 I was very impressed with the quality of the materials. They were so well written and much easier to understand than my previous provider's official texts. So much so that I passed my E2 exam gaining my highest grade so far using Astranti's study text. - Gayle June 2019 Simple, easy to understand and very effective, notes are logical and very easy to follow. - Monique June 2019 I like how it's condensed and easy to read. - Paul December 2020 After having cancelled my P1 and E1 exams because I was failing to understand the concepts under another tuition provider I decided to use Astranti books. These are well explained with detailed examples. I managed to pass my subjects on first time attempts. - Isheunesu December 2021 What I really liked were Astranti's Study texts. They were written in this engaging, interactive way which I personally found very interesting (I usually zone out and get really bored) when I have to read extremely theoretical content. - Clare December 2020 The Astranti study texts have been used by thousands of CIMA students in preparation for their management accountancy exams. They cover the entire CIMA syllabus for the 2019 exams and onwards and have been carefully written to be concise and easy to read but detailed enough to clearly guide you through the topics you must know in order to pass the exams. Prepared by our expert team of professional writers the study texts feature: Full syllabus coverage Clear and simple explanations for ease of understanding Carefully worked step-by-step examples Condensed and focused on likely exam content Linked with our chapter-by-chapter revision questions available to purchase on Astranti.com Go to www.astranti.com to find out more about related CIMA videos,
