FINN SHEPPARD

The Last Days Scholastic Inc.

"Special Circumstances" - These words have sent chills down Tally's spine since her days as a rebellious Ugly. Back then Specials were a sinister rumour - frighteningly beautiful, dangerously strong, breathtakingly fast. Ordinary pretties might live their whole lives without meeting a Special. But Tally's never been ordinary... Now she's been turned into one of them: a superamped fighting machine, engineered to keep the Ugliers down and the Pretties stupid. The strength, the speed, and the clarity and focus of her thinking feel better than anything Tally can remember... most of the time. One tiny corner of her heart still remembers something more. Still, it's easy to tune that out - until Tally's offered a chance to stamp out the rebels of the New Smoke permanently. It all comes down to one last choice: carry out the mission she's programmed to complete, or listen to that tiny, faint heartbeat telling her that something's wrong... Either way, Tally's world will never be the same.

But when Tally finally becomes pretty, everything isn't as perfect as it seems. Underneath all the beauty and luxury is a nagging sense that something is wrong. Very wrong. Searching for the truth, Tally discovers a whole new side of the pretty world—and it isn't very pretty. Now Tally has a choice to make: fight to forget what she knows or fight for her life.

They come face to face with a death cult. And then there's the zombies—swarms of them coming from the east, devouring everything in their paths. And these zoms are different. Faster, smarter, and infinitely more dangerous. Has the zombie plague mutated, or is there something far more sinister behind this new invasion of the living dead? The loss of his magic impacted more than just their family, however, and now the world is unraveling in the wake of this imbalance. To save the North, Satu embarks on a perilous journey to reclaim her father's magic, but she isn't the only one searching for it. In the snow-laden mountains, she finds herself in a deadly race with the Winter Lord who wants the North Wind's destructive powers for himself.
