English for International Tourism New Edition Upper Intermediate Workbook (with Key) and Audio CD Longman

English for International Tourism provides a multi-level series for students who need professional communication within the hotel and tourism industries. The Teacher's Book provides information on unit objectives and helps teachers to use the material effectively. It also includes photocopiable materials

English for International Tourism Oxford University Press, USA

Bring the exciting world of tourism into your classroom with this three level course which uses authentic materials, including Dorling Kindersley Travel Guides.

Longman

David Crystal's classic *English as a Global Language* considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures.

Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

English for International Tourism Upper Intermediate SB-DVD-ROM & Complete Audio Package Allyn & Bacon

'English for International Tourism' is a series for students who need English for professional communication within the hotel and tourism industries. Bringing the working world into the classroom, it improves professional communication skills focusing on grammar, vocabulary and pronunciation.

This course includes authentic material taken from Dorling Kindersley's acclaimed Eyewitness Travel Guides which explore some of the world's top tourist destinations.

A Global Perspective Yale University Press

Teaching English for Tourism initiates a sustained academic discussion on the teaching and learning of English to tourism professionals, or to students who aspire to build a career in the tourism industry. Responding to a gap in the field, this is the first book of its kind to explore the implications

of research in English for tourism (Eft) within the field of English for specific purposes. This edited volume brings together teachers and researchers of Eft from diverse national and institutional contexts, focusing on connecting current research in Eft contexts to classroom implications. It considers a wide range of themes related to the teaching of Eft, including theoretical concepts, methodological frameworks, and specific teaching methods. The book explores topics relating to the impact of changing technologies, the need for cultural understanding, and support for writing development, among others. Teaching English for Tourism explores this growing area of English for specific purposes and allows for researchers and practitioners to share their findings in an academic context. This unique book is ideal reading for researchers, post-graduate students, and professionals working in the fields of English language teaching and learning.
