The Bittering Worktext Series recognizes that math hasn't changed, but students—and the way they learn math—have. This latest edition continues the Bittering tradition of objective-based, guided learning, while also integrating timely updates to the proven pedagogy. This edition has a greater emphasis on guided learning and helping students get the most out of all of the resources available, including new mobile learning resources, whether in a traditional lecture, hybrid, lab-based, or online course. MyMathLab not included. Students, if MyMathLab is a recommended/mandatory component of the course, please ask your instructor for the correct ISBN and course ID. MyMathLab should only be purchased when required by an instructor. Instructors, contact your Pearson representative for more information. MyMathLab is an online homework, tutorial, and assessment product designed to personalize learning and improve results. With a wide range of interactive, engaging, and assignable activities, students are encouraged to actively learn and retain tough course concepts.

London : MacMillan

For courses in beginning and intermediate algebra. Every student can succeed. Elayn Martin-Gay's developmental math textbooks and video resources are motivated by her firm belief that every student can succeed. Martin-Gay's focus on the student shapes her clear, accessible writing, inspires her constant pedagogical innovations, and contributes to the popularity and effectiveness of her video resources. This revision of Martin-Gay's algebra series continues her focus on students and what they need to be successful. Also available with MyMathLab MyMathLab® is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them absorb course material and understand difficult concepts. Note: You are purchasing a standalone product; MyMathLab does not come packaged with this content. Students, if interested in purchasing this title with MyMathLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the physical text and MyMathLab, search for: 9780134194004 Beginning & Intermediate Algebra Plus NEW MyMathLab with Pearson eText -- Access Card Package, 2/e This package contains: 9780134193090 Beginning & Intermediate Algebra, 6/E 9780321654069 MyMathLab Inside Star Sticker, 1/E

Introductory Algebra Beginning and Intermediate Algebra

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- This package consists of the textbook plus an access kit for MyMathLab/MyStatLab. Elayn Martin-Gay firmly believes that every student can succeed, and her developmental math textbooks and video resources are motivated by this belief.

Introductory Algebra, Fourth Edition was written to provide students with a solid foundation in algebra and to help students make the transition to intermediate algebra. The new edition offers new resources like the Student Organizer and now includes Student Resources in the back of the book to help students on their quest for success. MyMathLab provides a wide range of homework, tutorial, and assessment tools that make it easy to manage your course online. 0321760123 / 9780321760128 Introductory Algebra plus MyMathLab/MyStatLab -- Access Card Package Package consists of: 0321431308 / 9780321431301 MyMathLab/MyStatLab -- Glue-in Access Card 0321654064 / 9780321654069 MyMathLab Inside Star Sticker 0321726383 / 9780321726384 Introductory Algebra [Beginning & Intermediate Algebra](#) Rex Bookstore, Inc. Master the fundamentals of algebra with Kaufmann and Schwitters' ELEMENTARY AND INTERMEDIATE ALGEBRA: A COMBINED APPROACH, Sixth Edition. Learn from clear and concise explanations, many examples, and numerous problem sets in an easy-to-read format. The book's Learn, Use and Apply formula helps you learn a skill, use the skill to solve equations,

and then apply it to solve application problems. This simple, straightforward approach helps you understand and apply the key problem-solving skills necessary for success in algebra and beyond. Access to Enhanced WebAssign and the Cengage YouBook is sold separately. To learn more and find value bundles, visit: www.cengagebrain.com and search for ISBN: 0840053142.
