### Rewards Of Prayer Hansebooks

True religion confronts earth with heaven and brings eternity to bear upon time. The messenger of Christ, though he speaks from God, must also, as the Quakers used to say, "speak to the condition" of his hearers; otherwise he will speak a language known only to himself. His message must be not only timeless but timely. He must speak to his own generation. The message of this book does not grow out of these times but it is appropriate to them. It is called forth by a condition which has existed in the Church for some years and is steadily growing worse. I refer to the loss of the concept of majesty from the popular religious mind. The Church has surrendered her once lofty concept of God and has substituted for it one so low, so ignoble, as to be utterly unworthy of thinking, worshipping men. This she has done not deliberately, but little by little and without her knowledge; and her very unawareness only makes her situation all the more tragic.

*Power and Peace in Prayer* Harvest House Publishers  
 With startling and overwhelming force the tremendous importance of prayer is set forth in Ephesians 6:18: "Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints." When we stop to weigh the meaning of these words, then note the connection in which they are found, the intelligent child of God is driven to say, "I must pray, pray, pray. I must put all my energy and all my heart into prayer. Whatever else I do, I must

pray."The Revised Version is, if possible, stronger than the Authorized: "With all prayer and supplication praying at all seasons in the Spirit, and watching thereunto in all perseverance and supplication for all the saints."Note the all: "with all prayer," "at all seasons," "in all perseverance," "for all the saints." Note the piling up of strong words, "prayer," "supplication," "perseverance." Note once more the strong expression, "watching thereunto," more literally, "being sleepless thereunto." Paul realized the natural slothfulness of man, and especially his natural slothfulness in prayer. How seldom we pray things through! How often the church and the individual get right up to the verge of a great blessing in prayer and just then let go, get drowsy and quit. I wish that these words "being sleepless unto prayer" might burn into our hearts. I wish the whole verse might burn into our hearts. But why is this constant, persistent, sleepless, overcoming prayer so needful?

**How to Witness to Anyone** DigiCat

"The great need of the church, today, and of human society as a whole, is a genuine, God-sent revival. It is either revival or revolution, and a revolution that will plunge human society and civilization into chaos and utter confusion. It is a time of wide-spread apostasy. This may be the last apostasy from which we will be saved by the return of our Lord Jesus to this earth to take the reins of government into His own thoroughly competent hands. That would, of course, be the greatest and most glorious of all revivals, and a revival that would never end. But we do not know that this is the final apostasy. There have been more thoroughgoing and appalling apostasies in the past than this one is at the present hour. The apostasy in England in the time of the Wesleys, and in America at the time of Jonathan Edwards, was far more complete than the present apostasy is. The apostasy in this country at the opening of the nineteenth century was far more appalling, at least as regards university life, than the apostasy of

today. It was the revival under the Wesleys and their associates that saved the church and saved civilization in their day. Even so thoroughgoing a rationalist as Lecky, the historian, admits that it was the revival under the Wesleys that saved civilization in England. And it was the Great Awakening under the leadership of Jonathan Edwards and others that saved the church in America. Our sorest need today is a deep, thoroughgoing. Spirit-wrought, God-sent revival. Such revivals as far as man's agency is concerned always come in one way— by prayer."

*The Power of Prayer* Whitaker Distribution

R. A. Torrey's books have probably helped more people understand the Bible and have led more souls to Christ than the writings of anyone since the Apostle Paul. Not only was Torrey a great Bible teacher and preacher, he was also filled with the Holy Spirit. He lived what he preached. In his worldwide revival crusades, Torrey presented three main teachings: on Christ, on prayer, and on the person of the Holy Spirit. This book focuses on the latter teaching: The Holy Spirit: Who He Is and What He Does. In addition to Torrey's teaching on the person of the Holy Spirit, this book presents seven of his shorter teachings, which he shared at Moody Bible Institute, in the churches he pastored, and in various places around the world. These seven teachings are on: The Deity of Jesus Christ, The Power of the Blood, The Power of the Holy Spirit, The Power of Prayer, The Power of the Word of God, The Place of Prayer in Evangelism, Keep Praying Until God Answers. When you read this book, you will receive definite personal blessing in your heart, life, and service, and you will know who the Holy Spirit is and what He does. Book jacket.

*How to Pray* Bridge Logos Foundation

The sacrifice of the wicked is an abomination to the Lord, But the prayer of the upright is His delight. - Proverbs 15:8 Prayer is the key that unlocks all the storehouses of God's infinite grace and power. All that God is, and all that God has, is at the disposal of prayer; but we must use the key. Prayer can do anything that God can do, and since God can do anything, prayer is omnipotent. No one can stand against the person who knows how to pray, who meets all the conditions of prevailing prayer, and who really prays, and if they are willing to pay the price. The price is prayer, much prayer, much real prayer, prayer in the Holy Spirit. **Secret Power** Whitaker House

From many hearts there is rising a cry for more power - more power in our personal conflicts with the world, the flesh, and the devil, and more power in our work for others. The Bible makes the way to obtain this longed-for power very plain. The Bible tells us how and the Bible was intended to be understood. If we will only make personal trial of the power of the Word of God, the power of the blood of Christ, the power of the Holy Spirit, the power of prayer, and the power of a surrendered life, then we will know the fullness of power in Christian life and service. We will make this clear in the following chapters. There are many people who do not know that there is a life of abiding rest, joy, satisfaction, and power. There are many other people who, while they think there must be something beyond the life they know,

do not know how to obtain it. This book is written to help them.

*The God of the Bible* Ravenio Books

"The difference between a religion of mere letter and form and one of life and power lies in knowing the Holy Spirit."—Dr. R. A. Torrey Can you, or can any Christian go far in the Christian life without giving time and thought to the third Person of the Godhead? Obviously not, for the Holy Spirit takes the things of Christ and shows them to us, and makes the practical application of Bible knowledge obvious to us. He alone can transform Christian theory into life and deeds. Through this book, Dr. Pache will direct us into thinking again about who the Holy Spirit is, what He did before Pentecost, and what He has been doing since then in the lives of men. What place does the Holy Spirit have in the service of the Christian worker, and what will be His ministry in the future? THE PERSON AND WORK OF THE HOLY SPIRIT answers this question and others concerning conviction, baptism, filling, indwelling, and gifts of the Spirit. RENE PACHE was principal of Emmaus Bible School at Lausanne. He was the founder of the Inter-Varsity Christian Fellowship in Switzerland and France and gave much time to that organization. His published works include The Future Life and The Inspiration and Authority of Scripture.

*How to Find Fullness of Power* Whitaker House

From many earnest hearts there is rising a cry for more power: more power in our personal conflict with the world, the flesh, and the devil, more power in our work for others. The Bible makes the way to obtain this longed for power very plain. There is no presumption in undertaking to tell "How to obtain Fulness of Power in Christian Life and Service"; for the Bible itself tells, and the Bible was intended to be understood. The Bible statement of the way is not mystical nor mysterious, it is very plain and straightforward. If we will only make personal trial of "The Power of the Word of God," "The Power of the Blood of Christ," "The Power of the Holy Spirit," "The Power of Prayer," "The Power of a Surrendered Life," we will then know "The Fulness of Power in Christian Life and Service." We will try to make this plain in the following chapters. The present volume has been written partly in response to a request from some who have used the author's book "How to Bring Men to Christ," that he would write another book for use in the training of those who have come to Christ. But the book has also another and far more important purpose. There are many who do not even know that there is a life of abiding rest, joy, satisfaction, and power; and many others who, while they think there must be something beyond the life they know, are in ignorance as to how to obtain it. This book is written to help them.

*The Complete Works of R. A. Torrey, Volume 3* Delmarva Publications, Inc.

At the request of Dwight L. Moody, Torrey wrote a book late in the nineteenth century entitled How to Pray; and God used that book to stir many thousands to develop regular prayer life. A great work began as a result of that book spanning across Australia and New Zealand in 1902, and it extended to England, Scotland, Ireland, and Wales where it became the great Welsh Revival of 1904. Subsequently it went on to India and many other lands, resulting in the conversion of hundreds of thousands of souls. Torrey on Prayer is much fuller and more complete than How to Pray, and it covers the whole subject of prayer, not only in its relation to revivals, but also in its relation to the various

aspects of Christian life and activity.
