 Pascal's  
 Triangle is a system of  
 numbers arranged in rows  
 resembling a triangle with  
 each row consisting of the  
 coefficients in the  
 expansion of  $(a + b)^n$  for  
 $n = 0, 1, 2, 3$ . The  
 construction of the  
 triangular array in  
 Pascal's triangle is related  
 to the binomial  
 coefficients by Pascal's  
 rule. Before going through  
 the Pascal's triangle  
 algorithm and flowchart,  
 here's a look at it's  
 properties, and more  
 importantly how the  
 triangle is  
 generated.
