The Student Solutions Guide contains
detailed, step-by-step solutions to all odd-
numbered exercises in the text.
Calculus Brooks/Cole Publishing Company

Designed specifically for biology and life/social sciences majors, this applied calculus program motivates students while fostering understanding and mastery. The authors emphasize integrated and engaging applications that show students the real-world relevance of topics and concepts. Several pedagogical features--from algebra review to study tips--provide extra guidance and practice. Applied Calculus for the Life and Social Sciences features current, relevant examples drawn from government sources, industry, recent events, and other disciplines that appeal to diverse interests. In addition, the program offers a strong support package--including CL MATHSpace Instructor/Student websites and course management tools, instructional DVDs, and solutions manuals--that allows students to review the material independently and retain key concepts. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Calculus Brooks Cole

Designed specifically for business, economics, or life/social sciences majors,

CALCULUS: AN APPLIED APPROACH, Tenth Edition, motivates your study while fostering understanding and mastery. The book emphasizes integrated and engaging applications that show you the real-world relevance of topics and concepts. Applied problems drawn from government sources, industry, current events, and other disciplines provide well-rounded examples and appeal to diverse interests. The Tenth Edition builds upon its applications emphasis through updated exercises and relevant examples. Throughout the text, features such as algebra review and study tips, - provide you with extra guidance and practice. Stepped-out solution videos with instruction are available at CalcView.com for selected exercises throughout the text. Additionally, the companion website, LarsonAppliedCalculus.com, offers free access to multiple tools and resources. CalcChat.com offers free step-by-step solutions to the odd-numbered exercises in the text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Studyguide for Brief Calculus Brooks

Cole

COLLEGE ALGEBRA AND CALCULUS: AN APPLIED APPROACH, 2E, International Edition provides your students a comprehensive resource for their college algebra and applied calculus courses. The mathematical concepts and applications are consistently presented in the same tone and pedagogy to promote confidence and a smooth transition from one course to the next. The consolidation of content for two courses in a single text saves you time in your course—and saves your students the cost of an extra textbook.

College Algebra and Calculus Cengage Learning

COLLEGE ALGEBRA AND CALCULUS: AN APPLIED APPROACH, International Edition, the newest addition to the Larson Applied math family, allows your students to feel confident moving from college algebra to applied calculus. The mathematical concepts and applications are consistently presented in the same tone and pedagogy. The combination of these two subjects into one text will not only save you time in your course, but it will also save your students the cost of an extra textbook.

College Algebra and Calculus: An Applied Approach Cengage Learning

Hosted by Dana Mosely and captioned for the hearing-impaired, these DVDs cover all sections in the text. Ideal for promoting individual study and review, these comprehensive DVDs also support students in online courses or those who may have missed a lecture.

Brief Calculus Cengage Learning
