Edition Mountaineers Books

"The definitive guide to mountains and climbing . . ."—Conrad Anker For nearly 60 years it's been revered as the "bible" of mountaineering—and now it's even better than ever • The best-selling instructional text for new and intermediate climbers for more than half a century • New edition—fully updated techniques and all-new illustrations • Researched and written by a team of expert climbers Mountaineering: The Freedom of the Hills is the text beloved by generations of new climbers—the standard for climbing education around the world where it has been translated into 12 languages. For the all-new 9th Edition, committees composed of active climbers and climbing educators reviewed every chapter of instruction, and discussed updates with staff from the American Alpine Club (AAC), the American Institute for Avalanche Research and Education (AIARE), and the Access Fund. They also worked with professional members of the American Mountain Guides Association (AMGA), to review their work and ensure that the updated textbook includes the most current best practices for both alpine and rock climbing instruction. From gear selection to belay and repel techniques, from glacier travel to rope work, to safety, safety, and more safety—there is no more comprehensive and thoroughly vetted training manual for climbing than the standard set by Mountaineering: The Freedom of the Hills, 9th Edition. Significant updates to this edition include:

- New alignment with AAC's nationwide universal belay standard
- Expanded and more detailed avalanche safety info, including how to better understand avalanches, evaluate hazards, travel safely in avy terrain, and locate and rescue a fellow climber in an avalanche
- Newly revamped chapters on clothing and camping
- All-new illustrations reflecting the latest gear and techniques—created by artist John McMullen, former art director of Climbing magazine
- Review of and contributions to multiple sections by AMGA-certified guides
- Fresh approach to the Ten Essentials—now making the iconic list easier to recall

'When it comes to training for climbing, you are your own experiment.' Beastmaking by Ned Feehally is a book about training for climbing. It is designed to provide normal people – like you and me – with the tools we need to get the most out of our climbing. It is written by one of the world's top climbers and a co-founder of Beastmaker. It features sections on finger strength, fingerboarding, board training, mobility and core, and includes suggested exercises and workouts. There are insights from some of the world's top climbers, including Alex Honnold, Shauna Coxsey, Adam Ondra, Alex Puccio and Tomoa Narasaki. Free from jargon, it is intended to provide enough information for us to work out what we need to train, and to help us to train it.
