**The Jewel That Was Ours** Pan Macmillan  
 From the author of the Inspector Morse series, a short story about a freelance investigator and what should be a simple case. Mrs. Isobel Rodgers is an investigator's perfect client: beautiful, wealthy, and offering a straightforward assignment. Mrs. Rodgers suspects her husband of an affair, and it's up to the investigator to determine the object of Mr. Rodger's affections. For someone with brilliant deductive powers, this should be an open-and-shut case-but Mrs. Rodgers may know more than she's letting on. "The Other Half" by Colin Dexter is one of 20 short stories within Mulholland Books's Strand Originals series, featuring thrilling

stories by the biggest names in mystery from the Strand Magazine archives. View the full series list at [mulhollandbooks.com](http://mulhollandbooks.com) and listen to them all!

*The Way Through the Woods* is the tenth novel in Colin Dexter's Oxford-set detective series. Quietly, rather movingly, Strange was making his plea: 'Christ knows why, Lewis, but Morse will always put himself out for you.' As he put the phone down, Lewis knew that Strange had been right . . . in the case of the Swedish Maiden, the pair of them were in business again . . . They called her the Swedish Maiden - the beautiful young tourist who disappeared on a hot summer's day somewhere in North Oxford. Twelve months later the case remained unsolved - pending further developments. On holiday in Lyme Regis, Chief Inspector Morse is startled to read a tantalizing

article in The Times about the missing woman. An article which lures him back to Wytham Woods near Oxford . . . and straight into the most extraordinary murder investigation of his career. The Way Through the Woods is followed by the eleventh Inspector Morse book, The Daughters of Cain.

**The Remorseful Day** Pan Macmillan

The final Inspector Morse mystery.

The Remorseful Day Pan Macmillan

"Audacious and amusing . . . may be the best book yet in this deservedly celebrated series."—The Wall Street Journal It was only the second time Inspector Morse had ever taken over a murder enquiry after the preliminary—invariably dramatic—discovery and sweep of the crime scene. Secretly pleased to have missed the blood and gore, Morse and the faithful Lewis go about finding the killer who stabbed Dr. Felix McClure, late of Wolsey College. In another part of Oxford, three women—a housecleaner, a schoolteacher, and a prostitute—are playing out a drama that has long been unfolding. It will take much brain work, many pints, and not a little anguish before Morse sees the startling connections between McClure's death and the daughters of Cain. . . . Praise for The Daughters of Cain "Very cleverly constructed. . . Dexter writes with an urbanity and range of reference that is all his own."—Los Angeles Times "You don't really know Morse until you've read him. . . . Viewers who have enjoyed British actor John Thaw as Morse in the PBS Mystery! anthology series should welcome the deeper character development in Dexter's novels."—Chicago Sun-Times "A masterful crime writer whom few others match."—Publishers Weekly  
*Last Bus to Woodstock* Pan Macmillan  
Last Seen Wearing is the second Inspector Morse novel in Colin Dexter's Oxford-set detective series. Morse was beset by a nagging feeling. Most of his fanciful notions about the Taylor girl had evaporated and he had begun to suspect that further investigation into Valerie's disappearance would involve little more than sober and tedious routine . . . After leaving home to return to school, teenager Valerie Taylor had completely vanished, and the trail had gone cold. Until two years, three months and two days after Valerie's disappearance, somebody decides to supply some surprising new evidence for the case . . . Last Seen Wearing is followed by the third Inspector Morse book, The Silent World of Nicholas Quinn.

Daughters of Cain Pan Macmillan

John Thaw was one of Britain's most versatile actors. His powerful ability to deliver award-winning, top quality performances turned him into one of the country's most bankable names. Stafford Hildred and Tim Ewbank trace Thaw's life from his humble roots and desperately unhappy childhood to his arrival as a Teddy Boy student at RADA. From there, the book charts his remarkable rise to stardom and recounts the notable successes, controversies, disasters, and sacrifices experienced along the way. Affectionate and immensely readable, this biography is based on John Thaw's own enthralling and moving memories and anecdotes, plus extensive interviews and recollections from his wife Sheila Hancock, close friends, relatives, and co-stars. John Thaw died of cancer on February 21, 2002. Both he and his wife Sheila had been fighting the disease for some years. He was 60.

The Wench is Dead Andre Deutsch Limited

Early one quiet Monday morning, in an empty executive office, assistant Janice Denard begins to prepare for another ordinary day - but instead discovers evidence of horrific crimes, shocking photographs left abandoned in a printer. Now, with the help of the LVPD's computer forensics experts, the CSI team must track through hardware and software, deception and deceit to find the perpetrators. But while Willows and Stokes investigate the once well-hidden secrets now revealed in print, Grissom, Brown, and Sidle uncover new and disturbing evidence in a high-profile media case...the brutal murder of the Mayor's long-missing secretary.

*The Remorseful Day & the Wench is Dead* Pan Macmillan

The Wench is Dead is the eighth novel in Colin Dexter's Oxford-set detective series. That night he dreamed in Technicolor. He saw the ochre-skinned, scantily clad siren in her black, arrowed stockings. And in Morse's muddled computer of a mind, that siren took the name of one Joanna Franks . . . The body of Joanna Franks was found at Duke's Cut on the Oxford Canal at about 5.30 a.m. on Wednesday, 22nd June 1859. At around 10.15 a.m. on a Saturday morning in 1989 the body of Chief Inspector Morse - though very much alive - was removed to Oxford's John Radcliffe Hospital. Treatment for a perforated ulcer was later pronounced successful. As Morse begins his recovery he comes across an account of the investigation and the trial that followed Joanna Franks' death . . . and becomes convinced that the two men hanged for her murder were innocent . . . The Wench is Dead is followed by the ninth Inspector Morse book, The Jewel That

Was Ours.

*A Shropshire Lad* Fawcett

The Jewel That Was Ours is the ninth novel in Colin Dexter's Oxford-set detective series. He looked overweight around the midriff, though nowhere else, and she wondered whether perhaps he drank too much. He looked weary, as if he had been up most of the night conducting his investigations . . . For Oxford, the arrival of twenty-seven American tourists is nothing out of the ordinary . . . until one of their number is found dead in Room 310 at the Randolph Hotel. It looks like a sudden - and tragic - accident. Only Chief Inspector Morse appears not to overlook the simultaneous theft of a jewel-encrusted antique from the victim's handbag . . . Then, two days later, a naked and battered corpse is dragged from the River Cherwell. A coincidence? Maybe. But this time Morse is determined to prove the link . . . The Jewel That Was Ours is followed by the tenth Inspector Morse book, The Way Through the Woods.

The Fourth Inspector Morse Omnibus Pan Macmillan

The Riddle of the Third Mile is the sixth novel in Colin Dexter's Oxford-set detective series. The thought suddenly occurred to Morse that this would be a marvellous time to murder a few of the dodderly old bachelor dons. No wives to worry about their whereabouts; no landladies to whine about the unpaid rents. In fact nobody would miss most of them at all . . . By the 16th of July the Master of Lonsdale was concerned, but not yet worried. Dr Browne-Smith had passed through the porter's lodge at approximately 8.15 a.m. on the morning of Friday, 11th July. And nobody had heard from him since. Plenty of time to disappear, thought Morse. And plenty of time, too, for someone to commit murder . . . The Riddle of the Third Mile is followed by the seventh Inspector Morse book, The Secret of Annexe 3.

*The Complete Inspector Morse* Hachette UK

For a year, the murder of Mrs. Yvonne Harrison at her home in Oxfordshire had baffled the Thames Valley CID. The manner of her death--her naked handcuffed body left lying in bed--matched her reputation as a woman of adventuresome sexual tastes. The case seemed perfect for Inspector Morse. So why has he refused to become involved--even after anonymous hints of new evidence, even after a fresh murder? Sgt. Lewis's loyalty to his infuriating boss slowly turns to deep distress as his own investigations suggest that Mrs. Harrison was no stranger to Morse. Far from it.

Never has Morse performed more brilliantly than in this final adventure, whose masterly twists and turns through the shadowy byways of passion grip us to the death. . . .

Chambers Morse Crosswords Pan Macmillan

Morse switched on the gramophone to "play", and sought to switch his mind away from all the terrestrial troubles.

Sometimes, this way, he almost managed to forget. But not tonight... Anne Scott's address was scribbled on a crumpled note in the pocket of Morse's smartest suit. He turned the corner of Canal Street, Jericho, on the afternoon of Wednesday, 3rd October. He hadn't planned a second visit. But he was back later the same day as the officer in charge of a suicide investigation...

**From the Original Novels to the Screen**

The Remorseful Day

The Daughters of Cain is the eleventh novel in Colin Dexter's Oxford-set detective series. Bizarre and bewildering – that's what so many murder investigations in the past had proved to be . . . In this

respect, at least, Lewis was correct in his thinking. What he could not have known was what unprecedented anguish the present case would cause to Morse's soul. Chief Superintendent Strange's opinion was that too little progress had been made since the discovery of a corpse in a North Oxford flat. The victim had been killed by a single stab wound to the stomach. Yet the police had no weapon, no suspect, no motive. Within days of taking over the case Chief Inspector Morse and Sergeant Lewis uncover startling new information about the life and death of Dr Felix McClure. When another body is discovered Morse suddenly finds himself with rather too many suspects. For once, he can see no solution. But then he receives a letter containing a declaration of love . . . The Daughters of Cain is followed by the twelfth Inspector Morse book, Death is Now My Neighbour.

The Remorseful Day Pan Macmillan

Chief Inspector Morse is firmly established as the world's most popular fictional detective. This omnibus contains three murder mysteries - The Dead of Jericho,

Service of all the Dead and The Silent World of Nicholas Quinn.

The Jewel That Was Ours Macmillan

The Silent World of Nicholas Quinn is the third novel in Colin Dexter's Oxford-set detective series. Morse had never ceased to wonder why, with the staggering advances in medical science, all pronouncements concerning times of death seemed so disconcertingly vague. The newly appointed member of the Oxford Examinations Syndicate was deaf, provincial and gifted. Now he is dead . . . And his murder, in his north Oxford home, proves to be the start of a formidably labyrinthine case for Chief Inspector Morse, as he tries to track down the killer through the insular and bitchy world of the Oxford Colleges . . . The Silent World of Nicholas Quinn is followed by the fourth Inspector Morse book, Service of All the Dead.
