DUDLEY ALINA

Philip Roth Bantam

The Dramatic Story that Captivated a Generation With this new edition, the classic best-selling autobiography by the late playwright Moss Hart returns to print in the thirtieth anniversary of its original publication. Issued in tandem with *Kitty*, the revealing autobiography of his wife, Kitty Carlisle Hart, *Act One*, is a landmark memoir that influenced a generation of theatergoers, dramatists, and general book readers everywhere.

The book eloquently chronicles Moss Hart's impoverished childhood in the Bronx and Brooklyn and his long, determined struggle to his first theatrical Broadway success, *Once in a Lifetime*. One of the most celebrated American theater books of the twentieth century and a glorious memorial to a bygone age, *Act One* is filled with all the wonder, drama, and heartbreak that surrounded Broadway in the 1920s and the years before World War II.

His Way Henry Holt and Company
From the author of the best-selling biography *Woody Allen*—the most informative, revealing, and entertaining

conversations from his thirty-six years of interviewing the great comedian and filmmaker. For more than three decades, Woody Allen has been talking regularly and candidly with Eric Lax, and has given him singular and unfettered access to his film sets, his editing room, and his thoughts and observations. In discussions that begin in 1971 and continue into 2007, Allen discusses every facet of moviemaking through the prism of his own films and the work of directors he admires. In doing so, he reveals an artist's development over the course of his career to date, from joke writer to standup comedian to world-acclaimed filmmaker. Woody talks about the seeds of his ideas and the writing of his screenplays; about casting and acting, shooting and directing, editing

and scoring. He tells how he reworks screenplays even while filming them. He describes the problems he has had casting American men, and he explains why he admires the acting of (among many others) Alan Alda, Marlon Brando, Michael Caine, John Cusack, Judy Davis, Robert De Niro, Leonardo DiCaprio, Mia Farrow, Gene Hackman, Scarlett Johansson, Julie Kavner, Liam Neeson, Jack Nicholson, Charlize Theron, Tracey Ullman, Sam Waterston, and Dianne Wiest. He places Diane Keaton second only to Judy Holliday in the pantheon of great screen comediennes. He discusses his favorite films (Citizen Kane is the lone American movie on his list of sixteen "best films ever made"; Duck Soup and Airplane! are two of his preferred "comedian's films"; Trouble in

Paradise and Born Yesterday among his favorite “talking plot comedies”). He describes himself as a boy in Brooklyn enthralled by the joke-laden movies of Bob Hope and the sophisticated film stories of Manhattan. As a director, he tells us what he appreciates about Bergman, De Sica, Fellini, Welles, Kurosawa, John Huston, and Jean Renoir. Throughout he shows himself to be thoughtful, honest, self-deprecating, witty, and often hilarious. Conversations with Woody Allen is essential reading for everyone interested in the art of moviemaking and for everyone who has enjoyed the films of Woody Allen.

Conversations with Woody Allen

Univ of California Press

In a series of interviews Woody Allen shares the anxieties, frustrations, and

inspirations in his life.

Woody Da Capo Press

"This hugely entertaining pack of lies reads like a Woody Allen essay from the New Yorker."—David Pitt, Booklist
Is Chris Elliott a highly successful and beloved comedian—or a slightly dim-witted notalent from a celebrity family who managed to convince a generation of disillusioned youth that he was funny? From a ghastly childhood on the posh Upper East Side to his first job entertaining mobsters with his Judy Garland impersonation, *The Guy Under the Sheets* is packed with countless episodes from the life of a mediocre artist who somehow faked his way to the top—of semi-moderate fame and fortune. Woven throughout the fictional fun in Elliott's memoir are wonderful

real-life anecdotes that will delight many new readers and loyal fans alike. "The arc of [Elliott's] career remains unique and inspiring . . . that he blazed a trail for *Arrested Development* and *Community* and all the other freaky, convention-flouting TV comedies."—Grantland

In this fascinating insight into the artistic process, longtime Woody Allen biographer Eric Lax follows the legendary director through the making of a movie—from start to finish. Charting the production of Allen's forty-sixth directorial feature, *Irrational Man*—starring Joaquin Phoenix and Emma Stone—from inception to premier, Lax takes us onto the set and behind the scenes, revealing the intimate details of Allen's filmmaking. We see the

screenplay being shaped, the scenes being prepared, and the actors, cinematographers, editors, and other participants at work. We hear Allen's colleagues speak candidly about working with him, and Allen speaking with equal openness about his career. An unprecedented insight into one of the foremost filmmakers of our time, *Start to Finish* is sure to delight not only movie buffs and Allen fans, but everyone who has marveled at the magic of the movies.

Bogart Turner Publications Incorporated Few celebrities are as instantly recognizable as Woody Allen. Few are as notoriously shy. And perhaps none are as elusive: Is Woody Allen a comedian who wants to be taken seriously? Or is he a serious artist whose films happen to

be funny? The very fact that Eric Lax was granted access to Woody for four years in order to research this biography must be counted as a triumph. And what Lax has produced is a marvel of intimacy and insight: a book that traces Allen's career from his precocious start as a gag writer to his apotheosis as a genuine auteur; a book that takes readers behind the scenes of films such as *Annie Hall*, *Hannah and Her Sisters*, and *Crimes and Misdemeanors*; a book that overflows with Woody's candid opinions of his work, his personal relationships, and his life. "From the Trade Paperback edition.

Woody Allen on Woody Allen Vintage Natalie Portman is only 20 years old, but already she has co-starred in nine films with everyone from Woody Allen to Al Pacino and is considered the best young

actress in Hollywood. In the first biography of this dynamic star, Dickerson examines the charm and wit of her professional persona, while revealing the emotional life of the real Portman. From her relationship with her parents, her long friendship with Britney Spears, her life at Harvard, and her involvement in Star Wars, this book delves into a story never before told. Illustrated with 8 colour and 15 b/w photos.

Gilliam-esque Andrews McMeel Publishing

Como o repórter do filme Zelig, Woody Allen encarna um intrigante conjunto de personagens - Eric Lax não poderia ter escolhido figura mais interessante para biografar. Cineasta de sucesso e assíduo clarinetista do Michael's Pub, em Nova

York, introvertido e espirituoso, desajeitado e cobiçado por belas mulheres, Woody é uma personalidade singular, composta de formidáveis contrapontos. Sua infância, sua carreira, suas idéias sobre família e religião, sua opinião sobre outros diretores, atrizes e atores, tudo apresenta a mesma sensibilidade e inteligência que têm marcado os roteiros e as personagens de seus inesquecíveis filmes. Ora cômicas, ora líricas, mas sempre incisivas e pungentes, as obras de Woody Allen estão definitivamente inscritas na história do cinema. Por trás delas, está o homem inseguro e irreverente e o profissional obcecado pela perfeição. Eric Lax satisfaz a justificada curiosidade a respeito de todas essas facetas, revelando de modo notável tudo o que

você sempre quis saber sobre Woody Allen.

Radiation Atlas and Company
#1 NEW YORK TIMES BESTSELLER • With a new afterword by the author in honor of Frank Sinatra's 100th birthday This is the book that Frank Sinatra tried—but failed—to keep from publication, and it's easy to understand why. This unauthorized biography goes behind the iconic myth of Sinatra to expose the well-hidden side of one of the most celebrated—and elusive—public figures of our time. Celebrated journalist Kitty Kelley spent three years researching government documents (Mafia-related material, wiretaps, and secret testimony) and interviewing more than 800 people in Sinatra's life (family, colleagues, law-enforcement officers, friends). The result

is a stunning, often shocking exposé of a man as tortured as he was talented, as driven to self-destruction as he was to success. Featuring a new afterword by the author, this fully documented, highly detailed biography—filled with revealing anecdotes—is the penetrating story of the explosively controversial and undeniably multitalented legend who ruled the entertainment industry for fifty years and continues to fascinate to this day. Praise for *His Way* “The most eye-opening celebrity biography of our time.”—The New York Times “A compelling page-turner . . . Kitty Kelley's book has made all future Sinatra biographies virtually redundant.”—Los Angeles Herald Examiner
Tough Without a Gun Grove Press
Bogart paints an indelible portrait of a

complex man, from the privilege and abuse he experienced in childhood to his triumphant 1935 acting breakthrough in *The Petrified Forest* to his classic roles as the cynical idealist Rick of *Casablanca* and the drunken yet lovable Charlie Allnut in *The African Queen*. Based on more than two hundred interviews, years of research, and documents ranging from Warner Brothers script reports to an extensive FBI file, this is the definitive account of the immortal actor, painted against a backdrop of studio politics during Hollywood's Golden Age and the witch-hunts of the McCarthy era. Bogart is engrossing and unforgettable—a biography as towering as the legend at its heart.

[Overweight Sensation](#) Macmillan

Woody Allen is not only one of the great

movie directors but one of the foremost creative artists of our time. In over forty-five movies, from *Annie Hall* to *Midnight in Paris*, and through a career that's included stand-up, play-writing, screenwriting, directing, and acting, Woody has evolved more than reinvented himself. In the first biography of Allen in over twenty years, David Evanier writes about Allen's private life as well as his very public career. He untangles fact from rumor about Allen's relationship with Mia Farrow as well as the great scandals that surfaced in the 1990s and recently resurfaced, and makes thoughtful connections between Allen's romantic relationships and the characters in his movies. In fresh interviews with collaborators, boyhood pals, family and friends, Evanier fills in

fascinating details about where Woody came from, how he got his start, and how he has been able to be moral in his business dealings and make exactly the movies that interest him most with the people who interest him most, from Diane Keaton to Cate Blanchett to Michael Caine. Even the closest Allen-watcher will be riveted by Evanier's rich portrait: detailed but sweeping, Woody is the biography of an artist who has never lost his passion, talent and capacity to break new artistic ground, who has always been swept up in the creative act of becoming.

The Family Nobody Wanted Hamish Hamilton

Comprising the classic bestsellers *Getting Even*, *Without Feathers*, and *Side Effects*, this definitive collection of

comic writings is from a man who needs no Introduction. Really—this book has no Introduction. The *Insanity Defense* reveals many sides of Woody Allen as he holds forth on the most human of urges (“Why does man kill? He kills for food. And not only for food: frequently there must be a beverage”); reflects on death (“I don’t believe in an afterlife, although I am bringing a change of underwear”); and notes the effect on history wrought by trick chewing gum, the dribble glass, and other novelties. There is also an inspiring story of the futile race to beat Dr. Heimlich to the punch: “The food went down the wrong pipe, and choking occurred. Grasping the mouse firmly by the tail, I snapped it like a small whip, and the morsel of cheese came loose. If we can transfer the procedure to

humans, we may have something. Too early to tell." All Woody Allen fans will cherish this uproarious treasury—and those who don't enjoy The Insanity Defense are just plain crazy. "If you don't care if you break into helpless whoops of laughter on buses, trains, or wherever you happen to be reading it." –Chicago Tribune, on *Without Feathers* "Brilliant flights of fancy whose comic detail and inspired silliness are at once dramatic and controlled." –The New York Times, on *Side Effects*
Woody Allen Simon and Schuster
 "I don't want you to rehabilitate me," Philip Roth said to his only authorized biographer, Blake Bailey. "Just make me interesting." Granted complete independence and access, Bailey spent almost ten years poring over Roth's

personal archive, interviewing his friends, lovers, and colleagues, and listening to Roth's own breathtakingly candid confessions. Cynthia Ozick, in her front-page rave for the New York Times Book Review, described Bailey's monumental biography as "a narrative masterwork ... As in a novel, what is seen at first to be casual chance is revealed at last to be a steady and powerfully demanding drive. ... under Bailey's strong light what remains on the page is one writer's life as it was lived, and—almost—as it was felt." Though Roth is generally considered an autobiographical novelist—his alter-egos include not only the Roth-like writer Nathan Zuckerman, but also a recurring character named Philip Roth—relatively little is known about the actual life on

which so vast an oeuvre was supposedly based. Bailey reveals a man who, by design, led a highly compartmentalized life: a tireless champion of dissident writers behind the Iron Curtain on the one hand, Roth was also the Mickey Sabbath-like roué who pursued scandalous love affairs and aspired “[t]o affront and affront and affront till there was no one on earth unaffronted”—the man who was pilloried by his second wife, the actress Claire Bloom, in her 1996 memoir, *Leaving a Doll’s House*. Towering above it all was Roth’s achievement: thirty-one books that give us “the truest picture we have of the way we live now,” as the poet Mark Strand put it in his remarks for Roth’s Gold Medal at the 2001 American Academy of Arts and Letters ceremonial.

Tracing Roth’s path from realism to farce to metafiction to the tragic masterpieces of the American Trilogy, Bailey explores Roth’s engagement with nearly every aspect of postwar American culture.

Act One Open Road Media

Doss's charming, touching, and at times hilarious chronicle tells how each of the children, representing white, Chinese, Japanese, Filipino, Korean, Mexican, and Native American backgrounds, came to her and husband Carl, a Methodist minister. She writes of the way the "unwanted" feeling was erased with devoted love and understanding and how the children united into one happy family. Her account reads like a novel, with scenes of hard times and triumphs described in vivid prose. The *Family Nobody Wanted*, which inspired two

films, opened doors for other adoptive families and was a popular favorite among parents, young adults, and children for more than thirty years. Now this edition will introduce the classic to a new generation of readers. An epilogue by Helen Doss that updates the family's progress since 1954 will delight the book's loyal legion of fans around the world.

Woody Allen Brandeis University Press Describes the comedian-filmmaker-actor-essayist's career to date and, with the aid of his own comments and reflections, explores his outlook and style.

One Way Out Canongate Books

For the first time, the full life story of the filmmaker laureate: a smart and entertaining deconstruction of Woody

Allen's genius, celebrity, and art. Born Allen Konigsberg in the Bronx, the man who came to direct some of the most celebrated comedies in movie history - Annie Hall, Manhattan, Crimes and Misdemeanors - is revealed in all his neurotic complexities in this adroit study by John Baxter. The first biography since the tabloids headlined Allen's lurid breakup with Mia Farrow and his affair and subsequent marriage to her adopted daughter, Soon Yi, this illuminating chronicle of Allen's career - from his days writing jokes for Sid Caesar to his eventual fame as filmdom's quintessential New Yorker - details the often scandalous success that Allen has achieved as screenwriter, actor, and director. And Baxter's compelling saga never fails to uncover Allen's calculated

construction of the Woody persona and how far the hapless, obsessive character on screen is from the actual man.

"Intelligently points out the gap between the shambling on-screen character that Allen created and the successful, controlling artist." - New York Times Book Review

The Woody Allen Companion Knopf

The untold story of the discovery of the first wonder drug, the men who led the way, and how it changed the modern world The discovery of penicillin in 1928 ushered in a new age in medicine. But it took a team of Oxford scientists headed by Howard Florey and Ernst Chain four more years to develop it as the first antibiotic, and the most important family of drugs in the twentieth century. At once the world was transformed-major

bacterial scourges such as blood poisoning and pneumonia, scarlet fever and diphtheria, gonorrhoea and syphilis were defeated as penicillin helped to foster not only a medical revolution but a sexual one as well. In his wonderfully engaging book, acclaimed author Eric Lax tells the real story behind the discovery and why it took so long to develop the drug. He reveals the reasons why credit for penicillin was misplaced, and why this astonishing achievement garnered a Nobel Prize but no financial rewards for Alexander Fleming, Florey, and his team. The Mold in Dr. Florey's Coat is the compelling story of the passage of medicine from one era to the next and of the eccentric individuals whose participation in this extraordinary accomplishment has, until now,

remained largely unknown.

Paul Newman ECW Press

Now is probably as good a time as any to make a full confession. . . Telling his story for the first time, the director of Time Bandits, Brazil, The Adventures of Baron Munchausen, The Fisher King, 12 Monkeys and Fear and Loathing in Las Vegas - not to mention co-founder of Monty Python's Flying Circus - recalls his extraordinary life so far. Featuring a cast

of amazing supporting characters, including George Harrison, Robin Williams, Jeff Bridges, Robert De Niro, Brad Pitt, Uma Thurman, Johnny Depp, Heath Ledger and all of the fellow Pythons, Gilliamesque is a rollercoaster ride through late twentieth century popular culture. Packed with never-before-seen artwork, photographs and commentary.
