FEATURES EXCLUSIVE INTERVIEW with SUBRATA ROY EVERYTHING YOU WANTED TO KNOW ABOUT SUBRATA ROY AND SAHARA INDIA PARIWAR, BUT WERE AFRAID TO ASK... Sahara: The Untold Story is based on painstaking research to demystify India's most secretive and largely unlisted conglomerate, the Sahara India Pariwar. It also delves into the group's ongoing legal battle with the market regulator. Entrepreneur Subrata Roy, the guardian angel of the group, whose feet are touched by everybody in the Pariwar, wants to reach out to a million lives and feels impeded and shuttered in by regulations. So the clash with the regulators was inevitable. But when a regulator slams one door, maverick Roy opens another. This play has been on since 1978, when Sahara was set up. Roy is well known for glamour and his association with film stars, cricketers and politicians. He exudes patriotism, with a statue of Bharat Mata (the presiding deity of the group) on a chariot driven by four fierce-looking lions adorning his headquarters in Lucknow. He is the Robin Hood of a country where only 35% of the adult population has access to formal banking services. This India and its millions of illiterate poor depositors stand in awe and admiration of him. But does he also exploit them? Do these poor people actually keep money with him or are they fronting for others? EXCERPT FROM THE SAHARA INDIA PARIWAR DISCLAIMER 'The book at best can be treated as a perspective of the author with all its defamatory content, insinuation and other objections, which

prompted us to exercise our right to approach the court of law in order to save the interest of the organization and its crores of depositors and 12 lakh workers.' TamalBandyopadhyay, a deputy managing editor of Mint, is one of the most respected business journalists in India. Tamal has kept a close watch of the financial sector for over a decade and a half and has had a ringside view of the enormous changes in Indian finance and banking over this period. His first book, A Bank for the Buck, released by P Chidambaram in November 2012, has been a non-fiction bestseller.

From 1 May 2011 company law in South Africa was dramatically altered: the 1973 Act which had governed companies for the life-times of most business people and lawyers in South Africa was replaced by the Companies Act of 2008, as amended in March 2011. A new era of company law dawned, and with it a host of new concepts, rights, remedies, obligations, procedures and sanctions were introduced. These fundamentally affect the way that every business operates and the advice and practice of every lawyer, accountant or other professional adviser. This book, the first to cover the new Act and the new regulations, provides the hand-holding, the insight, and the understanding that business and their advisers require in order not to be wrong-footed by the new regime.
