Riding Man iUniverse

This book consists largely of previously untranslated work. Kuzmin was a master of many genres: poet, dramatist, writer of narrative prose, and influential literary manifestos. All these facets of Kuzmin's creativity are represented in this volume, which traces his development from a decadent to a key figure of Russia's artistic underground during the repression of the Soviet period. A cycle of poems, Thrall (1919), published here for the first time in English, provides the book with its dominant theme. Thrall is a leitmotif of Kuzmin's early love poetry, where it signifies a lover's impassioned submission. Kuzmin the playwright is represented here by his only full-length drama, The Death of Nero (1929); Kuzmin the prose writer by two short stories that exemplify contrasting periods of his evolution. The collection also contains two literary manifestos that played pivotal roles in the development of Russian letters. -- Bucknell University Press.

ROXANNA KAY spent fifteen years as a Private Investigator and Bounty Hunter in the Oklahoma area. She lives life to the fullest with a sense of humor that reflects in her writing. Accused of living life on the edge with her love for adventure and trying new things. Her greatest accomplishment is raising her two children as a single mom. Roxanna Kay and her two children live in Tahlequah, Oklahoma. To read more about this author visit roxannakay.com. Back Cover Copy Rikki Rankin, a ruthless Private Investigator/Bounty Hunter, is accused of killing Vanessa. Public knowledge of threats Rikki made against Vanessa, along with other evidence stacked-up against her, makes her the prime suspect. The passion Detective Hayes once felt for Rikki has turned into an obsession to ruin her. Two friends help her steal a boat so she can elude law enforcement. Betrayed by one of them, she braves the waters of Lake Tenkiller alone. Rikki's assistant, Grace, finds her beaten and unconscious and joins the quest to clear her name.

Amidst it all, Rikki manages to make a love connection.

My earliest memories are only fear. A great hurting fear that made my heart as big as a pumpkin that welled up into my throat, choking me, dizzying my head, turning my legs to rubber. Fear of moving and making noise, fear of sleep that was invaded by terrible nightmares, fear of waking up to the daily beatings for wet beds, fear of the dark, fear of guns and knives, fear of loud noises, fear of making a mistake, fear of forgetting, fear of Mom going away, and most of all, fear of the constant presence we called Daddy. These are my oldest sister's words. *Dancing on His Grave* is a memoir set on an eastern Montana ranch between 1930 and 1955. My four sisters, my mother and I all contribute first person narrative to this story, along with excerpts from the extensive journals my mother kept throughout her life. It is the story of five sisters who survived unspeakable deprivation and abuse, sexual and physical, at the hands of our sadistic father. A friend gave me his strong opinion. As the psychologist for the prison in Deer Lodge, he said, I meet inmates with stories like yours all the time. What makes your story unique is the outcome. This story is not about him. This is about five little girls who literally survived him, excelled in school, married and raised families of normal, productive, contributing citizens. My father was not an alcoholic or drug addict. All his abuse was administered cold sober. I am convinced he was not mentally ill, in the legal or moral sense of the phrase. He knew right from wrong, but as a narcissistic sociopath, he believed that the world revolved around him, so the rules of decency that other people follow did not apply. The only rule he held himself to, was 'Don't get caught'. The state of being purely evil does not constitute mental illness. By my estimation, he was born without a conscience, and perhaps without a soul. The most important message of this story is the resilience and strength of the human spirit.

Speed Reading - Harness Your Computer's Power to Triple Your Reading Speed! Macmillan International Higher Education

For 100 years, the Isle of Man Tourist Trophy races have been the world's most dangerous organized sporting event. As one of thirty thousand fans who attended the annual spectacle, Mark Gardiner harbored no illusions about his own skill or bravery. He was, however, an avid motorcyclist for whom the race represented a boyhood dream. He went home, quit his job, sold everything he owned, and returned to the Island to race there himself. *Riding Man* is the account of an Everyman, struggling to qualify for -- and survive -- the TT races. If you're a dreamer, the lesson in this book is that the pursuit of any worthwhile goal involves risks, rewards and, almost inevitably some regrets. If you're not a dreamer, the lesson is more important: the deepest regrets are always over risks not taken.

Chevrolet Corvette, 1968-1982 Bulfinch

Raised with limited peer interaction, Ernestine St Bennett has difficulty interpreting social cues. At twenty-five she's become a loner; a shy nerd immersed in her scientific studies, whose best friend is her pet fish, Waldo. Then Ernestine meets Simon Prime, who's obviously a nerd, too! Sympathizing with his social dysfunction, Ernie decides to help poor Simon increase his self-esteem and thus enhance his social standing. Using principles learned in her fish studies, she'll simply turn Simon from meek to macho. What Ernestine doesn't know (but Waldo suspects) is that Simon Prime is really ex-cop, private investigator Sam Pierce in disguise. A man who definitely doesn't need his masculinity enhanced!

A Fast History of Amphetamine (Large Print 16pt) "O'Reilly Media, Inc."

Reared in the harsh conditions of Nelson's navy, Dray Prescott has been transported to the exotic and barbaric, beautiful and cruel world of Kregen, four hundred light years from Earth, under the double star Antares, the twin Suns of Scorpio. Paz, the hemisphere of Kregen where Prescott has adventured and succeeded, is threatened by the reiving Shanks from Schan, the other half of the planet. He has been pitchforked into the job of organizing the resistance, a so-called Emperor of Paz, and has managed - temporarily - to drive off the Shanks and their mentor, the mysterious Carazaar. Now he must concentrate on finding the rubies forming the Skantiklar. These have been scattered in seasons past, and if brought together will confer stupendous sorcerous power on the possessor of the Skantiklar. Down in the continent of Loh expeditions have ventured below the City of Eternal Twilight into the Realm of the Drums in search of one of the rubies. A Wizard of Loh, Na-Si-Fantong, has been collecting the rubies, and it is believed he wants them for no good purposes. He has succeeded in obtaining a ruby and vanishes into the maze of tunnels under the city. Not really convinced of the importance of the Skantiklar, Prescott has to go in pursuit. Alone, he threads his way through the labyrinth, already feeling he will never catch Na-Si-Fantong... Scorpio Triumph concludes the Lohvian Cycle of the saga of Dray Prescott. This edition contains a glossary to the Lohvian Cycle.

Elvis Presley, the Hell's Angels, Hunter S. Thompson, Truman Capote, the Beatles, Judy Garland, Hank Williams, Jack Kerouac, Johnny Cash, JFK, the Manson Family and Adolf Hitler. All of the above were, at one time or another, to put it bluntly, speedfreaks. *Speed-Speed-Speedfreak* traces the criminal and cultural use of amphetamine and its growing use through each new and destructive cycle. Speed is both one of the biggest social problems facing the country today, an indispensable component of the doctor's medicine bag, and a huge and abiding influence on artists, musicians and writers.

much more might you understand? How much wiser would you be? If you could know God's heart, how might your heart be changed? We are living through one of the most tragic events in world history. September 11 will forever stand as a new benchmark for evil in this world. At the first year anniversary of the terrorist attacks on the World Trade Center and Pentagon, Dwight Vilhauer offers an insightful and reflective look at these tragic events, in his new book, *TERROR to TRIUMPH; A Christian Perspective On 9-11*. The events of September 11 have raised anew those challenging questions dealing with the problem of evil in the world. How can it coexist with God's love? As the author points out, "We continue to struggle with the problem of evil because it repeatedly challenges trust in our Creator as a God of love. September 11 is the latest, and perhaps one of the most profound examples of how evil can shake our faith to its core. We need to hear God's voice now more than ever, for strength and healing. At this turbulent and spiritually challenging point in time, when our ears have been filled with evil's threatening voice and news of terror reverberates unceasingly from every corner of the media, God still speaks. If we take time to listen to His voice, amidst all the noise and confusion, we will find solid foundational answers to our many questions." In *TERROR to TRIUMPH*, Dwight Vilhauer leads you back to God's comforting voice where peace and rest are found. Discover how God works in a multitude of ways, through evil's great onslaught, to guide us, protect us, and lead us to ultimate victory whenever the day of evil comes. *TERROR to TRIUMPH* is built upon eight insights that provide a basis for exploring how God works through the evil in this world to accomplish greater ends. Historical events from the Bible, and the teachings of our Savior Jesus Christ, are employed as launching points to explain how God's past victories over evil have direct application to victories that can be realized today. However, the book is not just about September 11. As the author observes, "It's really about how to deal with tragedy whenever the day of evil comes, and in whatever way it enters a person's life. My goal was to help people view the world through the eyes of God Himself and to become one with Him in understanding and purpose. I believe that is how the greatest victory over evil is realized." From this vantage point, the reader is able to view issues of good vs. evil from a unique and spiritually edifying perspective. The result is an extremely refreshing and spiritually uplifting experience.

Spark Family Fun iUniverse

In December 2010, Julian Assange signed a contract with Canongate Books to write a book - part memoir, part manifesto - for publication the following year. At the time, Julian said: 'I hope this book will become one of the unifying documents of our generation. In this highly personal work, I explain our global struggle to force a new relationship between the people and their governments.' In the end, the work was to prove too personal. Despite sitting for more than fifty hours of taped interviews and spending many late nights at Ellingham Hall (where he was living under house arrest) discussing his life and the work of WikiLeaks with the writer he had enlisted to help him, Julian became increasingly troubled by the thought of publishing an autobiography. After reading the first draft of the book at the end of March, Julian declared: 'All memoir is prostitution.' In June 2011, with thirty-eight publishing houses around the world committed to releasing the book, Julian told us he wanted to cancel his contract. We disagree with Julian's assessment of the book. We believe it explains both the man and his work, underlining his commitment to the truth. Julian always claimed the book was well written; we agree, and this also encouraged us to make the book available to readers. And the contract? By the time Julian wanted to cancel the deal he had already used the advance money to settle his legal bills. So the contract still stands. We have decided to honour it - and to publish. This book is the unauthorised first draft. It is passionate, provocative and opinionated - like its author. It fulfils the promise of the original proposal and we are proud to publish it. Canongate Books, September 2011

We believe that taking notes by hand is the best way to generate ideas, and that creativity blossoms with every stroke on the page. This elegant, well-designed tool is the perfect space to put pen to paper. The Classic Notebook traces its origins to the legendary notebooks used by artists and writers over the centuries - every word and sketch you add to its pages make you part of the story. The page style inside is a lined notebook.

Triple Cap Haynes Manuals N. America, Incorporated

An urgent midnight call from the Vatican awakens Dr. Joseph McPherson, a former CIA scientist, from a drunken sleep. He is summoned to Rome to help recover the most sacred relics in Christendom, known only to the Pope and a handful of cardinals. The mere existence of these relics could cast doubts on the very foundations of Christianity; they must be recovered quickly and covertly to preserve the Church. In Israel, Mossad director Meir Snir has taken notice. He questions why the Vatican would appoint an alcoholic research nerd to team with five Vatican cardinals and the Pope himself, on any project. Snir, who has a sixth sense for intrigue, wonders if this development could have long-reaching implications. He dispatches the clever and beautiful Myra Cohen to keep an eye on McPherson. During McPherson's quest to solve this biblical yet timely puzzle, he encounters an ancient and secret brotherhood that has vowed to seek revenge for past atrocities and destroy the Catholic Church. The dangerous trail leads through England, Kentucky Bluegrass country, Washington DC, and Amsterdam in search of a mysterious genius who may have unraveled the secret of eternal life. On his journey, McPherson learns the innermost secrets of the Vatican as well as how to resurrect his own life.
