Discusses the use of leveled texts in kindergarten through eighth-grade classrooms, examines the "text base" needed for effective language literacy instruction, provides guidelines for creating a high-quality leveled book collection and matching books to readers, and explains how to analyze

and level books.

Kimani Press

Other Realms: Volume One is the first book in a new series that collects original short stories by fantasy and sci-fi author Shaun Kilgore. In this volume, you'll be taken to far off fantasy worlds filled with magic, adventure, and the games of noble houses and the plights of brave warriors. This book contains ten stories, including "A Reckoning," "Death To The Messenger," "Midwinter Night," "Oathsworn," "The Beast Of Mern," "The Prophet's Return," "The Risen Queen," "The Ruling," "The Traitor," and "Winds Of Fate."

*An Autobiography* Sapphire Star Publishing LLC

Colorful early reader's weather book, great for that budding learner in K-1st

level. Two reproducible activity sheets for parents and teachers as addendums. Rhythmic, rhyming, and teaches simple weather and season words. Beautiful color illustrations, and letter sizing for earliest readers. Great repetition of high frequency words. A must for every early literacy experience! High frequency and new vocabulary list of 24 introduced words on last page of the book for good measure.

*Tainted Energy* Createspace Independent Pub

Story of an illiterate fisherman from the Channel Islands who must free a ship that has run aground in order to win the hand of the woman he loves, a shipowner's daughter. Gilliat, the embattled fisherman, contends with sea storms and monstrous predators that

Hugo describes in exhilarating detail. Intended to be part of a triptych with Les Miserables and The Hunchback of Notre-Dame, the book laments the living conditions of impoverished workers, while celebrating their ingenuity and discipline.

Books

For seventeen-year-old Lena, living in  
the trailer park with the rest of town's  
throwaways isn't exactly paradise.  
Dealing with a drunken father who can't  
keep his fists to himself doesn't help  
matters either. The only good thing in

her life, other than track, is the  
mysterious man who visits her dreams,  
promising to find her. When a chair  
burns her arms, Lena chalks it up to  
stress-induced crazy. Yet as bizarre  
incidents escalate, even being crazy  
can't explain it all away... until one day  
dream guy does find her. Tarek lost Lena  
seventeen years ago after she was  
accused of treason and marked Tainted.  
He finally discovers her reborn on Earth  
into a life of suffering as punishment for  
her crime. However, someone else has  
already found her... and wants her dead.  
Willing to sacrifice everything, he fights  
to keep her safe so she can live the only  
life she's ever known-even if that life  
doesn't include him.

*LEVEL 1* Heinemann Educational Books  
All Isla Macallen wanted was a simple

existence on her little Scottish island—but what she got was embroiled in a war of good versus evil. Paranormal investigator Dr. Jeremiah Rousseau doesn't expect his research to lead him to Scotland, and to the woman who will turn his world upside down. Together they must defeat the demon king before time runs out. As a supernatural war wages around them, Isla and Jeremiah will risk it all for love.

**Fire on the Island** Crown

OFF THE GRID WITHOUT A PADDLE is the true story of two greenhorns, escapees from the gritty City Of Los Angeles, who buy a home off the grid in a tropical mountain rainforest in rural Hawaii, with fantasies of utopia and dreams of self-sufficiency, but no real idea of what they're getting into. In their first year in

an unfamiliar new world, the high-tech, low-tech, no-tech learning curve is steep and hilarious: exasperating, exhilarating . . . exciting! Whether or not you share the dream of moving off the grid, you'll get a laugh out of their unexpected adventures.

Pearson UK

In the battle between mazes and kids, who will win? Your child might, if he/she has the patience and right strategy to get out of all these mazes. Answering mazes is a fun learning experience that will help improve your child's ability to think of strategies quite fast. Start your child's training with one book of mazes at a time.

Weather Through the Seasons Lynne

Farr

A dog describes being mistreated by a cruel master but then later being taken in by a kind family.

Gillam Hale was born to free parents, and his life was untouched by slavery until his preacher father took him on a trip to minister to the Virginia slaves. Gillam wants beautiful Queen Esther from the moment he sees her, but the only way to purchase her is by distilling illicit whiskey—against his family's advice. Though Gillam achieves his aim, his talent for making fine whiskey earns the wrath of jealous white neighbors, who kidnap Gillam's family and scatter

them to plantations throughout the South. Gillam escapes from his new owners, yet he can never be truly free until he finds his lost loved ones, and faces the legacy of his own rash decisions. The Knees of Gullah Island follows Gillam, Queen Esther and their son, Joseph, in the years surrounding the Civil War and Reconstruction, when the destiny of a nation hung in the balance. Filled with richly drawn characters and details that bring the past to vibrant life, this is a timeless story of love, loss, hope and rebirth.

**Beaufort Sea Planning Area Oil and  
Gas Lease Sale 170, North Slope  
Borough of Alaska**

A riveting, deeply personal account of history in the making—from the president who inspired us to believe in

the power of democracy #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD NOMINEE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Jennifer Szalai, The New York Times • NPR • The Guardian • Marie Claire In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling

journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with

a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. *A Promised Land* is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of “hope and change,” and

meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day.
