuing social advancement among his peers and avoiding his loveless marriage. But when a seemingly innocuous injury signals the beginning of a terminal illness, Ilyich begins to see the true worth of his life with tragic clarity.
