Human Resource Management SAGE Publications

Human Resource Management provides readers with a complete, comprehensive review of essential personnel management concepts and techniques in a highly readable and understandable form. Coverage emphasizes essential themes throughout the book, including the building of better, faster, more competitive organizations through HRM; practical applications that help all managers deal with their personnel-related responsibilities; and technology and HR. Specific topics include the strategic role of human resource management; equal opportunity and the law; job analysis; personnel planning and recruiting; employee testing and selection; interviewing candidates; training and developing employees; managing organizational renewal; appraising performance; managing careers and fair treatment; establishing pay plans; pay-for-performance and financial incentives; benefits and services; labor relations and collective bargaining; employee safety and health; managing human resources in an international business; human resources information systems and technology. For practicing Human Resource Managers as well as any business managers who deal with human resource/personnel issues.

Human Resource Management Prentice Hall

Given the enormous economic and developmental changes being experienced by nations in the Asia-Pacific region, and the related movement of people between and across countries, it is critical that we better understand the HRM policies and practices of these nations. The latest instalment in the Global HRM series, *Managing Human Resources in Asia-Pacific (2E)* presents the HRM situations in a number of South-East Asian and Pacific Rim countries, highlighting the growth of the personnel and HR function, the dominant HRM system(s) in the area, the influence of different factors on HRM, and the challenges faced by HR functions in these nations. This edition extends its coverage to Cambodia, Fiji, Indonesia, and the Philippines; a new chapter discusses HR research challenges in the region, such as the transferability of western constructs, problems with data collection, and the emergence of MNEs from Asia Pacific.

Human Resource Management Ballantine Books

Offers select, condensed, and thoroughly updated coverage rewritten from the authors' best-selling 'big' book *Human Resource Management, 7/e*. *Offers an intensive, concise and succinct overview of human resource management - perfect for 'modular' courses* Provides users with the essential working vocabulary and knowledge they will need for the human resources parts of their management jobs* 'Global Issues in HR' sections in every chapter emphasize the importance of knowing how the practices may apply in different parts of the world

Managing Human Resources Routledge

As an increasing number of individuals go to work in the nonprofit sector, nonprofit managers need support on how best to build their human resource management capacity. They need to know what

systems to examine, what questions to ask, and how to ensure they are managing people in a legal manner and as effectively as possible given their particular resource constraints. Important questions include: Do we have a clear philosophy, one that aligns with our nonprofit mission and values and allows us to treat our employees as the professionals they are? How do we select, develop, and retain the best people who will produce high value, high performance work, and how do we do so with limited resources? How do we effectively manage our mix of volunteers and paid staff? What do we need to consider to ensure diverse people work together in a harmonious fashion? With all-new chapters written by the top scholars in the field of nonprofit HRM, these are but a few of the many questions that are addressed in this timely volume. These scholars delve into their particular areas of expertise, offering a comprehensive look at theories and trends; legal and ethical issues; how to build HRM from recruitment, management, labor relations, to training and appraisal; as well as topics in diversity, technology, and paid versus volunteer workforce management. This essential handbook offers all core topic coverage as well as countless insider insights, additional resource lists, and tool sets for practical application. With chapters grounded in existing research, but also connecting research to practice for those in the field, *The Nonprofit Human Resource Management Handbook* will be required reading for a generation of scholars, students, and practitioners of nonprofit human resource management.

An Introduction to Human Resource Management Kogan Page Publishers

The 11th edition of *Communicating at Work* enhances the strategic approach, real-world practicality, and reader-friendly voice that have made this text the market leader for three decades. On every page, students learn how to communicate in ways that enhance their own career success and help their organization operate effectively. This edition retains the hallmark features that have been praised by faculty and students--a strong emphasis on ethical communication and cultural diversity, discussions of evolving communication technologies, and self-assessment tools--while incorporating important updates and ground-breaking digital teaching and learning tools to help students better connect to the course material and apply it to real world business situations.

From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you

should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Cases in HR Practice Routledge

Human Resources topics are gaining more and more strategic importance in modern business management. Only those companies that find the right answers to the following questions have a sustainable basis for their future success: - How can we attract and select the right talent for our teams? - How can we develop the skills and behaviors which are key for our business? - How can we engage and retain the talent we need for our future? While most other management disciplines have their standards and procedures, Human Resources still lacks a broadly accepted basis for its work. - operational perspective Both the structured collection of reflected real-life experience and the multi-perspective view support readers in making informed and well-balanced decisions. With this handbook, Springer provides a landmark reference work on today’s HR management, based on the combined experience of more than 50 globally selected HR leaders and HR experts. Rather than theoretical discussions about definitions, the handbook focuses on sharing practical experience and lessons learned from the most relevant business perspectives: - cultural / emotional perspective - economic perspective - risk perspective

Cases in Human Resource Management Springer

The revised and fully updated second edition of this textbook illustrates the multi-layered knowledge accumulated in the field of international human resource management, developing understanding of the strategic management of people in organizations in a global context. It integrates comparative approaches to human resource management, extending beyond traditional coverage of the field to provide a broader overview of contemporary cultural, institutional and organizational challenges.

Fundamentals of Human Resource Management Routledge

Cases in Human Resource Management provides students with insights into common challenges, dilemmas, and issues human resource managers face in the workplace. Using a wide variety of well-known companies and organizations, author David Kimball engages students with original, real-world cases that illustrate HRM topics and functions in action. Each case is designed to encourage students to find new solutions to human resource issues and to stimulate class discussion. Case questions challenge students to think critically, apply concepts, and develop their HRM skills. The contents are organized using the same topical coverage and structure as most HRM textbooks, making Kimball the ideal companion for any introductory HRM course.

Crisis Leadership Now: A Real-World Guide to Preparing for Threats, Disaster, Sabotage, and Scandal

SAGE Publications

Whether you are a newly promoted manager, a seasoned business owner, or a human resources professional, knowing the ins and outs of dealing with HR issues is critical to your success. The *Essential HR Handbook* is a quick-reference guide that sheds light on the issues that keep managers up at night. It is filled with information, tools, tips, checklists, and road maps to guide managers and HR professionals through the maze of people and legal issues, from recruiting and retaining the best employees to terminating poor performers. With this book, You'll learn how to effectively and efficiently: Individually manage each employee, starting on his or her first day. Manage a multi-generational workforce. Appraise job performance. Coach and counsel. Provide equitable pay, benefits, and total rewards strategies. Identify legal pitfalls and stay out of court. The *Essential HR Handbook* is the one HR guide every manager needs on his or her desk!

Fundamentals of Human Resource Management with CD & Powerweb Human Resource Management Offers students a comprehensive understanding of HRM theory, skills and application - a perfect fit for a one semester unit. The authors reflect on current HRM issues such as diversity, flexibility, equity, globalisation, the regulatory environment, and IT. Human Resource Information Systems Red Wheel/Weiser

This market-leading text takes a pragmatic approach emphasizing the strategic role of human resources. Comprehensive, research-based coverage includes all major topics identified on the Human Resource Certification Institutes Content Outline. Coverage includes a global chapter, expanded coverage of diversity, new material on performance management, and current hot topics such as self-directed work teams, shamrock organization, broadbanding, competency-based pay systems, job security, violence in the workplace, and how organizational commitment affects production, quality, and service.

Managing People Globally Edward Elgar Publishing

The new edition of this SAGE Handbook builds on the success of the first by providing a fully updated and expanded overview of the field of human resource management. Bringing together contributions from leading international scholars - and with brand new chapters on key emerging topics such as talent management, engagement, e-HRM and big data - the Handbook focuses on familiarising the reader with the fundamentals of applied human resource management, while contextualizing practice within wider theoretical considerations. Internationally minded chapters combine a critical overview with discussion of key debates and research, as well as comprehensively dealing with important emerging interests. The second edition of this Handbook remains an indispensable resource for advanced students and researchers in the field. PART 01: Context of Human Resource Management PART 02: Fundamentals of Human Resource Management PART 03: Contemporary Issues

Improve Business Performance Through Strategic People Management John Wiley & Sons

Armstrong's Handbook of Human Resource Management Practice is the bestselling and definitive resource for HRM students and professionals, which helps readers to understand and implement HR in relation to the needs of the business. It covers in-depth all of the areas essential to the HR function such as employment law, employee relations, learning and development, performance

management and reward, as well as the HR skills needed to ensure professional success, including leadership, managing conflict, interviewing and using statistics. Illustrated throughout in full colour and with a range of pedagogical features to consolidate learning (e.g. source review boxes, key learning points, summaries and case studies from international organizations such as IBM, HSBC and Johnson and Johnson), this fully updated 15th edition includes new chapters on the HRM role of line managers, evidence-based HRM, e-HRM and the gender pay gap, further case studies and updated content covering the latest research and developments. Armstrong's Handbook of Human Resource Management Practice is aligned with the Chartered Institute of Personnel and Development (CIPD) profession map and standards and is suited to both professionals and students of both undergraduate degrees and the CIPD's level 5 and 7 professional qualifications. Online supporting resources include comprehensive handbooks for lecturers and students, lecture slides, all figures and tables, toolkits, and a literature review, glossary and bibliography.

Essentials of International Human Resource Management Scarborough, Ont. : Prentice-Hall Canada
Aimed at people interested in management and Human Resources in China, this book is a collection of original and researched case studies on a variety of HR issues occurring in Chinese organisations, both privately-owned and part of multi-national enterprises, and how these issues are resolved by management. The impacts of the solutions in the organisations are also discussed. Preceded by a brief review of the Chinese and Western literature on this problem, the case is then presented and concluded by an analysis of the situations and solutions implemented. Based on original research, conducted in-the-field Provides actual case-studies based on actual organisations Integrates a theoretical perspective and analysis of the cases to assist in a broad understanding of the issues discussed

The Nonprofit Human Resource Management Handbook Prentice Hall

Managing Human Resources in the Middle East provides the reader with an understanding of the dynamics of HRM in this important region. Systematic analysis highlights the main factors and variables dictating HRM policies and practices within each country. Diverse and unique cultural, institutional and business environment factors which play a significant role in determining HRM systems in the region are also elaborated upon. The text moves from a general overview of HRM in the Middle-East to an exploration of the current status, role and strategic importance of the HR function in a wide-range of country-specific chapters, before highlighting the emerging HRM models and future challenges for research, policy and practice. This text is invaluable reading for academics, students and practitioners alike.

Communicating at Work SAGE Publications

This revised edition is a comprehensive, authoritative set of essays. It is more detailed and analytical than the mainstream treatments of HRM. As in previous editions, Managing Human Resources analyses HRM, the study of work and employment, using an integrated multi-disciplinary approach. The starting point is a recognition that HRM practice and firm performance are influenced by a variety of institutional arrangements that extend beyond the firm. The consequences of HRM need to incorporate analysis of employees and other stakeholders as well as the implications for organizational performance.

Study Guide for Bohlander/Snell's Managing Human Resources Communication

Armstrong's Handbook of Strategic Human Resource Management is a complete guide to integrating HR strategies with wider organizational goals and objectives approaches to achieve sustained competitive advantage. Supported by key learning summaries, source reviews and practical real-life examples from organizations including UNICEF and General Motors (GM), it provides coverage of HRM strategies in key areas of the function such as employee engagement, talent management and learning and development, as well as strategic HRM approaches in an international context. This fully revised seventh edition of Armstrong's Handbook of Strategic Human Resource Management contains new chapters on evidence-based strategic HRM, employee wellbeing strategies and HR analytics, as well as additional case studies and updated wider content to reflect the latest research and thinking. It remains an indispensable resource for both professionals and those studying HR qualifications, including undergraduate and masters degrees and the CIPD's advanced level qualifications. Online supporting resources include lecture slides and comprehensive handbooks for lecturers and students which include self-assessment questions, case study exercises, and a glossary and literature review.

Strategies for Success in Business and the Professions SAGE

Why do some managers shine during a high-level crisis while others stumble? Those who have an action plan in place are the ones who can react quickly, manage rumors, and respond to victims and stakeholders sincerely and adequately while keeping their organization afloat. Leading crisis management expert Laurence Barton has spent more than two decades consulting with top companies on how to anticipate and respond to workplace threats and tragedies. In *Crisis Leadership Now* he offers concrete solutions for managing disruptive events-from industrial accidents and acts of violence to embezzlement, product recalls, and terrorism. Barton takes you through his journey of advising senior executives on crisis events and examines: The characteristics that define a true crisis Proven strategies to help you understand and respond to early warning signals Ways to mitigate threatening situations How to effectively communicate your decisions in a timely manner to employees, shareholders, customers, and other constituencies In this forward-looking guide, Barton applies his corporate insider's insight to numerous case studies, demonstrating how such catastrophes happen to real companies and real people every day. These studies form a framework for building crisis management thinking into your company's strategic toolbox. Anticipating all forms of trouble, advising senior management and boards of directors about potential events, and devising a business recovery plan will allow your organization to rebound should tragedy strike. Barton has also created an indispensable sample crisis management plan, and includes detailed templates for addressing a wide spectrum of incidents and threats. Arming you with an arsenal of strategies, tools, and know-how, *Crisis Leadership Now* ensures that your company's leaders will demonstrate confidence and implement solutions in the midst of chaos.

The Encyclopedia of Human Resource Management, Volume 3 John Wiley & Sons

Despite over three decades of debate around the nature of human resource management (HRM), its intellectual boundaries and its application in practice, the field continues to be dogged by a number of theoretical and practical limitations. Written by an international team of respected scholars, this updated textbook adopts a critical perspective to examine the core management function of HRM in all its complexity - including its darker sides. *Human Resource Management: A Critical Approach*

opens with a critique of the very concept of HRM, tracing its development over time, and then systematically analyses the context of HRM, practice of HRM and international perspectives on HRM. New chapters commissioned for this second edition look at HRM and the issues of diversity,

migration, global supply chains and economic crisis. This textbook is essential reading for advanced and inquisitive students of HRM, and for HRM professionals looking to deepen their understanding of the complexities of their field.
