 Nine filthy tales of Victorian lust, depravity and desire. Beneath the veneer of civility and etiquette, the raging passions of the Victorian age flow deep. Each story in this mega-bundle tells of a young woman dominated and despoiled, but ultimately embracing the dark side of her soul, and embracing her sinful discipline. This mega-bundle contains: Spanking The Maid: The Complete Trilogy The Lady Submits Punishing the Serving Girl The Disgrace Of Lady Daring Her Sinful Punishment In The Dungeon Of Dorian Gray Little Lily Loses Her Innocence ~~~~~ PG Excerpt ~~~~~ She was so absorbed in her worrying that Mr. Miller's arrival took her by surprise. Mary gave a start as the door opened and she turned around to see the constable closing the door behind him. She turned back around quickly and fixed her eyes on her lap, ashamed and afraid. Mr. Miller didn't say anything as he walked over to his desk. The silence stretched for several moments and Mary had to suppress a shiver. She hated the uncertainty that came with the silence; she'd rather Mr. Miller yelled at her. Finally, Mr. Miller spoke. "Miss Bennett," he began, voice cold and crisp, "Mary. I do not know where to even

begin." Mary took a shuddering breath. "I did not want to believe it when Mrs. Jones told me, you know. I thought she had got it wrong. After all, Mary Bennett is a sweet girl, a polite young lady from a good family; she was not raised to be a thief." Mr. Miller spoke at a slow, even pace. Mary dug her fingernails into her palms and bit her lip. She was dangerously close to crying. "I know that the death of your parents has been hard for you. I understand that these must be hard times for you, but I cannot even begin to put into words how disappointed I am in you. I expected so much more from you, Mary." Mary trembled on her seat. She tucked her chin against her chest, trying to make herself as small as possible. Whatever she had imagined Mr. Miller's disappointment would look and sound like earlier, the reality was a hundred times worse. "You should know by now that it is impossible to commit a crime without being caught in a small town such as this. You have disappointed me with your actions and your thoughtlessness." Mary bit back a sob; she had never felt this bad, she would give anything to make it stop, to get away from Mr. Miller's harsh words. "Now, your punishment. I should send you to court where you will be charged according to the law and your punishment will be decided by the judge. However, I am willing to give you another option." Mary straightened a bit in surprise. She hadn't even thought about going to court and the prospect seemed daunting. The judge

might send her to jail and Mary knew that she wouldn't last a day. She was certain that whatever Mr. Miller had in mind was infinitely better than going to court. ??You need to be disciplined for your actions. You need a firm hand.?? Mr. Miller paused and for the first time, Mary dared to look up. She still did not look Mr. Miller in the eye, but she let her gaze fall on his chest in anticipation.

Ginny had one moment of madness, but that was all it took. She tried to steal the Earl's money, and now he owns her, body and soul. Every night, he uses her for his pleasure, and he isn't gentle. To complicate matters, the Earl's valet has feelings for Ginny, and she for him. Will she get her man? Or will she end up being shared by the valet and his master? ~~~~~ Excerpt ~~~~~ "Don't act coy with me, Ginny. You know you're no gentle bred lady. What's with adding something new for you to try? Go on now." Ginny enclosed her hand around his swollen member and marveled at how big it was. Slowly she took the tip into her mouth and ran her tongue across it. She figured she would do it just as he had kissed her. She licked and sucked at the tip. "Oh yes," William groaned. "Now open just a little wider." She obeyed him and gagged when he rammed his rod down her throat. She pulled back from him and tried to control her retches. "Tsk. Tsk. Tsk. Come on now, we're just getting started." She tried to be prepared this time as he pushed his cock back into her mouth. He took his time at first, slowly pushing in and out of her mouth in just the same way she knew he was going to be taking her body soon. Then he was holding her by her hair and she had to open her mouth as wide as she could as he started thrusting his hips harder and faster. She learned that if she didn't swallow then she wouldn't gag and allowed the saliva to drip from her mouth and down onto her chest to run down her breasts. He was making guttural sounds deep in his chest like a rutting beast and she was so aroused by him taking pleasure from her body. "Enough," he said and pulled his cock from her mouth. He pulled her to her feet which she was grateful for, given the prickly feeling in her feet from kneeling for so long. He bore her down onto the bed and lay on top of her. ~~~~~ PG Excerpt ~~~~~ "Aha, so it wasn't my imagination that I saw you eyeing my pocket book earlier on." At the Earl's voice, Ginny gasped and turned swiftly. The man was standing blocking the door, his arms across his chest. Terror gripped her and she couldn't move. Bloody hell, there was no way she would be able to get out of this without being sent to Newgate or worse, hanged! Not when he had caught her with the evidence in her hand. "My lord," she croaked. "My lord, indeed," he said walking toward her. It was too dark to see the expression on his face but she could hear the biting fury in his voice. She backed up until the back of her knees hit into the bed. "Oh please have mercy my lord," she begged, horrified at the thought of spending the rest of her life in the lice and vermin infested prison of Newgate. She threw herself down at his feet and clutched his boots. Maybe if she begged and explained her circumstances he would have mercy on her. "Get up!" he ordered her, and with his hands under her arms, he pulled her roughly to her feet. "My lord, I desperately needed the money," she babbled. "I just wanted to get away from here. Please, my lord. I will do anything. Don't send me to Newgate." "Hmm," he seemed to mull over in his mind. "There is something that may be able to work in your favor." "Yes, my lord. Anything." *How I Became Lord Samson's Whore Maid* Boruma Publishing Spanked in public. Exposed to various men. Used as a toy. When she thought about what she would write home to her family, she never imagined those words would be running through her mind. So, she lied - and besides, she knew she would not change her

position now, not even for more shillings. She was addicted, although she didn't want to admit it to herself, let alone Lord Samson. Growing up in a low rent neighborhood she always dreamed of working for a sophisticated gentleman one day, in a grand manor on a grand estate, and life has a funny way of giving you exactly what you wanted in a way you could never imagine.

This mega-bundle contains: Disciplined For Her Sins: The Complete Trilogy Hunted In the Woods And Taken Amelia's Punishment Taken At The Masquerade The Submission of Little Lady Sophia Ravishing The Flower-Girl Her Lesson In Discipline ~~~~~ PG Excerpt ~~~~~ The memories of that terrible day are forever branded onto my mind. My father had summoned me to his study. I had expected him to give me a gift or some other pleasant surprise for my birthday. But as soon as I laid eyes on him, I knew something was amiss. He was ashen faced and evasive, unable to look me in the eyes. Then he told me the horrible truth. "Sophia, you are to be married," he told me, his usually confident voice reduced to a guilty whisper. "It is all arranged." Naturally, I was taken aback. "Married? But to whom Papa? I do not have a fiancé, nor have any gentlemen pressed their suit. Surely you are joking?" I could see plainly that he was not, but still nurtured a hope that he was simply playing some kind of cruel trick on me. He shook his head. "I would not joke about such a thing. Like I said, it is all arranged. The contract has been drawn up, the banns displayed. The wedding will take place one week from today." I gaped at him aghast, entirely lost for

words. After a few moments I composed myself and managed to croak. 'But to whom?' He looked me in the eyes, and I could tell from the pain and grief in his expression that his answer would not please me. 'Lord Morgan. Lord Sebastian Morgan.' I felt dizzy; my head began to spin and I almost fainted. Surely this couldn't be true? Perhaps I was dreaming, and all of this was a nightmare? Any moment now I would awake and return to a more pleasant reality. But this was not a dream. I was very much awake, and this was very real. 'But Papa, how?' I cried in anguish. 'I hardly know the man. We've never even been introduced. How can I marry a man who hasn't even proposed to me? How can I marry a man who I'm not in love with? A man with such a cruel and wicked reputation?' My father smiled bitterly, tears in his eyes. 'Love? I'm sorry to disappoint you Sophia, but not everyone can marry for love. Some marriages are born of practicality. Some of ambition. Love often does not enter into it at all.'

To fulfill her mission she must submit to their twisted passions, and learn to embrace both pleasure and pain. ~~~~~ PG Excerpt ~~~~~ Inside the door was a ramshackle set of stairs, the wood stained dark with use. I climbed to the top, where there was another door. I pushed it open and stepped inside. The room that I found myself in was low-ceiling and poorly lit, a couple of lanterns spluttering feebly on the walls. The roof was supported by two timber beams, one of which was sagging alarmingly. But it was the inhabitants of the room who alarmed me more. Leaning against the wall was a small, rat-like man. His squinting eyes were sly and feral, and he had a neatly groomed moustache. Sitting at the table was a refined looking man, better dressed than the other two. Although his features were bland, I did not like the look of him. There was an aura of danger about him that made goose-bumps appear on my skin. Both men were looking at me curiously, and I opened my mouth to greet them. But at that moment, strong arms clamped around me from behind, and my intended salutation turned into a hoarse yell. "Let go of me!" The brute ignored me, half carrying me over to a chair. He made me sit on it, then snarled at me. "Don't move, or I'll break your bloody neck." I believed him. I stayed stock still.

Daisy patted the cow in front of her to keep it calm. Outside, large raindrops fell down upon the dirt of the corral, prompting the two young men to run for shelter into the barn. They stopped as they entered, looking around at the livestock until their eye settled on Daisy. Don't act foolish, girl. Daisy could not believe that she was here now, alone in the barn with Simon and his servant. The two of them walked over to her and she wondered what would be the right and proper thing to say. She hated that she had never been around them. She should be calm and casual, used to his presence. ?I hope we're not bothering your work,? Simon said. Daisy looked down at the bucket of milk, nearly full. It was full enough anyway and this was the last cow she had to tend to today. ?Not at all, Master Simon.? Daisy stood and gave a curtsey. She picked up the bucket and carried it over to one of the large milk jugs, pouring it carefully inside. Wilfred said something that Daisy could not quite discern and she wondered if she should be embarrassed, flattered, or simply uninterested. She did not like feeling awkward. ?You don't have to be so formal,? Simon said. Daisy could hear a hint of playfulness in his voice. ?Master will do fine.?

~~~~~ PG Excerpt ~~~~~ A horse-drawn carriage waited for me, and I was to sit alone inside of it - I was under strict orders to refrain from conversing with the coachman. My mother and father looked at me, the harsh expressions of last night melting away as they realized that this was happening - at eighteen years old, their precious daughter was being sent away. One last time, I decided to ask the question that they'd seemed uncomfortable with answering. "Where am I going?" My father heaved a sigh as the coachman came to retrieve my suitcase and put it in the boot of the carriage. Seeing as there was no turning back now, he decided to explain my fate to me, for which I was immensely thankful. "We're sending you to Saint Severine's School for Turbulent Young Ladies. You'll attend for three years, after which the faculty will send you back home to us. If you work hard enough, you might be able to come back even earlier." He explained, his eyebrows furrowing in a guilty fashion that made me somewhat nervous. "What am I going to learn there?" My father looked down at his feet briefly, before shifting his gaze over to my mother. She bit her lip worriedly as she looked at me - I knew that this school was not going to be a pleasant experience for me, and the fact that my parents deemed it acceptable to send me there was infuriating. I frowned, muttering my goodbyes. My parents saw me off with as much empathy and emotion as they could muster, and I climbed into the carriage with the utmost reluctance. The coachman took his seat at the front of the carriage, and suddenly, we were off. I closed my eyes, willing myself to sleep - I knew that this ride was going to be a long one.

She groaned, remembering how she had struck the gentleman. She should have thought twice before doing something so foolish, but she had been too outraged at the sight of a defenseless horse being whipped. No one would care that she had been trying to rescue the horse. She had struck a gentleman, and was lucky they hadn't already strangled her up to be hanged. ?Guard,? she croaked, crawling over to the prison bars. ?What do you want?? the man who had thrown the water in her face bellowed. All around her she could hear the scuffling of other prisoners, crying or groaning. The stench of the place was sickening and she had to work hard not to throw up from the sour smell. ?I need to leave this place,? she told him. ?Please. I need to get out of here. This was a mistake.? The guard laughed at her. ?The only time you'll leave this place is when the ship comes to take you along with the rest of this lot to Australia.? ?Wait! Wait!? she cried out desperately. ?Pipe down or I'll give you something to holler about!?
