Shiva: Destroyer and Protector, Supreme Ascetic and Lord of the Universe. He is Ardhanarishwara, half-man and half-woman; he is Neelakantha, who drank poison to save the three worlds-and yet, when crazed with grief at the death of Sati, set about destroying them. Shiva holds within him the answers to some of the greatest dilemmas that have perplexed mankind. Who is Shiva? Why does he roam the world as a naked ascetic covered with ash? What was the tandava? What is the story behind the worship of the linga and what vision of the world does it signify? Namita Gokhale examines these questions and many others that lie within the myriad of stories about Shiva. Even as she unravels his complexities, she finds a philosophy and worldview that is terrifying and yet life affirming-an outlook that is to many the essence of Indian thought.

Siva Purana: Rudra Samhitha: 4 Kumara Khanda: English Translation only without Slokas Kausiki Books

Amish Tripathi devoted years to the research of Hindu mythological stories and history, and discussions with his family about the destiny of the human body, mind and soul to create this sweeping and fascinating adaptation of ancient Hindu mythology for modern fantasy readers. 1900 BC in what modern Indians call the Indus Valley Civilization and the inhabitants called the land of Meluha: a near-perfect empire created many centuries earlier by Lord Ram--one of the greatest monarchs that ever lived--faces peril as its primary river, the Saraswati, is slowly drying to extinction. The

Suryavanshi rulers are challenged with devastating terrorist attacks from the east, the land of the Chandravanshis. To make matters worse, the Chandravanshis appear to have allied with the Nagas, an ostracized and sinister race of deformed humans with astonishing martial skills. The only hope for the Suryavanshis is an ancient legend: When evil reaches epic proportions, when all seems lost, a hero will emerge. Is the unexpected, rough-hewn Tibetan immigrant Shiva that hero? Drawn suddenly to his destiny, duty, and by love, Shiva will attempt to move mountains and lead the Suryavanshi to destroy evil.

Saint Veda Vyasa's the Shiva Purana The Śiva-PurāṇaThe Śiva-purāṇaSaint Veda Vyasa's the Shiva Purana

One of the three great gods of Hinduism, Siva is a living god. The most sacred and most ancient book of India, The Rg Veda, evokes his presence in its hymns; Vedic myths, rituals, and even astronomy testify to his existence from the dawn of time. In a lively meditation on Siva--based on original Sanskrit texts, many translated here for the first time--Stella Kramrisch ponders the metaphysics, ontology, and myths of Siva from the Vedas and the Puranas. Who is Siva? Who is this god whose being comprises and transcends everything? From the dawn of creation, the Wild God, the Great Yogi, the sum of all opposites, has been guardian of the absolute. By retelling and interweaving the many myths that keep Siva alive in India today, Kramrisch reveals the paradoxes in Siva's nature and thus in the nature of consciousness itself.

Purana Booktango

Varuna Purana is a collection of ten stories about Lord Shiva. Many of the stories are well-known, such as the destruction of the sacrifice of Daksha, the destruction of Tripura, and the legend of the demon Andhaka. But other stories are unique to this Purana, such as the story of the first recitation of the Brahma Sutras by Agni, the messenger of the gods; the story of the activities of the gods during the time of cosmic dissolution; and the story of the cosmic dance of Lord Shiva. But Varuna Purana is much more than a collection of stories, it is also a concise digest of complete knowledge of all

the 40 branches of Vedic Science. At the same time it is a handbook and guide for growing experiences on the path to enlightenment. This Purana is a brilliant tour de force of its author, the Rishi Shaunaka, who lived thousands of years ago. A special feature of this ancient text is the clear explanation, by the narrator, Lord Varuna, of the metaphor of the stories in terms of the growth of higher states of consciousness-the growth of enlightenment, the inner awakening. Shiva is a metaphor for the process of transcending and experiencing pure consciousness, "samadhi," as it is called in Yoga, the state of oneness of eternal unmanifest Being. The aniconic form of Shiva, called the "Lingam," is a metaphor for the highest goal of evolution, called "Brahman" in Vedanta, and understood as the supreme, ultimate knowledge of Reality. All of the stories together, in sequence present the milestones in the growth of consciousness on the path to the total awakening in Brahman Consciousness. Since ancient times Varuna Purana has been accepted as one of the 18 Upapuranas. However, in modern times the text has been neglected, and only one copy of the manuscript is known. The text has been transcribed, edited and restored, and translated here for the first time. This book includes the Sanskrit text of Varuna Purana; an English translation; an essay on the importance of Upapurana in Vedic Literature; an analysis of the origin and authenticity of the text; a detailed exposition of the milestones of experience in the growth of higher states of consciousness; parallel passages from other Puranas for each story; and a pictorial presentation of the 108 Karanas or dance-gestures that make up the Dance of Shiva, according to Natya Shastra. All the eternal wisdom of life contained in the Puranas is encapsulated in this Varuna Purana: It is a concise digest of the essential teaching of the Vedas, the wisdom of God realization.

Smearred with ash, draped in animal hide, he sits atop the snow-capped mountain, skull in hand, withdrawn, with dogs for company, destroying the world with his, indifference. He is God who the Goddess shall awaken. His name is Shiva. Locked in his stories, symbols and rituals are the secrets of our ancestors. This book attempts to unlock seven

Śiva-mahāpurāṇa: Māhātmyam, Vidyēśvara saṁhitā, Rudra saṁhitā (Śṛṣṭi khaṇḍa, Sati khaṇḍa and Pārvatī khaṇḍa) Kausiki Books

Here is the first translation into English of the Basava Purana, a fascinating collection of tales that sums up and characterizes one of the most important and most radical religious groups of South India. The ideas of the Virasaivas, or militant Saivas, are represented in those tales by an intriguing mix of outrageous excess and traditional conservatism. Written in Telugu in the thirteenth century, the Basava Purana is an anthology of legends of Virasaivas saints and a hagiography of Basavesvara, the twelfth-century Virasaiva leader. This translation makes accessible a completely new perspective on this significant religious group. Although Telugu is one of the major cultural traditions of India, with a classical literature reaching back to the eleventh century, until now there has been no translation or exposition of any of the Telugu Virasaiva works in English. The introduction orients the reader to the text and helps in an understanding of the poet's point of view. The author of the Basava Purana, Palkuriki Somanatha, is revered as a saint by Virasaivas in Andhra and Karnataka. His books are regarded as sacred texts, and he is also considered to be a major poet in Telugu and Kannada. Originally published in 1990. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Shiva Kausiki Books

'Shi-va' is 'that which is not', a primordial emptiness; Shiva is also the first-ever yogi, Adiyogi, the one who first perceived this emptiness. Adiyogi is symbol and myth, historic figure and living presence, creator and destroyer, outlaw and ascetic, cosmic dancer and passionate lover, all at once. A book like no other, this extraordinary document is a tribute to Shiva, the Adiyogi, by a living yogi; a chronicle of the progenitor of mysticism by a contemporary mystic. Here science and philosophy merge seamlessly, so do silence and sound, question and answer-to capture the unspeakable enigma of Adiyogi in a spellbinding wave of words and ideas that will leave one entranced, transformed.

Today, Shiva is a god. But four thousand years ago, he was just a man - until he brought his people to Meluha, a near-perfect empire founded by the great king Lord Ram. There he discovered he was the Neelkanth, a barbarian long prophesied to be Meluha's savior. But in his hour of victory fighting the Chandravanshis - Meluha's enemy - he discovered they had their own prophecy. Now he must fight to uncover the treachery within his inner circle, and unmask those who are about to destroy all that he has fought for. Shiva is about to learn that good and evil are two sides of the same coin...

Shiv Purana Otto Harrassowitz Verlag

The traditional understanding of Shiva told through stories and teachings from the Shiva Mahapurana • Explains Shiva's contradictory forms, such as destroyer or benefactor, and how his form depends on the needs of the devotee • Reveals how Shiva's teachings allow one to see through the illusions at the root of all grief and alienation in human life • Explores Shiva's relationships with Durga, Shakti, Sati, and Parvati and with his sons Ganesha and Kartikeya Shiva, the most ancient and complex deity of the Hindu pantheon, has been portrayed in many contrasting lights: destroyer and benefactor, ascetic and householder, wild demon slayer and calm yogi atop Mount Kailash. Drawing from the Hindu sacred text the Shiva Mahapurana--said to be written by Shiva himself--Vanamali selects the essential stories of Shiva, both those from his dark wild side and those from his benevolent peaceful side. Vanamali discusses Shiva's many avatars such as Shambunatha and Bhola, as well as Dakshinamurti who taught the shastras and tantras to the rishis. She explores Shiva's relationships with Durga, Shakti, Sati, and Parvati and with his sons Ganesha and Kartikeya. Examining Shiva's acceptance of outsiders, Vanamali explains why ghosts and ghouls are his attendants and why his greatest devotees are demon kings, like Ravana. She includes famous Shiva stories such as the Descent of the River Ganga and Churning the Milky Ocean as well as those that reveal the origin of the festival of lights, Diwali; his creation of the cosmic couple, or hierogamos; and how Shiva and Parvati taught the world the secrets of Kundalini Shakti. The author also draws upon Shaivite teachings to illustrate the differences between Western science and Vedic science and their explanations for the origins of consciousness. Integrating Shiva's two sides, the fierce and the peaceful, Vanamali reveals that Shiva's form depends on the needs of the devotee. Understanding his teachings allows one to see through the illusions at the root of all grief and alienation in human life, for Shiva is the wielder of maya who does not fall under its spell. While Ganesha is known as the remover of obstacles, Shiva is the remover of tears.
