The book follows the two children as they embark on an adventure, which begins with the discovery of a hidden witch's haven in a graveyard and Jordan's first encounter with the spirit world - but by know means the first for Sebastian. Then a haunted observatory on the outskirts of town yields a clue - a piece of an intriguing map leading to, what they believe to be, hidden treasure. After collecting the rest of the clues from around the town, Jordan and Sebastian search for the treasure, but instead of rubies, emeralds and gold doubloons, they find themselves lead to a doorway into another world, called the Phantom Realm.

A man walks into a coffee shop and gets offered a job in p0rn.Sounds like the start of a joke, right?Or every man's fantasy.Until I remember I'm trying to be a good man.A single father.One who doesn't do casual relationships,Let alone get paid for sex.But for those curves and that mouth?Any man might change his mind. ~\*~It was an honest mistake . . . I'm new to the "adult entertainment" business.So when I'm sent to interview for our next production,I assume the hottie with the coffee is him.Lord knows he's hot enough to take a starring role.Especially in my fantasies.And with that accent,The aural he gives must be ahh-mazing. I thought a hard man might be fun for the night.But a good man? He might be everything.

Anne Marie Stanhope, a young American woman - motherless since the age of three - is summoned to Mexico City by her estranged father, Chesterton Stanhope, where she has been promised in marriage to Frederick Von Alt, the son of her father's business partner. As it is 1910 and women were not equipped to independently earn a living, Anne Marie dutifully arrives in the capital, although she is frustrated by her father's hesitancy to formally introduce her to her future husband. Disconcerted by her inability to speak the Spanish language, her father engages a tutor, Miguel Ruiz, -- an affluent sophisticate whose politics are in direct opposition of his social stature. Enamored by Miguel Ruiz, although betrothed to Frederick, Anne Marie eventually learns that she has actually been brought to Mexico for another purpose, and she does not want part of it. Eluding her father, she accidently finds herself sheltered in a house of prostitution under the protection of a kind madame who is acquainted with her father and Miquel Ruiz. The Revolution commences and circumstances lead the tutor to the madame's house where he enlists her assistance in helping Anne Marie escape the fate planned by her father. An insurgent attacks have escalated, the tutor agrees to accompany Anne Marie to a home in Cuernavaca owned by a trusted friend of the madame. While there, Anne Marie ultimately learns the truth about her mother's untimely death from a former contact of her father and comes to realize that she has only one person on whom she can truly rely: Miquel Ruiz. A proponent of the poor and landless peasants, Miguel is commissioned by an old friend to plan strategies for insurgents operating in the northern part of Mexico. After he and Anne Marie trek north, Miquel learns that he will be involved in planning strategies and raids not only for his compatriot, but also for one of Mexico's most infamous desperados, Francisco Pancho Villa. Now lovers and committed to each other, Anne Marie blindly accepts Miquel's calling. Eventually, she is presented with a young Indian maid recued in one of Villa's raids. Unaware of the pillaging, raping and shooting that Villa and his men have been conducting in the name of freedom and justice, she is inadvertently exposed to Villa's devastation while seeking medical attention at another village. Pleading with Miquel to stop this carnage, he passionately convinces her that he is

only planning strategies. Perceiving the intensity of his fervor, Anne Marie realizes that she cannot dissuade Miquel. After overhearing his plans for a raid by Villa's men on a nearby hacienda, now under the charge of an American Army major assisting the Mexican government in its attempt to diffuse and quell insurgent uprisings, Anne Marie is torn between her loyalty to Miquel and to a United States citizen in imminent danger of attack and death by Villa's insurgents. She decides to help the Army major and sends word to the village via her maid. Her decision led to an unexpected consequence and changed her life forever.

15 Recepten Om Samen Van Te Smullen Soul Intent Arts

A psychological thriller in the tradition of Patricia Highsmith about two couples caught in a web of conflicting passions while deep-sea diving off the beautiful Canary Islands In the late 1990s, Sven Fiedler and his girlfriend, Antje, left Germany for the island of Lanzarote, rejecting what Sven considered a vulgar culture of materialism and judgment. The young couple set up a diving service catering to tourists eager to bask in the warm sunshine and explore the silent, gleaming marine paradise that makes this otherwise barren volcanic island such a remarkable retreat. Sven's approach was simple: take the mechanics of diving seriously, instruct his clients clearly, and stay out of their personal business as best he can. And life on the island goes smoothly until two German tourists--Jola von der Pahlen, a daytime soap star on the verge of cinematic success, and Theo Hast, a stalled novelist--engage Sven for a high-priced, intensive two-week diving experience. Staying in a guest house on Sven and Antje's property, the two visitors and their hosts quickly become embroiled in a tangle of jealousy and suspicion. Sven is struck by Jola's beauty, her evident wealth, and her apparently volatile relationship with the much older Theo. Theo quickly leaps to the conclusion that Sven and Jola are having an affair, but, oddly, he seems to facilitate it rather than trying to intervene. Antje, looking on, grows increasingly wary of these particular clients. As the point of view shifts from one character to the next, the reader is constantly kept guessing about who knows what, and, more important, who is telling the truth. A brutal game of delusion, temptation, and manipulation plays out, pointing toward a violent end. But a quiet one, down in the underwater world beneath the waves.

Katelyn Wolfram was a MI6 agent with a promising career carving up Nazis until one little "Oops" had the King of England place a shoot-on-sight order on her pretty red head and sent her underground. A few years later, with the Third Reich overrunning the free world, Kat ends up trapped hundreds of hellish North African desert miles behind enemy lines with a motley group of misfits. As they work their way back to friendly lines, they team with "The Long Range Desert Group." Together, they begin a terror campaign against the Germans, shattering Rommel's supply lines, scalping Nazis and driving the Gestapo and SS crazy. Ultimately, Kat gets a chance to redeem herself when she stumbles upon Hitler's plan to use the most powerful Wunderwaffe in the history of warfare. But she has a small problem... How can a disgraced and wanted ex MI6 assassin convince the British Command that Hitler is about to win the war...

A "powerful and original" (The Times) historical saga that follows the quest for identity, redemption and home in the wake of World War II. One night in autumn 1944, a gunshot echoes through the alleyways of a small town in occupied Poland. An SS officer is shot dead by a young Polish Jew, Margarita Ejzenstain. In retaliation, his commander orders the execution of thirty-seven Poles--one for every year of the dead man's life. First hidden by a sympathetic German couple, Margarita must then flee the brutal advance of the Soviet army with her newborn baby. So begins a thrilling panorama of intermingled destinies and events that reverberate from that single act of defiance. Kingdom of Twilight follows the lives of Jewish refugees and a German family resettled from Bukovina, as well as a former SS officer, chronicling the geographical and psychological dislocation generated by war. A quest for identity and truth takes them from refugee camps to Lübeck, Berlin, Tel Aviv, and New York, as they try to make sense of a changed world, and of their place in it. Hypnotically lyrical and intensely moving, Steven Uhly's epic novel is a finely nuanced yet shattering exploration of universal themes: love, hatred, doubt, survival, guilt, humanity, and redemption.

**Awakening to the Divinity of Trauma** Haynes Publishing

With a foreword by shaman Christina Pratt, in the revised second edition of this bestselling fantastical memoir, Kelley Harrell chronicles a modern shamanic journey from pain, to healing and accepting a calling to work as a soul healer of others. Groundbreaking at the time of its first publication in 2004, still no other modern shamanic work shares an experience of soul healing told from within the shamanic narrative, bringing relatable and credible insight to contemporary soul healing. Through that rare glimpse into her experiences traversing the spirit world, Harrell's story becomes the reader's adventure. Not always easy to read, there are unflinching passages examining hurtful childhood memories, confrontations with overzealous spirit guides, and challenging personal obstacles she must overcome in order to heal.

This book discusses all important aspects of emergency medicine in older people, identifying the particular care needs of this population, which all too often remain unmet. The up-to-date and in-depth coverage will assist emergency physicians in identifying patients at risk for adverse outcomes, in conducting appropriate assessment, and in providing timely and adequate care. Particular attention is paid to the common pitfalls in emergency management and means of avoiding them. Between 1980 and 2013, the number of older patients in emergency departments worldwide doubled. Compared with younger patients, older people suffer from more comorbidities, a higher mortality rate, require more complex assessment and diagnostic testing, and tend to stay longer in the emergency department. This book, written by internationally recognized experts in emergency medicine and geriatrics, not only presents the state of the art in the care of this population but also underlines the increasing need for adequate training and development in the field.
