A falta de amor, principalmente dos pais, pode transformar a doçura de uma criança em aspereza e severidade. O Jardim Secreto revela isso por meio da história de Mary Lennox, uma menina solitária que perde os pais em um surto de cólera na Índia e, como seqüência, é encaminhada para a cidade Yorkshire, localizada no norte da Inglaterra, para morar com seu tio que também vive a tristeza por ter perdido a sua esposa. Mary encontra esperança de uma vida feliz e inspiradora com a natureza ao seu redor, quando descobre a existência de um jardim secreto. A partir daí, a menina encontra a chave perdida para abrir as portas para um mundo mágico repleto de amizades verdadeiras.

Uma história encantadora de transformação e empatia. Um clássico da literatura inglesa infantojuvenil adorado há mais de um século por leitores de todas as idades. Ao perder os pais numa epidemia de cólera na Índia, onde nasceu e foi criada, a pequena e mimada Mary Lennox é enviada para viver na lúgubre mansão de seu tio, no coração da Inglaterra rural. Deprimido pela morte da esposa, o tio está sempre viajando, enquanto seu filho Colin, primo de Mary, passa a vida na cama como inválido. Solitária, Mary tenta se divertir vasculhando a propriedade, até que descobre um segredo incrível: o deslumbrante jardim de sua falecida tia, trancado e abandonado. A descoberta do jardim faz com que Mary conheça Dickon, menino que

conversa com os animais e as plantas, e se aproxime do primo, que volta a sair da casa numa cadeira de rodas improvisada. Assim, a amizade das três crianças e o encantamento causado pelo jardim começam a transformar a vida de todos na casa. Publicado em 1911, O jardim secreto já inspirou diversas adaptações para teatro, TV e cinema.

The personal and professional life of British writer Frances Hodgson Burnett is chronicled in a biography that ranges from her early days in Manchester, England, to her life in post-Civil War Tennessee, eventually writing fifty-two books and writing and producing thirteen plays.

*Castles in Their Bones* Strelbytskyy Multimedia Publishing

No início do século XX, Mary Lennox vive na Índia com os pais, que não lhe dão afeto nem atenção. Uma epidemia de cólera mata o casal, e, seis meses depois, Mary, uma menina de 10 anos apática e sem graça, mimada, voluntariosa, que não sabe amar e não tem amigos, desembarca na

Inglaterra para viver com o tio em Yorkshire, na mansão Misselthwaite, uma construção sombria e labiríntica com mais de cem quartos. Deslocada e assustada, a menina, sem ter o que fazer, começa a explorar a mansão e seus arredores, cheios de jardins e hortas. Com a curiosidade despertada, descobre que um dos jardins estava trancado havia dez anos e a chave, enterrada não se sabia onde: o tio proibira a entrada de qualquer pessoa. Mary acaba ficando amiga do velho jardineiro e de um passarinho especial, um pintaroxo, que a leva até a chave. E ela pode, finalmente, entrar no jardim. A narrativa é fluente, e o leitor fica preso à história, ansioso por saber o que vai acontecer. Traz também uma visão extremamente positiva e rica do contato com a terra, da vida simples e dos valores essenciais das pessoas do campo. Impossível não se apaixonar pelas personagens e pela história, publicada em 1911, que faz rir, chorar, sonhar.

Are you ready for Ivy Pocket? The wickedly funny, completely unreliable maid of no importance returns—this time as a coffin maker’s daughter—in this action-packed sequel to *Anyone but Ivy Pocket*. School Library Journal says, “Fans of . . . Lemony Snicket’s *A Series of Unfortunate Events* will love Ivy Pocket’s zany adventures.” Featuring extensive black-and-white interior art by Barbara Cantini throughout. Everyone seems to want a piece of Ivy Pocket. Her adoptive parents keep trying to get her to clean the funeral home, even though Ivy’s certain she’s already the picture of a perfect daughter. A beautiful heiress named Estelle wants Ivy to uncover the dark truth behind her brother’s death. Her new friend, Miss Carnage, keeps asking Ivy the most curious questions (the poor, clueless dear). To top it all off, Ivy must protect the Clock Diamond from the evil Miss Always, who seems to be lurking around every corner! A fast-paced and hilarious follow-up to *Anyone but Ivy Pocket*, which Booklist praised as “a droll chapter book with a Victorian setting and a one-of-a-kind protagonist.” This is the second of three books about Ivy Pocket!

"The Making of a Marchioness" is a novel by Frances Hodgson Burnett. It was followed by a sequel, *The Methods of Lady Walderhurst*, but both have been subsequently published together, either under the original name "The Making of a Marchioness" or as "Emily Fox-Seton". Emily Fox-Seton is a young woman of good birth but no money who works as a companion and assistant for various members of the upper class. Her chief employer is Lady Maria Bayne, who is both very selfish and very funny, although she does come to care for Emily. In a "Cinderella-like" ending, Emily eventually marries a much older man, James, the Marquess of Walderhurst, thus herself becoming a marchioness. In the sequel, originally "The Methods of Lady Walderhurst", Emily has Walderhurst's child, and his former heir, Alec Osborn, attempts to regain what he sees as his birthright.

Based on the upcoming major motion picture and inspired by the original classic novel by Frances Hodgson Burnett, this cinematic novel retells the entire film and features a special full-color section. The *Secret Garden Cinematic Novelization* retells the iconic, classic tale that will be visualized for a whole new audience with a full-length feature film. This cinematic novelization will also feature exclusive content, with concept design elements throughout. When ten-year-old orphan Mary Lennox is sent to live with her reclusive uncle Archibald (Colin Firth) and his strict housekeeper Mrs. Medlock (Julie Walters) in a mysterious Yorkshire manor, she feels lonelier than ever before. But her curiosity and determination lead her to disobey the adults and explore the forbidding house. While roaming the grounds of the manor she discovers an enchanted and boundless garden that has been hidden for years and reflects her limitless imagination. With local boy Dickon, her sick cousin Colin, and a playful stray dog, she embraces this world of wonder which unlocks secrets from the past, revealing a whole new life of hope and friendship.

Fun and filled with musical references: A. C. Meyer’s new story is the perfect companionship for those experiencing early adulthood challenges. This novel is perfect for those facing all the challenges of early adulthood. Choosing a career, moving out from their parents’ house, starting college, discovering personal skills, learning to relate. Phew! Adulthood is not easy at all, especially if you’re not the right kind of girl: that girl who attends college classes chosen by her father; that girl with perfect hair and healthy habits. Malu is none of those things. On the other hand, she lives life at its fullest and nothing seems to cause her courage and determination to falter. Amid a troublesome relationship with her parents, she unwillingly goes to Law school, where she meets Rafael, a senior student. They become inseparable, even though they’re just friends. However, another feeling speaks louder. When attraction gets out of control, they allow themselves to live a relationship with no constraints: free, intense and passionate. Until the day fate sets a cruel trap ahead of them. Can love itself be stronger than the fear of loving? PUBLISHER: TEKTIME

This book tells the classic story of Mary, who after losing her parents comes to live with her uncle in an English great house. When she gets there, she makes two friends: Dickon, a boy who talks with nature, and Colin, a poor boy who despite being a lord lives in isolation because of an illness. This friendship will lead to the discovery of a great secret: a forbidden garden, surrounded by walls and locked with a missing key, whose mystery goes back to a hidden accident. Decided to bring this garden back to life, Mary will join forces with her friends and walk into a path known today as a beautiful metaphor for the journey of self-awareness and awakening to the world. Written in 1911 by Frances Hodgson Burnett, a great author recognized for her success and independence, this work inspired various plays and movies and remains as vivid as the life brought out of it.

A spellbinding story of three princesses and the destiny they were born for: seduction, conquest, and the crown. Immerse yourself in the first book in a new fantasy trilogy from the author of the New York Times bestselling *Ash Princess* series. Empress Margaraux has had plans for her daughters since the day they were born. Princesses Sophronia, Daphne, and Beatriz will be queens. And now, age sixteen, they each must leave their homeland and marry their princes. Beautiful, smart, and demure, the triplets appear to be the perfect brides—because Margaraux knows there is one common truth: everyone underestimates a girl. Which is a grave mistake. Sophronia, Daphne, and Beatriz are no innocents. They have been trained since birth in the arts of deception, seduction, and violence with a singular goal—to bring down monarchies— and their marriages are merely the first stage of their mother’s grand vision: to one day reign over the entire continent of Vesteria. The princesses have spent their lives preparing, and now they are ready, each with her own secret skill, and each with a single wish, pulled from the stars. Only, the stars have their own plans—and their mother hasn’t told them all of hers. Life abroad is a test. Will their loyalties stay true? Or will they learn that they can’t trust anyone—not even each other?
