AN ACTION PACKED ADVENTURE, OUR HEROES FIND THEMSELVES CAUGHT UP IN THE MIDDLE OF AN INTERNATIONAL FAMILY MURDER REVENGE ASSASSINATION PLOT.

*A Hundred Years Behind the Times* Penguin

NEW YORK TIMES BESTSELLER • This Cotton Malone adventure blends gripping contemporary political intrigue, Tudor treachery, and high-octane thrills into one riveting novel of suspense. Cotton Malone and his fifteen-year-old son, Gary, are headed to Europe. As a favor to his former boss at the Justice Department, Malone agrees to escort a teenage fugitive back to England. But after he is greeted at gunpoint in London, both the fugitive and Gary disappear, and Malone learns that he's stumbled into a high-stakes diplomatic showdown—an international incident fueled by geopolitical gamesmanship and shocking Tudor secrets. At its heart is the Libyan terrorist convicted of bombing Pan Am Flight 103, who is set to be released by Scottish authorities for “humanitarian reasons.” An outraged American government objects, but nothing can persuade the

British to intervene. Except, perhaps, Operation King’s Deception. Run by the CIA, the operation aims to solve a centuries-old mystery, one that could rock Great Britain to its royal foundations. Blake Antrim, the CIA operative in charge of King’s Deception, is hunting for the spark that could rekindle a most dangerous fire, the one thing that every Irish national has sought for generations: a legal reason why the English must leave Northern Ireland. The answer is a long-buried secret that calls into question the legitimacy of the entire forty-five-year reign of Elizabeth I, the last Tudor monarch, who completed the conquest of Ireland and seized much of its land. But Antrim also has a more personal agenda, a twisted game of revenge in which Gary is a pawn. With assassins, traitors, spies, and dangerous disciples of a secret society closing in, Malone is caught in a lethal bind. To save Gary he must play one treacherous player against another—and only by uncovering the incredible truth can he hope to prevent the shattering consequences of the King’s Deception. Don’t miss Steve Berry’s novella The Tudor Plot and an excerpt from The Lincoln Myth in the back of the book. Praise for The King’s Deception “A Dan Brown-ian secular conspiracy about the Virgin Queen driving nonstop international intrigue.”—Kirkus Reviews Praise for Steve Berry “Berry raises this genre’s stakes.”—The New York Times “I love this guy.”—#1 New York Times

bestselling author Lee Child “Forget Clancy and Cussler. When it comes to this genre, there is simply no one better.”—The Providence Journal

*Famous Impostors* Fantagraphics Books

The story of Elizabeth I, as it's never been told before-through the eyes of two ladies-in-waiting closest to her... In a court filled with repressed sexual longing, scandal, and intrigue, Lady Katherine Grey is Elizabeth's most faithful servant. When the young queen is smitten by the dashing Robert Dudley, Katherine must choose between duty and desire-as her secret passion for a handsome earl threatens to turn Elizabeth against her. Once the queen becomes a bitter and capricious monarch, another lady-in-waiting, Mistress Mary Rogers, offers the queen comfort. But even Mary cannot remain impervious to the court's sexual tension-and as Elizabeth gives her doomed heart to the mercurial Earl of Essex, Mary is drawn to the queen's rakish godson...

*Famous Impostors* Vertigo

Elizabeth I acceded to the throne in 1558, restoring the Protestant faith to England. At the heart of the new queen's court lay Elizabeth's bedchamber, closely guarded by the favoured women who helped her dress, looked after her jewels and shared her bed. Elizabeth's private life was of public, political concern. Her bedfellows were witnesses to the face and body beneath the make-up and elaborate clothes, as well as to rumoured illicit dalliances with such figures as Robert Dudley. Their presence was for security as well as propriety, as the kingdom was haunted by fears of assassination plots and other Catholic subterfuge. For such was the significance of the queen's body: it represented the very state itself. This riveting, revealing history of the politics of intimacy uncovers the feminized world of the Elizabethan court. Between the scandal and intrigue the women who attended the queen were the guardians of the truth about her health, chastity and fertility. Their stories offer extraordinary insight into the daily life of the Elizabethans, the fragility of royal favour and the price of disloyalty.

*The Untold Story of Henry VIII's Most Faithful Servant* Penguin

Packed with fascinating and enthralling historical information, this book shows how the village of Bisley in Surrey has been endowed with a remarkably long and eventful history, all the more surprising for it remains one of the smallest civil parishes in the county.

*Bodycount* e-artnow

From the New York Times bestselling author of *Becoming Queen Victoria*, a new history of Mary Queen of Scots and Elizabeth I that reveals how the most important relationship of their life—their friendship—changed them forever. Elizabeth and Mary were cousins and queens, but eventually it became impossible for them to live together in the same world. This is the story of two women struggling for supremacy in a man’s world, when no one thought a woman could govern. They both had to negotiate with men—those who wanted their power and those who wanted their

bodies—who were determined to best them. In their worlds, female friendship and alliances were unheard of, but for many years theirs was the only friendship that endured. They were as fascinated by each other as lovers; until they became enemies. Enemies so angry and broken that one of them had to die, and so Elizabeth ordered the execution of Mary. But first they were each other’s lone female friends in a violent man’s world. Their relationship was one of love, affection, jealousy, antipathy—and finally death. This book tells the story of Mary and Elizabeth as never before, focusing on their emotions and probing deeply into their intimate lives as women and queens. They loved each other, they hated each other—and in the end they could never escape each other.

[In the Court of Elizabeth I](#) Penguin UK

Set a long time ago in a suburb far, far away (Munster, Indiana), Brewer and CiCi are producing a home-brew so distinct that it attracts a monstrous king and his horrid minions from another dimension. Swords are unsheathed, lines are crossed, and sieges are laid for the rise of the Alpha King!

Theclassics.us

A tale of redemption brought about by ingenuous actions of an innocent child. A bold and striking novel using religion as a platform to exploit more secular and corporeal themes. Set in a boarding school on the North Wales coast in the 1940’s and 1950’s. Just after World War II a father sends his young son into the care of his old school, St Michael Monsalvat, an exclusive Catholic school on the scenic North Wales coast. But the boy’s family perish in an air crash and he arrives at the school a destitute and vulnerable orphan. The school motto is *secura nidificat* - ‘safe nest’. But the school is not as it was in his father’s day. As the boy’s confessor ruefully observes, it has become a nest of vipers! Intrigue, blackmail, intimidation and depravity abound, all held together, paradoxically, by the sacred Seal of the Confessional. It falls to the orphaned Alexander to transcend the Seal and purge Monsalvat of its iniquities. The tale that follows is pregnant with foreboding throughout, leapfrogging over episodes of excoriating poignancy and outraging prurience as the story accelerates towards its epic climax. Redemptor Domus impacts on several levels. It is an unfolding of high drama, a brooding whodunit, a hot-bed of symbolism, an affirmation of comradeship, a Pandora’s box of subliminal fears and, ultimately - and religiosity notwithstanding - a life-affirming experience.

*The Bisley Boy* Melrose Book Company

Constantine's new wife is less than happy that he's missing a thumb, leading him on a quest to find a suitable replacement for his missing digit. While he tries to literally sew himself back together, his niece, Gemma, plots dark revenge against her uncle. Will Constantine be able to fend off his own kin's demonic fury? Collecting issues #276-282.

**The Virgin's Daughters** Simon and Schuster

A source of endless fascination and speculation, the subject of countless biographies, novels, and films, Elizabeth I is now considered from a thrilling new angle by the brilliant young historian Tracy Borman. So often viewed in her relationships with men, the Virgin Queen is portrayed here as the product of women—the mother she lost so tragically, the female subjects who worshipped her, and the peers and intimates who loved, raised, challenged, and sometimes opposed her. In vivid detail, Borman presents Elizabeth’s bewitching mother, Anne Boleyn, eager to nurture her new child, only to see her taken away and her own life destroyed by damning allegations—which taught Elizabeth never to mix politics and love. Kat Astley, the governess who attended and taught Elizabeth for almost thirty years, invited disaster by encouraging her charge into a dangerous liaison after Henry VIII’s death. Mary Tudor—“Bloody Mary”—envied her younger sister’s popularity and threatened to destroy her altogether. And animosity drove Elizabeth and her cousin Mary Queen of Scots into an intense thirty-year rivalry that could end only in death. Elizabeth’s *Women* contains more than an indelible cast of characters. It is an unprecedented account of how the public posture of femininity figured into the English court, the meaning of costume and display, the power of fecundity and flirtation, and how Elizabeth herself—long viewed as the embodiment of feminism—shared popular views of female inferiority and scorned and schemed against her underlings’ marriages and pregnancies. Brilliantly researched and elegantly written, Elizabeth’s *Women* is a unique take on history’s most captivating queen and the dazzling court that surrounded her.

**Elizabeth's Women** Bantam

The dream was always the same ... the scaffold before me, my aunt's head on the block. I stared on in horror as the sword sliced the head from her swan-like neck. The executioner raised her

severed head into the air by its long chestnut locks. The last thing I remembered before my world turned black was my own scream. Fifteen year-old Catherine Carey has been dreaming the same dream for three years, since the bloody execution of her aunt Queen Anne Boleyn. Her only comfort is that she and her family are safe in Calais, away from the intrigues of Henry VIII's court. But now Catherine has been chosen to serve Henry VIII's new wife, Queen Anne of Cleves. Just before she sets off for Calais, she learns the family secret: the true identity of her father, a man she considers to be a monster and a man she will shortly meet. This compelling novel tells the life story of a woman who survived being close to the crown and who became one of Queen Elizabeth I's closest confidantes.

**Street Lavender** 2000 AD

Caro Ramsay's *Singing to the Dead* is the second instalment in the Anderson and Costello series. Bitter betrayal. Sweet revenge. Two seven-year-old boys have been abducted from the streets of Glasgow. Both had already endured years of neglect and betrayal - but for Detective Inspector Colin Anderson the case is especially disturbing, because the boys look so much like his own son Peter... Then, with police resources stretched to breaking point, a simple house fire turns into a full-scale murder hunt. An invisible killer is picking off victims at random and, if DS Costello's hunch is correct, committing an ingenious deception. As his squad struggles to work both cases, DI Anderson learns that deception and betrayal come in many guises. For while the boys' abductor is still out there no child is safe - as young Peter Anderson is about to find out... Reissued with a stunning new package, Caro Ramsay's Anderson & Costello thrillers have been widely recognised as one of the most significant new series in the genre in recent years and Ramsay's utterly unique investigators are ready to become the nation's favourite Scottish cop duo. Absolution is the amazing opening to this stunning series. Subsequent titles include *Dark Water* and *Singing to the Dead*. Fans of Ian Rankin and Val McDermid will love this series. Praise for Caro Ramsay: 'Brilliant in twisting the tension tauter with each page' Guardian 'Ramsay handles her characters with aplomb, the dialogue crackles and the search for the killer has surprising twists and turns' Observer 'Many shivers in store for readers, followed by a shattering climax' The Times Caro Ramsay was born in Glasgow and now lives in a village on the west coast of Scotland. *Absolution* is her first novel, which was shortlisted for the CWA's New Blood Dagger for best debut of the year. This success was followed by two further DI Anderson and DS Costello novels, *Singing to the Dead* and *Dark Water*. The fourth book in the same series, *The Blood of Crows*, is also released this summer.

*Redemptor Domus* HarperCollins Australia

The daughters of a ruthlessly ambitious family, Mary and Anne Boleyn are sent to the court of Henry VIII to attract the attention of the king, who first takes Mary as his mistress, in which role she bears him an illegitimate son, and then Anne as his wife. Reprint. 250,000 first printing. (A Columbia Pictures film, written by Peter Morgan, directed by Justin Chadwick, releasing Fall 2007, starring Natalie Portman, Scarlett Johansson, Eric Bana, and others) (Historical Fiction)

**An Absolutely Gripping Crime Mystery with a Massive Twist** Madeglobal Publishing

*Cor Rotto* A&C Black

The subject of imposture is always an interesting one, and impostors in one shape or another are likely to flourish as long as human nature remains what it is, and society shows itself ready to be gulled. The histories of famous cases of imposture in this book have been grouped together to show that the art has been practised in many forms-impersonators, pretenders, swindlers, and humbugs of all kinds; those who have masqueraded in order to acquire wealth, position, or fame,

and those who have done so merely for the love of the art. So numerous are instances, indeed, that the book cannot profess to exhaust a theme which might easily fill a dozen volumes; its purpose is simply to collect and record a number of the best known instances. The author,

nevertheless, whose largest experience has lain in the field of fiction, has aimed at dealing with his material as with the material for a novel, except that all the facts given are real and authentic. He

has made no attempt to treat the subject ethically; yet from a study of these impostors, the objects they had in view, the means they adopted, the risks they ran, and the punishments which attended exposure, any reader can draw his own conclusions.
