ELLEN DESIREE

A Practical Wedding

Everything

In the long-awaited follow-up to her groundbreaking, million-copy bestseller *The Proper Care and Feeding of Husbands*, Dr. Laura now focuses on how men and women need to understand and appreciate the uniqueness of masculinity and femininity; what the best ways to relate, caretake, and nurture each other are; and how to bring a marriage back from the brink of disaster. Dr. Laura asserts that in order to produce and sustain a wonderfully satisfying marriage, spouses must recognize and appreciate the polarity between the masculine and the feminine. Both husband and wife have power in the relationship, and each needs to realize this in order to ensure personal satisfaction. Using real-life examples from her call-in radio show, and giving real-life solutions, Dr. Laura focuses on the typical mistakes made by men and women in their relationships and shows how marriages can not only survive but thrive.

Da Capo Lifelong Books In the next book in the multimillion-selling Killing Series, Bill O'Reilly and Martin Dugard tell the larger-than-life stories of Elvis Presley, John Lennon, and Muhammad Ali. The King is dead. The Walrus is shot. The Greatest is no more. Elvis Presley, John Lennon, and Muhammad Ali. These three icons changed not only the worlds of music, film, and sports, but the world itself. Their faces were known everywhere, in every nation, across every culture. And their stories became larger than life—until their lives spun out of control at the hands of those they most trusted. In *Killing the Legends*, Bill O'Reilly and Martin Dugard explore the lives, legacies, and tragic deaths of three of the most famous people of the 20th century. Each experienced immense success, then failures that forced them to change; each faced the challenge of growing old in fields that privilege youth; and finally, each became isolated, cocooned by

wealth but vulnerable to the demands of those in their innermost circles. Dramatic, insightful, and immensely entertaining, *Killing the Legends* is the twelfth book in O'Reilly and Dugard's *Killing* series: the most popular series of narrative history books in the world, with more than 18 million copies in print.

Universally acclaimed when it was first published in 1968, *Slouching Towards Bethlehem* has become a modern classic. More than any other book of its time, this collection captures the mood of 1960s America, especially the center of its counterculture, California. These essays, keyed by an extraordinary report on San Francisco's Haight-Ashbury, all reflect that, in one way or another, things are falling apart, "the center cannot hold." An incisive look at contemporary American life, *Slouching Towards Bethlehem* has been admired for several decades as a stylistic masterpiece. Contents: I. On the Las Vegas Strip, blockbuster casinos burst out of the desert, billboards promise "hot babes," actual hot babes proffer complimentary drinks, and a million happy slot machines ring day and night. It's loud and excessive, but, as the Project on Vegas demonstrates, the Strip is not a world apart. Combining written critique with more than one hundred photographs by Karen Klugman, *Strip Cultures* examines the politics of food and water, art and spectacle, entertainment and branding, body and sensory experience. In confronting the ordinary on America's most famous four-mile stretch of pavement, the authors reveal how the Strip concentrates and magnifies the basic truths and practices of American

culture where consumerism is the stuff of life, digital surveillance annuls the right to privacy, and nature—all but destroyed—is refashioned as an element of decor.

Duke University Press

In a fascinating look at how young women are coming of age in America, Vendela Vida's *Girls on the Verge* explores a variety of rituals that girls have adapted or created in order to leave their childhoods behind. Vida doesn't just observe the rituals, she actively participates in them, going as far as spending a week at UCLA to experience rush--she emerges a Tri-Delt. She also goes to Miami to learn about the "quince" (the Latin American celebration of a girl's fifteenth birthday), to Houston to take part in a debutante ball, to Los Angeles and San Francisco to talk to female gang members, to Salem, Massachusetts, to interview a coven of witches, and to Las Vegas to watch young brides take the plunge--some of them in drive-through wedding chapels. With humor, insight, and illuminating detail, she explores girls' struggles to forge an identity and secure a sense of belonging through various rituals--rituals that they embrace without

necessarily understanding the comforts they seek or the repercussions of their often all-too-adult choices.

Renewing Your Wedding Vows Harper Collins

A collection of short essays and humor from online columnist Ron "AAlgar" Watt, aka Mr. Sarcasm. *Explorer's Guide Las Vegas: A Great Destination* Houghton Mifflin Harcourt Weddings have become a billion-dollar industry, with the average cost of a wedding estimated at \$30,000. Taking into account dramatic shifts in attitudes toward marriage in recent years, many pastors are confused and frustrated about their role. This book offers a foundational understanding of marriage for today's North American church. Exploring current sociological analyses of marriage and the history of Christian marriage rites, Kimberly Bracken Long suggests that the church rethink its involvement in weddings and offers a distinctively Christian understanding of marriage. Today's church, Long contends, needs to reinterpret classic biblical metaphors and expand

the range of scriptural sources that inform our understanding of marriage. Long also looks closely at each element of the wedding service and what makes a marriage liturgy faithful, inclusive, and sensitive to pastoral concerns. She provides practical suggestions for music and Scripture during wedding services as well as guidance on how to respond faithfully to those who are divorced or divorcing. Packed with constructive pastoral wisdom, *From This Day Forward Rethinking the Christian Wedding* delivers a practical theology of marriage that will be of help to clergy, seminarians, and others interested in this topic.

Top 10 Las Vegas Turtleback Books (Applause Books). Black and Blue: The Redd Foxx Story tells the remarkable story of Foxx, a veteran comedian and "overnight sensation" at the age of 49 whose early life was defined by adversity and his post- Sanford and Son years by a blur of women, cocaine, endless lawsuits, financial chaos, and a

losing battle with the IRS. Foxx's frank, trailblazing style as the "King of the Party Records" opened the door for a generation of African-American comedians including Dick Gregory, Bill Cosby, Richard Pryor, Eddie Murphy, and Chris Rock. Foxx took the country by storm in January 1972 as crotchety, bow-legged Watts junk dealer Fred Sanford in Sanford and Son , one of the most beloved sitcoms in television history. Fred's histrionic "heart attacks" ("It's the big one, Elizabeth! I'm comin' to join ya, honey!") and catchphrases ("You big dummy!") turned Fred Sanford into a cultural icon and Redd Foxx into a millionaire. Sanford and Son took Foxx to the pinnacle of television success but would also prove to be his downfall. Interviews with friends, confidantes, and colleagues provide a unique insight into this generous, brash, vulnerable performer a man who Norman Lear described as "inherently, innately funny in every part of his being."
