Levels of the Heart - Lataif Al Qalb ABC-CLIO
 Calling the Qur'an amazing is not something done only by Muslims, who have an appreciation for the book and who are pleased with it; it has been labelled amazing by non-Muslims as well. In fact, even people who hate Islam very much have still called it amazing. This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Ahlulbayt Organization (www.shia.es) is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your

involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi'a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought! In addition, For a complete list of our published books please refer to our website (www.shia.es) or send us an email to info@shia.es

Bahishti Zewar The Other Press

Review: "This two-volume set on Islam is a timely resource aimed at the general reader. More than 500 articles, 200-5,000 words in length, describe the Islamic world from its known beginnings to the present day. A 'Synoptic Outline of Entries' at the beginning of volume one presents a thematic overview of the encyclopedia that facilitates browsing. A glossary of terms and a pronunciation key appear at the end of volume two, followed by genealogies, timelines, and a detailed index."-- "Reference that rocks," American Libraries, May 2005

The prophetic clock is ticking. We are living in tumultuous times. From corrupt world politics to global pandemics to an unprecedented rebellion against God and His Word, humanity has reached a critical stage. What happens next? In this eye-opening book, Jimmy Evans examines biblical prophecies about the end times and points to their unmistakable parallels with today's world. With clear, insightful analysis of Scripture, he answers many common questions, such as: • Are we living in the end times? • How should Believers respond to increasing immorality? • Will Christians go through the Tribulation? • What role does Israel play in God's prophetic plan? • Are COVID-19 and other world events announcing the imminent return of Jesus? Ultimately, Tipping Point will help you understand current events with confidence. There is no going back, but hope and peace are possible as God's plan unfolds and we approach the end of the age. Jimmy Evans is senior pastor

Freedom of speech and expression is considered in the West a high public good and an important social value, underpinned by legislative and ethical norms. Its importance is not shared to the same extent by conservative and devout Muslims, who read Islamic doctrines in ways seemingly incompatible with Western notions of freedom of speech. Featuring experts across a spectrum of fields within Islamic studies, Freedom of Speech and Islam considers Islamic concepts of blasphemy, apostasy and heresy and their applicability in the modern world.

Bernard Lewis is recognized around the globe as one of the leading authorities on Islam. Hailed as "the world's foremost Islamic scholar" (Wall Street Journal), as "a towering figure among experts on the culture and religion of the Muslim world" (Baltimore Sun), and as "the doyen of Middle Eastern studies" (New York Times), Lewis is nothing less than a national treasure, a trusted voice that politicians, journalists, historians, and the general public have all turned to for insight into the Middle East. Now, this revered authority has brought together writings and lectures that he has written over four decades, featuring his reflections on Middle Eastern history and foreign affairs, the Iranian Revolution, the state of Israel, the writing of history, and much more. The essays cover such urgent and compelling topics as "What Saddam Wrought," "Deconstructing Osama and His Evil Appeal," "The Middle East, Westernized Despite Itself," "The Enemies of God," and "Can Islam Be Secularized?" The collection ranges from two English originals of articles published before only in foreign languages, to previously unpublished writings, to his highly regarded essays from publications such as Foreign Affairs and The New York Review of Books. With more than fifty pieces in all, plus a new introduction to the book by Lewis, this is a valuable collection for everyone

interested in the Middle East. Here then is a rich repository of wisdom on one of the key areas of the modern world—a wealth of profound reflections on Middle Eastern history, culture, politics, and current events.

This book invites Muslims and non-Muslims to acquaint themselves with the prophet's practice and teachings, his Sunnah, first hand. Relying exclusively upon the sayings and actions of the prophet, which have been selected and translated from authenticated and well-known collections of hadith literature, this book presents a close-up and composite picture of the life of the Prophet Muhammad, described in the Qur'an as the best model for humanity. Ahmad Von Denffer was born in Germany in 1949. He studied Islamic and Social Anthropology at the University of Mainz. He works at the Islamic Centre, Munich, and has translated the Qur'an into German.

Who is Allah? What does He ask of those who submit to His teachings? Pulitzer Prize-winner Jacke Miles gives us a deeply probing, revelatory portrait of the world's second largest, fastest-growing and perhaps most tragically misunderstood religion. In doing so, Miles illuminates what is unique about Allah, His teachings, and His resolutely merciful temperament, and he thereby reveals that which is false, distorted, or simply absent from the popular conception of the heart of Islam. So, too, does Miles uncover the spiritual and scriptural continuity of the Islamic tradition with those of Judaism and Christianity, and the deep affinities among the three by setting passages from the Hebrew Bible, the New Testament, and the Qur'an side by side. In the spirit of his two previous books, God and Christ, and with his characteristic sensitivity, perspicacity and prodigious command of the subject, Miles calls for us all to read another's scriptures with the same understanding and accommodating eye that we turn upon our own.
