Kabbalah and the Power of Dreaming

Kabbalah Publishing
 More than a decade after the runaway bestseller *The Rules* advised women on how to land "Mr. Right," it's time for a new set of rules that takes a more spiritual approach. These rules are based on the timeless wisdom of Kabbalah and the very nature of the Universe itself. *The Spiritual Rules of Engagement* describes how Kabbalah views relationships and what makes them work (or not work); and reveals that it is the woman who holds the power to determine the outcome. The

book explains the spiritual reasons behind the way in which men and women think and act differently. Although not a book of dating tips, its rules do work. They have to work: They are the Laws of the Universe. You'll learn the true meaning of the term "soul mate;" and why it is that your soul mate has to find you, not the other way around. Written by a kabbalistic teacher who regularly provides counsel to hundreds of individuals and couples, and who is happily married himself, the book will resonate with people of all backgrounds. These are more than just rules of engagement; they're rules for creating a happier, more fulfilling life. *The Power of Kabbalah* Kabbalah Publishing

This guide illuminates time-honored methods for unleashing and maximizing personal potential, regaining self-determination, changing robotic behaviors into conscious control, and creating an individualized approach to finding contentment.

It's said that the greatest trick the Devil ever pulled was in convincing the world that he doesn't exist. In his latest book, Yehuda Berg uses the device of an "as told to" autobiography to explain the notion of The Adversary, an important concept in

Kabbalistic wisdom. Through this playful yet serious faux-bio, readers learn that Satan resides within everyone, manifesting himself as that nagging little voice of doubt and uncertainty, and that that's how havoc is wreaked throughout the world. By doing the spiritual work that Kabbalah teaches, readers can banish negativity and evil influences from their lives, and eliminate chaos from the world. Berg takes creative license with the narrative, but he presents an accurate representation of Kabbalah's view on the force of evil in the physical universe.

"Absence of desire" or "lack of interest" are often listed as symptoms of depression, a medical condition that affects nearly 20 million Americans. A myriad of drugs, herbal remedies, and therapies are now available to treat this condition, and although they may ease the symptoms, none have managed to cure this devastating affliction. In his clear, strong, and heartfelt new book, noted scholar and author Yehuda Berg offers a new "prescription" for those who suffer from depression: the healing energies of Kabbalah. This simple yet profound treatment allows depression sufferers to take back their lives. Readers learn to use Kabbalah's ancient tools to reconnect with desire, reemerge from the debilitating darkness, and overcome depression once and for all. Berg suggests specific Kabbalistic tools for readers to use on the path to recovery, while case histories provide further illumination and inspiration.

Imagine if we could use our difficulties as steppingstones to constantly access the 99 Percent Utilizing kabbalistic tools we can rise above the limitations of this physical world and make a connection to this highest source of energy. The 13 principles found in this book are culled from teachings that are more than 4000 old. When applied, these principles can help us to remove chaos, personal struggle, and despair and reconnect us to a destiny of lasting happiness. This is the power of Kabbalah.

Kabbalists state that there is no reality at all, but something called His Essence, the Upper Force, and this is what we perceive as our world. As uncanny as it sounds, this notion hides in its wings the very prospect of freedom, for every person, for every nation, and for the entire world. The structure and the perception of reality are the surface of this book. But the story of humanity, or more accurately, of the human soul, is the undercurrent that drives the reader forward in this book. It is about you, about me, about all of us. This book is about the way we were, the way we are, the way we will be, and most importantly, it is about the best way to get there. In this neatly structured composition, every part speaks of a different aspect of Kabbalah. It starts with our perception of reality, our perception of the Creator, and the evolution of our soul in the spiritual worlds (including explanatory drawings). The book also clears up misconceptions about Kabbalah and explains, in plain words, how to experience the spiritual realm of our lives.

- Shares 159 short exercises and practices to tap instantly into your subconscious mind and receive answers to your most important questions
- Explains how to dialogue with and understand the imagery and metaphors that arise during these practices
- Offers powerful practices to discover your areas of "stuckness" and quickly clear them, thus releasing past traumas and ancestral patterns and freeing the flow of the imagination for enhanced creativity and joy in life

In this step-by-step guide to kabbalistic practices to connect with your natural inner genius and liberate the light within you, Catherine Shainberg reveals how to tap instantly into the subconscious and receive answers to urgent questions. This method, called the Kabbalah of Light, originated with Rabbi Isaac the Blind of Posquieres (1160-1235) and has been passed down by an ancient kabbalistic family, the Sheshet of Gerona, in an unbroken transmission spanning more than 800 years. The modern lineage holder of the Kabbalah of Light, Shainberg shares 159 short experiential exercises and practices to help you begin dialoguing with your subconscious through images. The images that pop up during these practices are unexpected and revelatory, and she discusses how to open them to greater understanding. At first, they may show you aspects of yourself you don't like. But seeing them serves as both a diagnosis and a direct path to transformation. Fast and simple, the practices can help you discover your areas of "stuckness," release past traumas and ancestral patterns, free the imagination, and open the way to the bliss promised us in the Garden of Eden. Beginning this fertile dialogue with your inner world leads you to uncover your soul's purpose and manifest your dreams in this world. Once your inner dream world and outer reality have merged, you will be able to see your superconscious--your soul's blueprint--and experience the ecstatic illumination of a heart-centered life.
