 operations management 11th edition
 This edition has a new title

“Operations Management: Sustainability and Supply Chain Management,” reflecting significant new material on these important aspects of OM. Not only has new material been added on supply chains throughout the book, but three chapters now deal specifically with the topic. Operations Management, 11th Edition - pearson.com Operations Management, 11th Edition covers a wide array of introductory business-related subjects presented in a practical and realistic manner. Undergraduate students benefit from a large and diverse set of problems that are supported through a variety of working examples, interactive exercises and myomlab, which is Pearson’s new online homework tutorial system.
