The Duke's Desire

HarperCollins Australia
 "Founded in 1908 the now legendary Mills Boon created romantic heroes and heroines that

reflected every decade: the dark and rugged sheikh-doctor-widower-businessman who meets the young, attractive girl-next-door-secretary-careerwoman. The winning formula rarely changed, and today a Mills Boon book is sold in the UK every three seconds, with Harlequin selling more than four books per second globally in 26 languages." "This unique collection of book covers offers a fascinating visual record of how our perceptions of romance, love and drama have

evolved over the years, and presents a treasure-trove of inspiration for designers and artists, as well as anyone working in advertising, film or fashion."--BOOK JACKET.
