Young Blood, Old Magic: A No-Nonsense Approach to the Ancient Art of Reading Tarot You do not need to learn the tarot because you already know it. It is from this radical jumping off point that WTF Is Tarot breaks down the ancient art of cartomancy. This fresh, accessible and sometimes cheeky guide sheds a holistic light on how to read tarot, from the foundation of magic itself to understanding those tricky court cards to offering readings to others. In WTF Is Tarot, author and tarot reader Bakara Wintner unpacks the magic of the Major and Minor Arcana with shamanic wisdom and girl boss wit, illuminating their meaning with thoughtful anecdotes and analogies that reveal how deeply rooted these symbols already are in our everyday lives: we can feel the Moon in a howling barefoot run through Prospect Park, accept the grace of Temperance in falling in love or a divine intervention, "ghost the haters" with the Six of Swords, or identify when it's time to let go of an ex with the Hanged Man. WTF Is Tarot offers far more than a refreshingly candid tutorial on card reading. Bakara goes on to investigate the magic of crystal healing, chakras, meditation and other magical practices. This young witch offers not just a guide, but an invitation for even the most mundane Muggles to welcome magic into their lives, and for experienced wizards to rediscover it once again.

**Tarot for the Curious Spirit** Llewellyn Worldwide Limited

"In Tarot Shadow Work, Christine Jette bravely takes the practice of tarot readings to new depths and places many people fear to go. She shows us how we can use the cards to trigger awareness in ourselves of troubling aspects of our lives and histories, and then go beyond discovery to use the cards as tools for healing. This is part of the work that needs to be done with tarot in this new century." —Rachel Pollack, author of 78 Degrees of Wisdom and the forthcoming Shining Tribe Tarot Deep within our psyches,

the unconscious holds our forbidden feelings, secret wishes, and creative urges. Over time, these "dark forces" take on a life of their own and form the shadow—a powerful force of unresolved inner conflicts and unexpressed emotions that defies our efforts to control it. The shadow takes its shape from a menagerie of archetypes, each recognizable throughout time and around the world—troubling characters who thrive within our persona. The shadow is saboteur, martyr, victim, addict, sadist, masochist, or tyrant; all the dark figures that prey on the lighter qualities of the human personality. The shadow also represents those latent talents and positive traits that were banished from us at some time along our life path: artistic, musical, athletic, or creative talents. An undeveloped ability, a dream that has gone unexpressed, a fantasy of what might have been—these too make up the personal shadow, the lost parts of ourselves. Tarot Shadow Work shows you how to free yourself from the shackles of the shadow's power. Through tarot work, journaling, meditation, creative visualization, and dream work, you will bring the shadow into the light. This book is ideal for those who are in recovery from a serious addiction or illness, as well as any person seeking a deeper understanding of his or her true self. By exploring the dark and uncharted territory of the unconscious mind, you will work towards understanding and integrating the shadow. No prior knowledge of the tarot is required. You will learn to use the cards as a tool to help you break free from negative patterns and self-destructive behavior. Once we realize that we are made of both light and darkness, life will start to make sense. When we accept our dual natures, we stop sabotaging our own efforts and learn to be compassionate with others and with ourselves.

**The Wheel of Change Tarot** Dodona Books

Discover everything you ever wanted to know about the world's most popular tarot deck. The Ultimate Guide to the Rider Waite Tarot details the ten most important symbols on each and every card in the deck complete with hundreds of illustrations for easy use. *Ancestral Tarot* Llewellyn Worldwide

Kevin Connolly was born in Helena, Montana in August of 1985. Born without legs, Kevin was otherwise a healthy baby and grew up like any other Montana kid; getting dirty, running in the woods, and getting dirty some more. In the way developments tend to snowball, Kevin began skateboarding and taking photographs for the first time in 2005. His first taste of living abroad came in 2006 when he left to study in New Zealand for one year. It was on the return home - skating down a backstreet in Vienna - that Kevin took his first prototype photo for what was to become The Rolling Exhibition. Kevin currently lives in Bozeman, Montana as a photographer and professional skier. For more information on Kevin's other endeavors, please navigate to [www.kevinmichaelconnolly.com](http://www.kevinmichaelconnolly.com)

A Tarot Book for Beginners Llewellyn Worldwide

Tarot 101 Mastering the Art of Reading the Cards Llewellyn Worldwide Limited

WTF is Tarot? Sounds True

Originally published as a boxed set in 1997, The Wheel of Change Tarot companion book is now available separately. Ten years in the making, The Wheel of Change Tarot is a unique and brilliant creation. Although it follows the ancient tradition of the Tarot, it has many new features. This collection of 78 original watercolor paintings contains scientific, natural, historical and modern images. Based in a Pagan-oriented worldview, the underlying wheel of the year, and its cycles and seasons, form a backdrop for the varied layers of symbolism. The beautiful watercolors are full of detail and are painted in rich saturated colors, making the images vivid and exciting. The Wheel of Change Tarot is based in the broad scope of human experience and is multicultural. In each of the four minor suits the "face" cards - Queen, Knight, Princess and Prince - are each of a different race. Symbolically this represents the fact that all people are made up of the various

traits of the four suits. The multiculturalism in the Wheel of Change cards appears both in the Major Arcana and in the Minors, where images from all over the planet are included. With these extensive and varied images The Wheel of Change Tarot is inclusive; it therefore brings in both the individual experience of a broad range of people and the ancient histories of these people. Another new feature of these cards is the broad historical period which they cover. The Ten of Cups shows an archaeological dig in Europe while the Four of Swords shows the ancient burial practices of the Egyptians. Many other images of the ancient historical and pre-historical period can also be seen in the cards. Also included are images that are exclusively from the present â such as the Two of Swords, showing a common pair of scissors symbolizing the simple magic involved in such a tool. Alexandra believes that the common idea that only symbols from our past are legitimate needs to be examined carefully, as we must begin to accept the trappings of our society and to understand our complex relationship with them. The Wheel of Change deck is a conscious attempt to unite the world of nature and the world of our minds and to bridge the gap that ultimately divides us from our selves. Our understanding of modern science is included in many of the images. The Two of Disks expresses the complex relationship between the sun and the earth and the concept of time shown in the analemma (the infinity symbol seen on globes), while the Ace of Swords pictures the full spectrum including the infrared and the ultra violet, showing our scientific understanding of electromagnetic radiation. Also included in these cards is a powerful message of environmentalism. The strongest of these is the reinterpretation of the Justice card, which is usually interpreted as balance and is associated with the sign Libra, the scales. In Alexandra's new version she has painted a representative balance of all the species on earth: the fish in the sea and the creatures of the earth and the air. Included in the print version of the book are descriptions of the symbolism and reading interpretations for each of the 78 cards, as well as black and white images of each one. There are also many new spreads for doing both simple and sophisticated readings, a solitaire game designed to help beginners familiarize themselves with the Tarot, and guides to astrology and symbolism that will help readers develop their own philosophical system. Also included in the book is a new and completely original underlying pattern for the cards

of the major arcana. Titled "The Tarot Tree", it helps people learn and understand the archetypes more easily and completely, and establishes several profound interrelated groupings, which lead to a new understanding of the structure of the major arcana. In addition, there is a philosophical commentary by Stanley V. McDaniel, professor emeritus, Sonoma State University, with whom Alexandra studied in the 1970s.

#### **Tarot Spells** Weiser Books

Explore the myths, legends, and folklore found in Tarot cards, as well as descriptions of how to use and read the cards. Each card's symbolism and mythology is explained in depth, referencing original sources of the legends so that you can discover more yourself. Several original Tarot spreads are included for use with The God Tarot, inspired by the deck itself and the many mythologies and Gods explored in its cards. Includes: 78 original and colorful tarot cards Special instructive manual providing interpretations and symbolism, including myths and divine aspects, and 10 revealing layouts for successful tarot spreads.

#### Tarot Made Simple Clarkson Potter

Tap into your "sixth sense" and become a better, more confident tarot reader. Most all tarot books present card-by-card interpretations as well as an instruction on how to read spreads. This book takes the next logical step inward by presenting the art of reading in a workbook format, and helps you learn to interpret the cards intuitively. The book falls into two parts. The first part concerns learning about the cards, and includes exercises for each card that teaches you to trust your interpretation of the card. The second part helps you develop that ability, a skill that Reed calls "intuition." All the exercises, stories, card meanings, and techniques really serve one purpose: to go beyond learning Tarot to living it. It's not enough to memorize the meanings of the cards, and you can't do a reading with a workbook at your side forever. In order to deliver a meaningful, accurate tarot reading, you need to hone your intuition. Without a comfortable connection to your sixth sense, the tarot readings lack finesse and becomes nothing more than cookie-cutter interpretations. When you're fluent in your intuition, you can develop better readings and unique interpretations for each person. In this book, Reed teaches by example. She presents the basics of intuitive tarot reading—reading without any questions, any backstory, anything to go on. This book is filled with exercises to hone your

intuition and sharpen your interpretation skills.

*Decoding Esoteric Symbolism in Modern Tarot* HarperCollins UK  
Most people think that Tarot cards are only for doing readings. Some know they can also be used as focal points in meditation. But those in the know have the secret--some incredibly powerful magic can be performed easily with the help of the Tarot. Now you can discover those secrets and use them to improve your life with Tarot Spells by Janina Renee! Techniques of using the Tarot cards for magic are fully explained in this book. Also covered are preparations and additions, such as how to add candles, gemstones, colors and crystals to enhance your spell. But mostly this book is about using the cards of the Tarot to cast spells that will change your life. You'll be able to cast spells to ease stress and increase psychic ability. You'll get a spell to encourage your debtors to finally pay you, and a spell to tap your unconscious mind for knowledge. There are spells for healing and job hunting, for finding a home and to get more friends. There are spells to bring peace between you and other family members. You'll find spells for business, for success in competition and for courage. The list of spells just goes on and on! If you have been using the Tarot, here is a chance to increase your knowledge of the power of the cards. The book is illustrated with beautiful designs from the Robin Wood Tarot, but you can use the spells with any Tarot deck. If you want to make changes in your life, here is a way to work magic with no tools other than your Tarot deck. For ease and power, you will want to work with the secrets revealed in this book.

#### Uncover Your Past and Chart Your Future Conari Press

Offers techniques for giving more interesting and accurate tarot readings, as well as instructions for creating and using numerous different spreads for specific purposes, and for modifying classic spreads for more individualized results.

#### **Learning the Tarot** Llewellyn Worldwide

An excellent introductory course that demystifies the ancient art of tarot reading. With equal appeal for both the beginner and the more experienced student, this complete guide gives you all the training you need to start accessing the ancient wisdom of the tarot.

#### Fair Winds Press

A practical, hands-on guide for using tarot to connect with your ancestors and gain access to their insights for healing, self-

protection, and personal powers. With a tarot deck in hand, readers will learn how to identify and access ancestral gifts, messages, powers, protectors, and healers. Tarot expert Nancy Hendrickson guides readers through the basics of finding recent ancestors, and navigating the confusing maze of DNA and ethnic heritage. As a longtime tarot enthusiast, she shows readers how to incorporate a metaphysical tool into a world of tradition. Ancestral Tarot spreads are included in relevant chapters. Each chapter includes three journal prompts that lead readers into self-discovery around ancestral gifts, wounds, and patterns they may have inherited. The better we know our ancestors, the better we know ourselves.

Packaged in a sturdy, decorative gift box, this stunning deck of tarot cards is the perfect gift for Labyrinth fans and tarot enthusiasts everywhere.

*A Practical Guide to Reading the Cards* Simon and Schuster  
Have you ever wondered how you can bring greater depth and clarity to your Tarot readings? Have you struggled to understand just what exactly is going on in your card readings, and how the cards relate to the object of the reading? For the first time, this book shows how the professionals use secret techniques that take Tarot readings to new and exciting levels. It goes beyond the surface levels of the Tarot spread and explores the hidden depths. It explains how to decode those parts of a Tarot spread that seem to make no sense and how to break out of readings that seem to have become "stuck." Using the power of the elemental symbolism of the cards, combined with numerological techniques, this book cracks the "celtic cross" spread wide open to reveal exciting new levels of insight. Paul Hughes-Barlow is a master Tarot reader and occultist. He has previously published *The Tarot and the Magus*. Catherine Chapman is a Tarot reader,

author, student, business woman and mother.
