interesting thing is that
the Persian is on the right-
hand side and the French
is on the left, opposite of

the norm, due to Persian's being written from right to left. The notes are very extensive. There's a section at the end of most lessons that show all of the new words. The audio is, indeed, abnormally slow. Assimil Persian / Le Persian Sans Peine (Language Programs ... For example, I think Persian is offered only through a French base, though I have heard rumors, which I haven't yet confirmed, that it will soon be offered in English as well. Assimil, a French company founded in 1929, is a

language stalwart in the teach-yourself realm. They have a long history. I Love Assimil for Persian! | Blog - Ellen Jovin First of all, Assimil is an older imprint than TY [Teach Yourself] and MT [Michel Thomas]. Assimil was created in 1929. Secondly, Assimil is inevitably different because it was originated by a single man, Alphonse Chérel, who was unique (as every human on this planet). So there is a strong idiosyncrasy in the Assimil method. The Most Honest Assimil Review
