C Edition Macmillan

"A stunning novel, proof that Manil Suri is a major storyteller of heart and intelligence." —Amy Tan
 The Age of Shiva is at once a powerful story of a country in turmoil and an "unflinchingly honest" portrait of maternal love—"intricately interwoven with the ancient rites and myths" (Booklist) crucial to India's history. Meera, the narrator, is seventeen years old when she catches her first glimpse of Dev, performing a song so infused with passion that it arouses in her the first flush of erotic longing. She wonders if she can steal him away from Roopa, her older, more beautiful sister, who has brought her along to see him. It is only when her son is born that Meera begins to imagine a life of fulfillment. She engulfs him with a love so deep, so overpowering, that she must fear its consequences. Meera's unforgettable story, embodying Shiva as a symbol of religious upheaval, places The Age of Shiva among the most compelling novels to emerge from contemporary India. Reading group guide included.

This charming series has been specifically designed for babies. A great introduction to books through well-known nursery rhymes and interactive text. Singing songs and rhymes is the perfect way to bond with your baby and share quality time. It also aids language development by introducing them to the natural sounds and patterns of speech. Combining these with actions also stimulates the brain and helps muscle development.

This Little Piggy Delacorte Press

In a novel-in-verse that brims with grief and love, National Book Award-winning and New York Times bestselling author Elizabeth Acevedo writes about the devastation of loss, the difficulty of forgiveness, and the bittersweet bonds that shape our lives. Camino Rios lives for the summers when her father visits her in the Dominican Republic. But this time, on the day when his plane is supposed to land, Camino arrives at the airport to see crowds of crying people... In New York City, Yahaira Rios is called to the principal's office, where her mother is waiting to tell her that her father, her hero, has died in a plane crash. Separated by distance—and Papi's secrets—the two girls are forced to face a new reality in which their father is dead and their lives are forever altered. And then, when it seems like they've lost everything of their father, they learn of each other. Great for summer reading or anytime! Clap When You Land is a Today show pick for "25 children's books your kids and teens won't be able to put down this summer!" Plus don't miss Elizabeth Acevedo's The Poet X and With the Fire on High!

If asked to list the greatest innovators of modern American poetry, few of us would think to include Jay-Z or Eminem in their number. And yet hip hop is the source of some of the most exciting developments in verse today. The media uproar in response to its controversial lyrical content has obscured hip hop's revolution of poetic craft and experience: Only in rap music can the beat of a song render poetic meter audible, allowing an MC's wordplay to move a club-full of eager listeners. Examining rap history's most memorable lyricists and their inimitable techniques, literary scholar Adam Bradley argues that we must understand rap as poetry or miss the vanguard of poetry today. Book of Rhymes explores America's least understood poets, unpacking their surprisingly complex craft, and according rap poetry the respect it deserves.

Anything But Typical St. Martin's Griffin

In a new edition of this special book, 22 nursery rhymes from Iran to Iceland and Samoa to Switzerland have been carefully chosen and beautifully illustrated by Mique Moriuchi. A celebration of cultural diversity, each poem appears in its original language (19 languages are included) next to an English translation so young children can delight in quirky, touching and funny verses from all over the world.

Despite an often unfair reputation as being less popular, less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular A Chorus Line and Rent to more off-beat productions like Avenue Q and Little Shop of Horrors. And while it remains to be seen if other popular Off Broadway shows like Stomp, Blue Man Group, and Altar Boyz will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography, and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.

Few children can communicate effectively before eighteen months of age, but sign language can allow baby and parent to reduce the frustration up to a year earlier. With more than 450 full-color photos, text, and sidebars, Knack Baby Sign Language provides a user-friendly, efficient method to learn and teach a baby sign language. Organized by age, it provides signs appropriate to use with babies, with toddlers, and with older children for whom signing with games, songs, and rhymes is enriching. The signs can also be used with special needs children and those with delayed communication abilities.

Collections of Mother Goose rhymes.

A History and Dictionary of Popular American Patriotic Tunes, with Over 300 Complete Lyrics

HarperCollins

A rich and powerful family, struck by tragedy, gathers in a lawyer's office to hear the announcements of their late father's will. Of the five candidates in the room, it seems perfectly obvious who will inherit the company and be named the sole successor of a substantial fortune. But instead of cheques, the potential heirs are each given envelopes. Instead of the keys to an empire, they are handed cryptic clues pertaining to a bizarre and twisted treasure hunt, designed by their father to test them. This trial of brotherhood and sisterhood will likely end in bloodshed. Travis Madden, a mathematical prodigy, did not expect to find himself caught up in a rat-race, but his

expertise in codes and number patterns makes him the unlikely key to finding a dead man's lost fortune. Driven by the need to protect a young heiress from her murderous family, Travis must follow the clues and solve the puzzles before this dangerous game of greed and power consumes them all. There can only be one successor.

The Folksong Fake Book (Songbook) W. W. Norton & Company

Click here to view a video interview with the author by TV Personality Jim Peck in his show MPTV Public Television Milwaukee "I Remember with Jim Peck" Every family has its own story to tell. Be it tragic, heartbreaking, or triumphant, each tale forms part of a clan's history and defines its identity. Author John Schissler, Jr. started with an autobiographical essay in his history class in 1964, but didn't really give it much thought. Recently, through his brother's urging, he felt somewhat obliged to reveal their storied past. After a painstaking research, he now comes up with a book that narrates the fascinating history of his family entitled *Passage: The Making of an American Family*. What started as a school requirement now developed into a detailed memoir of a family's story that impacts the lives of many. *Passage* chronicles the humble beginnings of John Schissler's family and its struggles to weather the storms of life. Thinking he already had the skeleton of the story, Schissler looked for ways to make the pieces of the tale fall into place. Through the help of his parents, relatives, and friends, he looked for connections, photos, and other evidences to corroborate the existing story he already had. Author Schissler traces his family's roots and finds out that their relatives came from Donaueschingen, Germany, where there are two streams that come together to form the source of the Donau (Danube) river. He believes it is only fitting that his family, who were Donaueschwaben, eventually ended up in Wisconsin, which in Native American language means "gathering" or "meeting of the waters." *Passage* is not merely a story of a clan who survived the horrors of the world war against the innocent; it also serves as a memorial to all the forgotten souls and unsung heroes murdered by Stalin, victims of the "final solution", and other nameless ones who were dumped indiscriminately into mass graves. Accompany John Schissler, Jr. as he revisits family's and his own unforgettable voyage to survival in this remarkable, imagery-filled memoir. Follow their exploits as they sought refuge in a foreign soil that embraced them as if they were its own. Join them as they celebrate diversity in their newfound land, their new home called America. Witness the bonds they formed, the friendships and families they built, the failures that brought forth success, and life's challenges that made them what they are today. According to author Schissler, "War crimes don't necessarily end with the war. This is a true story about an ordinary, World War II European family, who was forced to embark on an extraordinary odyssey fraught with danger, disease, and death to reach the shores of the 'Promised Land'. Shot at by British planes, imprisoned by the Russians, and forced to work in the peat bogs of East Germany, we finally escaped to West Germany where we found temporary asylum until we completed our pilgrimage to Ellis Island. The saga continues with my family's physical, emotional, and social struggles to get a piece of that American Dream and our eventual assimilation into that cultural diversity of that melting pot which is America." Book Review The self-published memoir is definitely a genre on the rise. I've purchased a couple of these types of books, because their content helped me research my own family tree. But the ambition of Mr. Schissler's work is something special. The scope is nearly epic, and Schissler's cleverly balances personal history in the context of historic events, a formula that imbues his narrative with an ingredient sadly lacking in so many other writings in this genre: Propulsion of a story. Schissler captures what really happens to people in the wicked no man's land of war and rehabilitation, as his family must
