The River and the Source

The Book Thief Focus Books

The story of the Potomac is the story of America—take a historic hike with this fascinating guide. The great Potomac River begins in the Alleghenies and flows 383 miles through some of America's most historic lands before emptying into the Chesapeake Bay. The course of the river drove the development of the region and the path of a young republic. Maryland's first Catholic settlers came to its banks in 1634 and George Washington helped settle the new capital on its shores. During the Civil War the river divided North and South, and it witnessed John Brown's raid on Harper's Ferry and the bloody Battle of

Antietam. In this book, Garrett Peck leads readers on a journey down the Potomac, from its first fount at Fairfax Stone in West Virginia to its mouth at Point Lookout in Maryland. Combining history with recreation, Peck has written an indispensable guide to the nation's river. Knopf Books for Young Readers
 In this history of the black peasants of Amazonia, Oscar de la Torre focuses on the experience of African-descended people navigating the transition from slavery to freedom. He draws on social and environmental history to connect them intimately to the natural landscape and to Indigenous peoples. Relying on this world as a repository for traditions, discourses, and strategies that they retrieved especially in moments of conflict, Afro-Brazilians fought for autonomous communities and developed a vibrant ethnic identity that supported

their struggles over labor, land, and citizenship. Prior to abolition, enslaved and escaped blacks found in the tropical forest a source for tools, weapons, and trade—but it was also a cultural storehouse within which they shaped their stories and records of confrontations with slaveowners and state authorities. After abolition, the black peasants' knowledge of local environments continued to be key to their aspirations, allowing them to maintain relationships with powerful patrons and to participate in the protest cycle that led Getulio Vargas to the presidency of Brazil in 1930. In commonly referring to themselves by such names as "sons of the river," black Amazonians melded their agro-ecological traditions with their emergent identity as political stakeholders.

In this resonant story, Cam the mountain boy follows the river from its trickling source in the mountain snow all the way to the coast. The river leads him through forest, farms, and towns to the salty wind of the sea. Dramatic landscape illustrations evoke a North American landscape and are packed with detail to explore the world of the river.

Stories from Abakwa Hatchet Adventure NATIONAL BESTSELLER • “It takes a rare individual not only to see that history can live, but also to make it live for others. James Thom has that gift.”—The Indianapolis News Mary Ingles was twenty-three, happily married, and pregnant with her third child when Shawnee Indians invaded her peaceful Virginia settlement in 1755 and kidnapped her, leaving behind a bloody massacre. For months they held her captive. But nothing could imprison her spirit. With the rushing Ohio River as her guide, Mary Ingles walked one thousand miles through an untamed wilderness no white woman had ever seen. Her story lives on—extraordinary testimony to the indomitable strength of one pioneer woman who risked her life to return to her own people.

A Novel of Forgiveness Catapult From Paulo Coelho, author of the international bestseller *The Alchemist*, comes a poignant, richly poetic story that reflects the depth of love and life. Rarely does adolescent love reach its full potential, but what happens when two young lovers reunite after eleven years? Time has transformed Pilar into a strong and independent woman, while her devoted childhood friend has grown into a handsome and charismatic spiritual leader. She has learned well how to bury her feelings . . . and he has turned to religion as a refuge from his raging inner conflicts. Now they are together once again, embarking on a journey fraught with difficulties, as long-buried demons of blame and resentment resurface after more than a decade. But in a small village in the French Pyrenees, by the waters of the River Piedra, a most special relationship will be reexamined in the dazzling light of some of life's biggest questions.

REESE'S BOOK CLUB PICK • An “electrifying” (Celeste Ng) novel that follows a year of seismic romantic, political, and familial shifts for a teacher and her students at a boarding school for the deaf, from the acclaimed author of *Girl at War* “Tender, beautiful and radiantly outraged . . . This important novel should—true biz—change minds and transform the conversation.”—Maile Meloy, *The New York Times Book Review* (Editors' Choice) ONE OF THE MOST ANTICIPATED BOOKS OF 2022—*Oprah Daily*, *The Millions*, *Lit Hub*, *Publishers Weekly*, *BookPage* True biz (adj./exclamation; American Sign Language): really, seriously, definitely, real-talk True biz? The students at the River Valley School for the Deaf just want to hook up, pass their history finals, and have politicians, doctors, and their parents stop telling them what to do with their bodies. This revelatory novel plunges readers into the halls of a residential school for the deaf, where they'll meet Charlie, a rebellious transfer student who's never met another deaf person before; Austin, the school's golden boy, whose world is rocked when his baby sister is born hearing; and February, the hearing headmistress, a CODA (child of deaf adult(s)) who is fighting to keep her school open and her marriage intact, but might not be able to do both. As a series of crises both personal and political threaten to unravel each of them, Charlie, Austin, and February find their lives inextricable from one another—and changed forever. This is a story of sign language and lip-reading, disability and civil rights, isolation and injustice, first love and loss, and, above all, great persistence, daring, and joy. Absorbing and assured, idiosyncratic and relatable, this is an unforgettable journey into the Deaf community and a universal celebration of human connection.

In this true story of adventure, author Jack Nisbet re-creates the life and times of David Thompson—fur trader, explorer, surveyor, and mapmaker. From 1784 to 1812, Thompson explored western North America and was the first to chart the entire length of the Columbia River. His field journals provide the earliest written accounts of the natural history and

indigenous cultures of the region, and Nisbet uses them to guide his own discovery of the Northwest Territory some two centuries later. Book jacket.

The River Within Harper Collins

She didn't know how fast the current was moving her. It could take many more hours yet, perhaps more hours than she had the strength for. But she must not stop. She must keep going. She must try to catch the river boy, even though she was frightened at the thought of what he was. Jess's beloved grandfather has just had a serious heart attack, but he insists that the family travel as planned to his boyhood home on the river so that he can finish his painting, *River Boy*. As Jess helps her ailing grandpa with his work, she becomes entranced by the scene he is painting. Then she becomes aware of a strange presence in the river -- a boy who asks for her help and issues a challenge that will stretch her swimming talents to their very limit. Jess knows that Grandpa and the river boy are connected, but how? Can she take up the river boy's challenge before it's too late for Grandpa? Tim Bowler's gripping narrative flows like a river itself -- gentle and calm at times, turbulent and deep at others, always fluid, always alive. Readers will be swept along by the magic of the river and the mysterious river boy -- and changed forever by Jess's unforgettable journey.

A Journey Beneath the Surface Harper Collins

From the New York Times bestselling author of *RIVER OF DOUBT* and *DESTINY OF THE REPUBLIC*, the stirring story of one of the great feats of exploration of all time, and its complicated legacy The Nile River is the longest in the world. Its fertile floodplain allowed for rise to the great civilization of ancient Egypt, but for millennia the location of its headwaters was shrouded in mystery. Pharaonic and Roman attempts to find it were stymied by a giant labyrinthine swamp, and

subsequent expeditions got no further. In the 19th century, the discovery and translation of the Rosetta Stone set off a frenzy of interest in ancient Egypt. At the same time, European powers sent off waves of explorations intended to map the unknown corners of the globe - and extend their colonial empires. Two British men - Richard Burton and John Hanning Speke - were sent by the Royal Geographical Society to claim the prize for England. Burton was already famous for being the first non-Muslim to travel to Mecca, disguised as an Arab chieftain. He spoke twenty-nine languages, was a decorated soldier, and literally wrote the book on sword-fighting techniques for the British Army. He was also mercurial, subtle, and an iconoclastic atheist. Speke was a young aristocrat and Army officer determined to make his mark, passionate about hunting, Burton's opposite in temperament and beliefs. From the start the two men clashed, Speke chafing under Burton's command and Burton disapproving of Speke's ignorance of the people whose lands through which they traveled. They would endure tremendous hardships, illness, and constant setbacks. Two years in, deep in the African interior, Burton became too sick to press on, but Speke did, and claimed he found the source in a great lake that he christened Lake Victoria. When they returned to England, Speke rushed to take credit, disparaging Burton. Burton disputed his claim, and Speke launched another expedition to Africa to prove it. The two became venomous enemies, with the public siding with the more charismatic Burton, to Speke's great envy. The day before they were to publicly debate, Speke shot himself. Yet there was a third man on both expeditions, his name obscured by imperial annals, whose exploits were even more extraordinary. This was Sidi Mubarak Bombay, who was enslaved and shipped from his home village in East Africa to India. When the man who purchased him died, he made his way into the local Sultan's army, and eventually traveled back to Africa, where he used his resourcefulness, linguistic prowess and raw courage to forge a living as a guide. Without his talents, it is likely that neither

Englishman would have come close to the headwaters of the Nile, or perhaps even survived. In *RIVER OF THE GODS* Candice Millard has written another peerless story of courage and adventure, set against the backdrop of the race to exploit Africa by the colonial powers.

In the fall of 1948, Ernest Hemingway made his first extended visit to Italy in thirty years. His reacquaintance with Venice, a city he loved, provided the inspiration for *Across the River and into the Trees*, the story of Richard Cantwell, a war-ravaged American colonel stationed in Italy at the close of the Second World War, and his love for a young Italian countess. A poignant, bittersweet homage to love that overpowers reason, to the resilience of the human spirit, and to the worldweary beauty and majesty of Venice, *Across the River and into the Trees* stands as Hemingway's statement of defiance in response to the great dehumanizing atrocities of the Second World War. Hemingway's last full-length novel published in his lifetime, it moved John O'Hara in *The New York Times Book Review* to call him "the most important author since Shakespeare."

In the "brilliant novel" (*The New York Times*) V.S. Naipaul takes us deeply into the life of one man—an Indian who, uprooted by the bloody tides of Third World history, has come to live in an isolated town at the bend of a great river in a newly independent African nation. Naipaul gives us the most convincing and disturbing vision yet of what happens in a place caught between the dangerously alluring modern world and its own tenacious past and traditions.
