POWERS TATE

Death Rites Simon and Schuster
 “An unabashed celebration of complexity in queerness and gender, an arresting snapshot of survival and a triumphant reclamation of language.” —Shelf Awareness (starred review) “Tongues make mistakes / and mistakes / make languages.” And Benjamin Garcia makes a stunning debut with *Thrown in the Throat*. In a sex-positive incantation that retextures what it is to write a queer life amidst troubled times, Garcia writes boldly of citizenship, family, and Adam Rippon’s butt. Detailing a childhood spent undocumented, one speaker recalls nights when “because we cannot sleep / we dream with open eyes.” Garcia delves with

both English and Spanish into how one survives a country’s long love affair with anti-immigrant cruelty. Rendering a family working to the very end to hold each other, he writes the kind of family you both survive and survive with. With language that arrives equal parts regal and raucous, *Thrown in the Throat* shines brilliant with sweat and an iridescent voice. “Sometimes even a diamond was once alive” writes Garcia in a collection that National Poetry Series judge Kazim Ali says “has deadly superpowers.” And indeed these poems arrive to our hands through touch-me-nots and the slight cruelty of mothers, through closets both real and metaphorical. These are poems complex, unabashed, and needed as survival. Garcia’s debut is nothing less than exactly the ode our history and present and our future call for: brash and

unmistakably alive. “Angry, tender, and resounding with the speech of flowers, birds, and diamonds, every syllable carries a glorious charge.” —The Boston Globe, “Best Books of 2020” “Electrifying . . . explores unrepentant sexual desire, interrogates fraught familial relationships, and examines our troubled cultural moment.” —Lambda Literary

 Andy Prescott is the most laid-back young lawyer in Austin, Texas. Specialising in traffic law, he operates from a small room above a ramshackle tattoo parlour. He rides a trail bike and spends way too much time drinking beer in the sunshine. Ambition has never been Andy's strong point - he prefers to take it easy. That is, until one of Texas's wealthiest men walks

into his office. On the spot, billionaire Russell Reeves retains Andy as his lawyer and, in exchange for some easy legal work, pays him more money than he has ever earned before. Andy's life is transformed. But nothing comes for free. Russell is a desperate man whose sole aim is to save his eight-year-old son, Zach, who is dying from leukemia. He is prepared to do anything - even if it means putting Andy's life in danger...

Enemy's Enemy Bloomsbury Publishing
Beck Hardin returns to his Texas hometown - and his estranged father - after the death of his wife leaves him with two children to raise. The town is still reeling from the murder of sixteen-year-old Heidi, whose father - Beck's old college friend - asks Beck to help him find Heidi's killer before the statute of limitations runs out. Meanwhile, Beck is pushed into becoming town Judge, and he makes some powerful enemies amongst the rich white landowners when he refuses to condone their treatment of the Mexican workers of the town. As events escalate, the landowners carefully plot their revenge...

Under the Lake Baker Books

Have you ever wondered how one split-second decision could change your life for ever? The Bonners are the most powerful couple in Texas. Bode Bonner is the Republican Governor and his wife, Lindsay, is always by his side. From the outside everything looks rosy. But the Bonners are not happy. Bode is bored - he longs for more excitement in his life. Lindsay is at the end of her tether. She's had enough of Bode's womanising and of playing the dutiful wife. She is desperate to break free of her bland, wealthy lifestyle. Then Lindsay makes an impulsive decision that helps save the life of a poor Hispanic boy. From that moment on, nothing will be the same for the Bonners. Everything is about to change... From the author of the international bestsellers *The Colour of Law* and *Accused*, this is an addictively readable novel, filled with dramatic and ingenious twists and turns, that delves deep into the dark heart of Texas.

Capital Harvard University Press

This much respected text is an essential guide to all areas of the law relating to abuse of process in criminal law - including delay, double jeopardy, breach of promise and adverse publicity.

Accused Sphere

Lawyer Scott Fenney is not thrilled when he is appointed to defend Shawanda Jones, a prostitute accused of killing the son of Texas senator and presidential candidate, Mack McCall.

The Common Lawyer National Academies Press

Lawyer Scott Fenney is not thrilled when he is appointed to defend Shawanda Jones, a prostitute accused of killing the son of Texas senator and presidential candidate, Mack McCall.

The Colour of Law Penguin UK

For more than 50 years, low-cost antimalarial drugs silently saved millions of lives and cured billions of debilitating infections. Today, however, these drugs no longer work against the deadliest form of malaria that exists throughout the world. Malaria deaths in sub-Saharan Africa "are rising because of increased resistance to the old, inexpensive drugs. Although effective new drugs called artemisinins are available, they are unaffordable for the majority of the affected population, even at a cost of one dollar per course. Saving Lives, Buying Time: Economics of Malaria Drugs in an Age of Resistance examines the history of malaria treatments, provides an overview of the current drug crisis, and offers recommendations on maximizing access to and effectiveness of antimalarial drugs. The book finds that most people in endemic countries will not have access to currently effective combination treatments, which should include an artemisinin, without financing from the global community. Without funding for effective treatment, malaria mortality could double over the next 10 to 20 years and transmission will intensify.

Tales of the Bar, Booze, Blow, and Redemption Cornell University Press

Scott, it's Rebecca. I need you.' After years of silence, Texan lawyer Scott Fenney receives a devastating phonecall from his ex-wife. She has been accused of murdering her boyfriend, Trey - the man she left Scott for - and is being held in a police cell. Now she is begging Scott to defend her. Scott is used to high-stakes cases, but this one is bigger than anything he has handled before. If Rebecca is found guilty, she will be sentenced to life imprisonment. Her future is in his hands. As he prepares to take the stand in the most dramatic courtroom appearance of his life, Scott is forced to question everything he believes to get to the truth - to save the life of the ex-wife he still loves....

Learning about the Bible Milkweed Editions

Winner of the CWA John Creasey Memorial Dagger Award for Best First Crime Novel Before the New York Times bestselling success of *Defending Jacob*, William Landay wrote this critically acclaimed first novel of crime and suspense—perfect for fans of John Grisham, Scott Turow, and

Dennis Lehane. "Landay writes with eloquent intensity."—The New York Times Book Review By a shimmering lake in western Maine, a body lies sprawled in a deserted cabin. The dead man was an elite D.A. from Boston whose beat was the city's toughest neighborhood: Mission Flats. For local police chief Ben Truman, investigating the murder will mean leaving his quiet home and joining a vengeful manhunt in a world of hard streets and harder bargains. The cops have zeroed in on a suspect, a ruthless predator targeted for prosecution by the murdered D.A. But Ben distrusts the Boston police—especially when he uncovers a secret history of murder and retribution stretching back twenty years. As past and present collide, as tribal loyalties threaten to lynch an innocent man—or let a guilty one go free—one thing remains certain: The most powerful revelations are yet to come. Includes an excerpt of *Defending Jacob* "A crackling debut that answers the question: Who will be the next Grisham?"—Kirkus Reviews (starred review) "An inventive, gripping suspense debut . . . Landay deals out pertinent details with the finesse of a poker player. . . . A rich, harrowing and delightful read."—Publishers Weekly (starred review) "[Landay's] tale is reminiscent of his fellow Beantown writer Dennis Lehane, which is a true compliment."—Rocky Mountain News "Waiting for a new Landay novel is like waiting for a guy from Cremona to build a violin: anxious but worth it."—Lee Child *The Case Against William* Sphere From the author of *The One-Eyed Judge*: A New York Times–bestselling novel about a federal death penalty trial from the perspective of the presiding judge. When a drive-by shooting in Holyoke, Massachusetts, claims the lives of a drug dealer and a hockey mom volunteering at an inner-city clinic, the police arrest a rival gang member. With no death penalty in Massachusetts, the US attorney shifts the double homicide out of state jurisdiction into federal court so he can seek a death sentence. The Honorable David S. Norcross, a federal judge with only two years on the bench, now presides over the first death penalty case in the state in decades. He must referee the clash between an ambitious female prosecutor and a brilliant veteran defense attorney in a high-stress environment of community outrage, media pressure, vengeful gang members, and a romantic entanglement that threatens to capsize his trial—not to mention the most dangerous force of all: the unexpected. Written by judge Michael Ponsor, who presided over Massachusetts's first capital case in over

fifty years, *The Hanging Judge* explores the controversial issue of capital punishment in a dramatic and thought-provoking way that will keep you on the edge of your seat. It is “a crackling court procedural” (Anita Shreve) and “gripping legal thriller” (Booklist) perfect for fans of Scott Turow.

Con Law St. Martin's Press

Criminal defense lawyers must make their peace with one harsh fact of life: most of their clients are guilty. Yet when William Tucker, a celebrated and self-centered star college football player, is suddenly arrested and charged with the brutal rape and murder of a college coed two years before, his broken-down, drunken estranged father Frank can't believe he's guilty. What father could? But Frank is also an ex-criminal defense lawyer. Now Frank must find a way to sober up and save his son from the death penalty sought by an ambitious district attorney. Can a father's love for his accused son save him from death?

The Abduction W. W. Norton & Company
Petra Delicado, a Barcelona police inspector assigned to a desk job, returns to the homicide department to investigate the rapes of young girls by a serial rapist who only leaves a circular mark on his victims' forearms.

The Addicted Lawyer Delacorte Press
THE COMMON LAWYER: Andy Prescott is the most laid-back young lawyer in Austin, Texas. Specialising in traffic law, he operates from a room above a ramshackle tattoo parlour. When billionaire Russell Reeves retains Andy as his lawyer and pays him more money than he has ever earned before, his life is transformed. But nothing comes for free. Russell is a desperate man whose sole aim is to save his eight-year-old son, Zach, who is dying from leukemia. He is prepared to do anything - even if it means putting Andy's life in danger...
THE PERK: Beck Hardin returns to his Texas hometown - and his estranged father - after the death of his wife leaves him with two children to raise. The town is still reeling from the murder of sixteen-year-old Heidi, whose father - Beck's old college friend - asks Beck to help him find Heidi's killer before the statute of limitations runs out. Meanwhile, Beck is pushed into becoming town Judge, and he makes some powerful enemies...

The Abduction A&C Black

John Bookman - Book to his friends - is a tenured professor at the University of Texas School of Law. He's thirty-five, handsome and unmarried. He teaches Constitutional Law, reduces senators to blithering fools on talk shows, and is often mentioned as a future Supreme Court

nominee. But Book is also famous for something more unusual. He likes to take on lost causes and win. Consequently, when he arrives at the law school each Monday morning, hundreds of letters await him, letters from desperate Americans around the country seeking his help. Every now and then, one letter captures his attention and Book feels compelled to act. In the first of a thrilling new series from the author of international bestsellers *The Colour of Law* and *Accused*, Book investigates a murder set in the high-stakes world of fracking and corruption in deepest, darkest Texas.

The Color of Law Little, Brown

THE COLOUR OF LAW A. Scott Fenney is a rich hotshot corporate lawyer at a big Dallas firm with a beautiful wife and beloved daughter. But when a senator's son is killed in a hit-and-run, Fenney is asked by the state judge to put his air-conditioned lifestyle on hold to defend the accused: a black, heroin-addicted prostitute - a very different client to the people Fenney usually represents...
THE ABDUCTION When Elizabeth Brice turns up to collect her daughter Grace from football practice, the coach tells her she needn't have bothered, as Grace's uncle has already picked her up. The only problem is - Grace has no uncles. And so begins a furious race against time to save Grace from unknown kidnappers. But secrets from the past make the little girl's survival more uncertain with every passing minute...

The Perk Sphere

In *The Program Era*, Mark McGurl offers a fundamental reinterpretation of postwar American fiction, asserting that it can be properly understood only in relation to the rise of mass higher education and the creative writing program. McGurl asks both how the patronage of the university has reorganized American literature and—even more important—how the increasing intimacy of writing and schooling can be brought to bear on a reading of this literature. McGurl argues that far from occasioning a decline in the quality or interest of American writing, the rise of the creative writing program has instead generated a complex and evolving constellation of aesthetic problems that have been explored with energy and at times brilliance by authors ranging from Flannery O'Connor to Vladimir Nabokov, Philip Roth, Raymond Carver, Joyce Carol Oates, and Toni Morrison. Through transformative readings of these and many other writers, *The Program Era* becomes a meditation on systematic creativity—an idea that until recently would have seemed a contradiction in

terms, but which in our time has become central to cultural production both within and beyond the university. An engaging and stylishly written examination of an era we thought we knew, *The Program Era* will be at the center of debates about postwar literature and culture for years to come.

The Abduction Hachette UK

From James Patterson, the world's #1 bestselling author: a young lawyer takes on the judge who is destroying her hometown—and ends up in jail herself. In picture-perfect Erva, Alabama, the most serious crimes are misdemeanors. Speeding tickets. Shoplifting. Contempt of court. Then why is the jail so crowded? And why are so few prisoners released? There's only one place to learn the truth behind these incriminating secrets. Sometimes the best education a lawyer can get is a short stretch of hard time.

The Democracy Development Machine Post Hill Press

They are called designer drugs, and they're worse than lethal—they're legal. A beautiful undercover agent and her partner are brutally murdered in Southern California. A special task force of highly trained police officers go underground to find out why. What they discover is a billion-dollar criminal conspiracy—and an elusive mastermind known as the Alchemist. The Alchemist is a respected chemist who has conjured up a substance worth its weight in gold: a synthetic "designer" drug as potent as cocaine or heroin and twice as dangerous—because its unique chemical formula is perfectly legal! Caught in the crossfire between a desperate Mafia chief and two ruthless drug lords, the task force must step outside the law to crush the impending crime war, risking being lured so far out from behind the protection of their badges that there is no turning back.

Neoliberalism, Radical Pessimism, and Authoritarian Populism in Mayan Guatemala Hachette UK

Brian Cuban was living a lie. With a famous last name and a successful career as a lawyer, Brian was able to hide his clinical depression and alcohol and cocaine addictions—for a while. Today, as an inspirational speaker in long-term recovery, Brian looks back on his journey with honesty, compassion, and even humor as he reflects both on what he has learned about himself and his career choice and how the legal profession enables addiction. His demons, which date to his childhood, controlled him through failed marriages and stays in a psychiatric facility, until they brought him to the brink of suicide. That was his wake-up call. This is his story. Brian also takes an in-depth

look at why there is such a high percentage of problematic alcohol use and other mental health issues in the legal profession. What types of therapies work?

Are 12-step programs the only answer? Brian also includes interviews with experts on the subject as well as others in the

profession who are now in recovery. The Addicted Lawyer is both a serious study of addiction and a compelling story of redemption.
