A Passover Haggadah, enhanced with more than fifty original drawings, Elie Wiesel and his friend Mark Podwal invite you to join them for the

Passover Seder—the most festive event of the Jewish calendar. Read each year at the Seder table, the Haggadah recounts the miraculous tale of the liberation of the Children of Israel from slavery in Egypt, with a celebration of prayer, ritual, and song. Wiesel and Podwal guide you through the Haggadah and share their understanding and faith in a special illustrated edition that

will be treasured for years to come. Accompanying the traditional Haggadah text (which appears here in an accessible new translation) are Elie Wiesel's poetic interpretations, reminiscences, and instructive retellings of ancient legends. The Nobel laureate interweaves past and present as the symbolism of the Seder is explored. Wiesel's commentaries may be read aloud in their entirety or selected passages may be read each year to illuminate the timeless message of this beloved book of redemption. *For This We Left Egypt?* Princeton University Press

In a generation that has seen an explosion in popularity of books about mystical and meditative traditions, very little has been published about the rich and fascinating mystical traditions of the Jewish holy days. Passover, the first religious holiday of the Jewish people, particularly rewards a re-viewing from a mystical perspective. A Mystical Haggadah takes readers through the Passover ritual with Kabbalistic meditations and affirmations in a friendly, accessible format. This Haggadah also includes many Hassidic teachings and

stories that have never been presented to the English reading audience. The book is especially valuable for its transliterations of all the major prayers and rituals, and is refreshing in its creative and spiritually-based adaptation and translation of the primary Haggadah text. A Mystical Haggadah is for all spiritual seekers who wish to

explore this root tradition of Judaism as a ritual of cosmic importance. The book is also for Jewish seekers of all denominations who wish to explore the mystical, meditative, and empowering aspects of Jewish traditions as seen through the rich and meaningful Passover eve Seder ritual. **Our Haggadah** Flatiron Books The Unorthodox Haggadah is a way to enjoy the strange

and wonderful world of religion, while skipping the boring parts. Ritual is at the core of every culture, but people are no longer into dogma. This book offers the ritual with a hilarious, irreverent twist. It is genuinely funny, fun to flip through, and a riot to use at the seder. Make sure everyone around your table has a copy for the next Passover. Sample text: Let's begin by drinking the blood of a virgin lamb off

the tip of a flaming golden scimitar. In the event that you've de-virginized your lamb or misplaced your scimitar, use wine. Now, we toast the Israelites for rolling out of Egypt in time and generally being clever. Here are a few things they've invented since 1901: Jeans, lipstick, Hollywood, the fax machine, psychoanalysis, and the weekend. Thanks for getting us out of Egypt

before shit got too real. Drink the second cup of wine while leaning to the left. "...light up your seder." - Huffington Post "A cool, creative affront to Jewish grandmothers." -MediaBistro "Redefine Bitter Herbs...slightly insane." - Tablet Magazine "It's the Passover you never knew you always wanted...While there are many (many!) different Haggadah versions out there, this one

is hands down our favorite (sorry Maxwell house). Genuinely funny, which puts it head and shoulders above 99.9% of the treacly crap people foist on unsuspecting seder guests to try to fool them into thinking they're actually enjoying themselves." - Heeb Magazine U of Nebraska Press New York Times bestsellers Cokie Roberts and Steven V. Roberts offer a unique,

personalized vision of the traditional Passover Haggadah, combining their own family traditions with favorites from other families in a fun, intimate guide written especially for couples of mixed faiths. A fresh and informative tour through the rituals of the Pesach Seder as well as a compelling rendition of the Exodus story, Our Haggadah is the perfect book for any interfaith

family celebrating Passover. Readers of the couple's compelling account of their marriage, *From This Day Forward* ("Instructive and inspiring" —New York Times Book Review) as well as Cokie Roberts' *We Are Our Mothers' Daughters* and Steven V. Roberts' *My Father's Houses*, will be enthralled by this glimpse into the couple's inclusive Passover rituals.

Bringing Order to the Seder  
Princeton University Press  
"Women at the Seder is a traditional "Passover Haggadah whose commentary celebrates of one of the great transformations of the Torah community during this past century: the emergence of women from the privacy of their home "tents" to the public arena of the synagogue and Torah study halls, without

abandoning in any way their central traditional role as the cornerstone of the home and family. The Rabbis had long ago acknowledged that it was in the merit of our righteous women that Israel was redeemed from slavery. The Passover "seder--the home celebration of our national liberation--is an appropriate place to acknowledge and honor women's expanded role in our public as well as

private religious life. The commentary includes rabbinic comments on women associated with the Exodus, a discussion of those relevant aspects of Jewish law that apply to women, and homilies-- "divrei Torah by women for the "seder, many written especially for this volume. In a generation, it should seem quaint that it was noteworthy that women's "divrei Torah constituted a

significant part of a Haggadah commentary. That will be cause for yet additional rejoicing, as women's contributions on all levels of Torah scholarship will have become even more commonplace.

a new standard in Passover Haggadot. Using the beloved format of Mishkan T'filah and Mishkan HaNefesh, this Haggadah offers beautiful new translations by Rabbis Janet and Sheldon Marder in conversation with an extraordinary collection of poetry from a diverse array of poets. The running commentary by Rabbis Oren Hayon, Seth Limmer, and Amy Scheinerman

draws out the historic background of the seder rituals, builds on the social justice issues of our day, and offers contemporary connections to Passover. The text is complemented by full-color works from acclaimed artist Tobi Kahn that will enhance any seder experience. Mishkan HaSeder features poetry by Yehuda Amichai, Ellen Bass, Lucille Clifton, Edward Hirsch, Ross

Gay, Emma Lazarus, Denise Levertov, Ada Limon, Grace Paley, Dan Pagis, Adrienne Rich, and many more. Equally suited to home and community celebrations, this is a Haggadah for today and tomorrow. Mishkan HaSeder has the depth to stimulate experienced seder leaders while its accessible explanations will make those joining our tables for the first time feel welcome.

"In this brilliant new Reform Haggadah, the old is made new in a spiritual depth that is dazzling. The felicitous translation of traditional and modern sources, the insightful commentary and questions, the moving poetry, the aesthetically evocative depth of the art, and the beautiful and accessible layout of the text all combine to make this Haggadah a genuine treasure that will enrich Passover and the experience of the seder for this generation of religious seekers. We are all indebted to the CCAR for making this publication possible." - Rabbi David Ellenson, Chancellor Emeritus, Hebrew Union College-Jewish Institute of Religion

"Finally, a Haggadah that is gorgeous, creative, serious, egalitarian, poetic, and inspiring! With so many layers of meaning and beauty, this new liturgy for the seder will nourish the skeptics, the seekers, and the scholars in your midst. This is the Haggadah my family and yours have been waiting for." -Rabbi Rick Jacobs, President, Union for Reform Judaism

"Mishkan HaSeder is a gorgeous new Haggadah, with powerful feminist commentary that illuminates the moral and

ethical underpinnings of the Passover seder and opens new doors of understanding , as well as inspiring poetry that deepens the experience. This is the new gold standard for every seder table." -Sheila Katz, CEO, National Council of Jewish Women "From poetry that lifts the heart to colorful artwork that deepens our vision, from the Talmud's wisdom to the insights of

contemporary Jewish teachers, from ancient practice to the urgent call for justice in our own day, Mishkan HaSeder will enrich the Passover seder for experienced participants and newcomers alike. Like the seder itself, this new Haggadah is a gathering, a blessing, a feast." -Rabbi David Stern, Senior Rabbi, Temple Emanu-El Dallas and Past President, Central

Conference of American Rabbis "This is the Haggadah you have to own. An amazing weaving together of the service we all know, in Hebrew and English, with astounding works of art-- poems from many different sources, exceptional page design, and beautiful, meditative color images by the brilliant Tobi Kahn-- and with thoughtful commentary that explicates the tradition and orients us to the work

yet to be done. There are many Haggadot with various themes, but this is one for the ages, allowing each user to pull out favorite poems, highlight specific directives, open up thoughtful seder table discussions, and become truly immersed in the holiday." - Ruth Messinger, Global Ambassador and Past President, American Jewish World Service

The life and times of a treasured book read by generations of

Jewish families at the seder table Every year at Passover, Jews around the world gather for the seder, a festive meal where family and friends come together to sing, pray, and enjoy traditional food while retelling the biblical story of the Exodus. The Passover Haggadah provides the script for the meal and is a religious text unlike any other. It is the only sacred book available in so many varieties—from the Maxwell

House edition of the 1930s to the countercultural Freedom Seder—and it is the rare liturgical work that allows people with limited knowledge to conduct a complex religious service. The Haggadah is also the only religious book given away for free at grocery stores as a promotion. Vanessa Ochs tells the story of this beloved book, from its emergence in antiquity as an oral practice to its

vibrant proliferation today. Ochs provides a lively and incisive account of how the foundational Jewish narrative of liberation is remembered in the Haggadah. She discusses the book's origins in biblical and rabbinical literature, its flourishing in illuminated manuscripts in the medieval period, and its mass production with the advent of the printing press. She looks at

<p>Haggadot created on the kibbutz, those reflecting the Holocaust, feminist and LGBTQ-themed Haggadot, and even one featuring a popular television show, <i>The Marvelous Mrs. Maisel</i>. Ochs shows how this enduring work of liturgy that once served to transmit Jewish identity in Jewish settings continues to be reinterpreted and reimagined to share the message of</p>	<p>freedom for all. attention than the Haggadah. There are thousands of commentaries, and more are published each year. Anyone who contemplates adding to this number must ask not Why is this night different? But Why is this edition different? My answer is that I wrote this commentary because, amongst all the many I have read, I could not find one that explained in their full richness and

scope the fundamental themes of the Pesach story: the Jewish concept of a free society, the role of memory in shaping Jewish identity, and the unique connection that exists in Judaism between spirituality and society, giving rise to what I have called elsewhere the politics of hope. Nor could I find a Haggada that told me in detail about the role of Pesach in

shaping Jewish identity through the millennia, or its influence on Western thought as a whole.
