THIS BOOK DOESN'T CONTAIN ANY ARABIC LETTERS! ALL ARABIC WORDS IN THIS BOOK WERE WRITTEN IN ENGLISH-TRANSLITERATION! Have you always wanted to learn how to speak the Arabic dialects of North Africa? Or learn how to speak the Egyptian, Libyan, Moroccan, Tunisian or the Algerian dialect but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations.

These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work—discoveries that are detailed further in this book—Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant—now. If your desire is to learn complicated grammatical rules or to speak perfectly proper and precise Arabic, this book is not for you. However, if you need to actually hold a conversation while on a trip to a North African Arab speaking country, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. More formalized training in grammar rules, etc., can come later. This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With Conversational Arabic Quick and Easy, all you need is this book. Learn Arabic today, not tomorrow, and get started now!

THIS BOOK DOESN'T CONTAIN ANY ARABIC LETTERS! ALL ARABIC WORDS IN THIS BOOK WERE WRITTEN IN ENGLISH-TRANSLITERATION! Have you always wanted to learn how to speak (MSA) Modern Standard Arabic? Or learn how to speak the Lebanese, the Egyptian, the Emirati, the Palestinian, the Syrian, Saudi, Iraqi, Libyan, or the Jordanian dialect but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. More formalized training in grammar rules, etc., can come later. This isn't a pronunciation book. Thus, this book is recommended for those with prior knowledge in pronunciation of the Arabic language. However, for those who aren't previously familiar, this book does provide some basic tools to teach pronunciation. The only purpose of this book is to provide you with the necessary tools to become conversational in a foreign language in record time. As previously stated, though, with regards to grammar and pronunciation, you are on your own! This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With Conversational Arabic Quick and Easy, all you need are 10 colloquial dialects. Learn Arabic today, not tomorrow, and get started now!

This book is recommended for those who already have some prior knowledge of the pronunciation of Arabic accents (such as the Arabic accents: ayin, ghayn, ha, and khaf). For those of you who do not, this book does indeed provide some great, in-depth techniques on the pronunciation and recognition of these accents, that you will encounter throughout the program. These techniques have proven extremely beneficial for beginner students who were previously unfamiliar with these accent pronunciations. But keep in mind this isn't a pronunciation

book. This method is designed for fluency in a foreign language, while communicating in the first person present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. Therefore, unlike other courses, all words in this program are taught in English transliteration, without having to learn the complex alphabet. More formalized training in grammar rules, etc., can come later. Have you always wanted to learn how to speak Egyptian Arabic but simply didn't have the time? Look no further. You hold in your hands the most revolutionary method that was ever designed for QUICKLY becoming conversational in a language. In creating this time saving program, master linguist Yatir Nitzany spent nearly three years examining the 27 most common languages in the world and distilling from them the 350 words that are most likely to be used in real conversations. Through various other discoveries about how real conversations work, that are detailed further in this book, Nitzany created the necessary tools for linking these words together in a specific way to become fluent NOW. If your desire is to learn complicated grammatical rules, or to speak Shakespearean Arabic, this book is NOT for you. However, if you need to actually hold a conversation whilst on a trip to Egypt, to impress that certain someone, or to be able to speak with

your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This book is recommended for those who already have prior knowledge in pronunciation of Arabic accents (such as the Arabic accents: "ayin," "ghayn," "ha," and "khaf"). For those of you that DO NOT, this book does indeed provide some great, in depth techniques (page #15) as to the pronunciation and recognition of these accents that you will encounter throughout the program. These techniques have proven extremely beneficial for beginner students who were previously unfamiliar with these accent pronunciations. In Egyptian dialect, verb conjugation is irregular and this book will NOT teach you those skills since this is NOT a grammar book. In most languages, including Classical Arabic, a conjugated verb is always followed by an infinitive verb, but this is NOT the case in the colloquial Arabic, since every verb in the sentence must be conjugated. Keep in mind that Egyptian Arabic is not an official language, but rather is a colloquial dialect. The purpose of my method is solely to give you the tools to create your own sentences in order to become conversational, while in regards to grammar, pronunciation, etc.. you are on your own! This method is designed for fluency in a foreign language, while communicating in the first person. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. Therefore, unlike other courses, all words in this program are taught in English transliteration, without having to learn a complex foreign alphabet. More formalized training in grammar rules, learning to write in a foreign alphabet, etc. can all come later. The first in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With *"Conversational Arabic Quick and Easy"* all you need is 45 pages. This book has proven useful for beginners, intermediate, and advanced speakers of the Arabic language. Learn the Egyptian dialect today, not tomorrow, and get started NOW! Note from the Author: Please start at the beginning of program (page#16) and fully master one page at a time prior to proceeding to the next, otherwise you will overwhelm yourself and fail.

THIS BOOK DOESN'T CONTAIN ANY WORDS IN THE ARABIC ALPHABET! ALL ARABIC WORDS, IN BOTH THE KINDLE AND PAPERBACK VERSION OF THIS BOOK, WERE WRITTEN IN THE "FRANCO ARABIC" ENGLISH-TRANSLITERATION! Do you want to learn how to speak the Lebanese Arabic dialect but think you don't have the time? Then this series of language books is for you. What you can hold in your hands is the culmination of the author's personal learnings discovered while traveling. He has now found a way to teach this to others, so take advantage of this teaching tool that has been split over three parts. *Conversational Arabic Quick and Easy: Lebanese Dialect - Part 3* is the third book and it supplements Parts 1 and 2. In Part 1, you learn 350 essential keywords. In Part 2, you supplement the core list of words with sentences that were designed to help you learn fast and with a unique method. Part 3 is what you now hold in your hands, and it is the culmination of one of the most advanced and revolutionary methods ever designed for quickly becoming conversational in a language. In combination, these three books, with their unique teaching and format, will help you master the language to even greater proficiency and quicker than with other courses. If your previous attempts at learning Lebanese dialect have seemed slow and never-ending, then what you need is this entirely new method. The combination of core words and sentences will have you speaking Lebanese Arabic in no time. This method is flawless and has proven itself over and over again. It has worked for the author and thousands of others. It surpasses any other language-learning method system on the market today. This third book includes such issues as language to use in an office, daily activities like going to the bank and school, common themes such as finances, and essential practices like sports. It will help you to engage with more people who speak the language you are learning. If you're determined to perfect your Lebanese Arabic, then start today, not tomorrow!

For those of you who do not, this book does indeed provide some great, in-depth techniques on the pronunciation and recognition of these accents, that you will encounter throughout the program. These techniques have proven extremely beneficial for beginner students who were previously unfamiliar with these accent pronunciations. But keep in mind this isn't a pronunciation book! This method is designed for fluency in a foreign language, while communicating in the first person present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. Therefore, unlike other courses, all words in this program are taught in English transliteration, without having to learn the complex alphabet. More formalized training in grammar rules, etc., can come later. This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With Conversational Arabic Quick and Easy, all you need are forty-six pages. Learn Bahraini Arabic today!

Note from the author: This book is very similar to my other title, "Conversational Arabic Quick and Easy: Palestinian Dialect," so I recommend you either purchase one or the other, but not both. THIS BOOK DOESN'T CONTAIN ANY ARABIC LETTERS! ALL ARABIC WORDS IN THIS BOOK WERE WRITTEN IN ENGLISH-TRANSLITERATION! The State of Israel has two official languages, Hebrew and Arabic. Israel's Arab minority consists of roughly 21 percent of its population, most of whom are fluent in the Hebrew language; however, all speak Arabic as well. The spoken Arabic of Israel is considered a Palestinian dialect, despite a few slight variations. Have you always wanted to learn how to speak the Arabic dialect of the State of Israel but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work--discoveries that are detailed further in this book--Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant--now. If your desire is to learn complicated grammatical rules or to speak perfectly proper and precise Arabic, this book is not for you. However, if you need to actually hold a conversation while on a trip to the Holy Land, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This book is recommended for those who already have some prior knowledge of the pronunciation of Arabic accents (such as the Arabic accents: ayin, ghayn, ha, and khaf). For those of you who do not, this book does indeed provide some great, in-depth techniques on the pronunciation and recognition of these accents, that you will encounter throughout the program. These techniques have proven extremely beneficial for beginner students who were previously unfamiliar with these accent pronunciations. But keep in mind this isn't a pronunciation book. Are you having trouble communicating with your Arab friends? Have you wasted a lot of time learning the Modern Standard Arabic 'MSA' and got nowhere? Well, this book can solve all of these problems! Fusha or MSA is not actually spoken between Arabs, since Fusha is a written language and not a spoken one in the Arab world. Lebanese is spoken worldwide and almost every Arabic country can understand the Lebanese dialect. This book will give you the first steps for achieving the beginner level in Lebanese Arabic. It includes grammar, comprehension, vocabulary and tests. It is also written in Latin letters, so that you can understand how to pronounce the words and letters correctly. By the end of this book you can achieve: * Learn the basics of the Lebanese/Levantine Dialect * Learn the internet language on how Arabs communicate on Social Media * Focusing more on the Levantine/Middle Eastern dialect than Fusha About the Author: Ali Matar, born in Beirut/Lebanon, is the founder and creator of the YouTube channel MatarTV (over 34000 subscribers/August 2019), where he crushed stereotypes, habits and struggles of the younger Lebanese/Arab people in a funny way. He shows Lebanon from a different perspective and the point of view of an Arab living in a foreign European country. He also created the channels MatarPodcast, MatarEducation and developed Lebanese Arabic online courses. "It is one of the best and most effective courses in Lebanese Arabic I managed to find after trying hundreds of sources! Mumtaz!" - Comment of a course participant on Udemy
