*Education as Service* ABDO

These adorable little animals -- as seen in The Dodo's viral videos -- have the BIGGEST personalities! Angel the miniature zebu calf couldn't even stand months after she was born. Potato, an especially tiny Munchkin cat, was born with a body that was too small. And Bueller, a bulldog puppy, had weak legs that made it too hard for him to walk. What do these three animals have in common? They all overcame the impossible. Luckily, Angel, Potato, and Bueller all had the help of supportive humans to help them beat the odds -- from vets and foster parents to their very own forever homes! These three inspiring true stories show that with a little love and kindness -- and a lot of hard work -- we can get through anything together. Each short story in this collection is the perfect length for middle-grade readers. This book also includes a 16-page full-color insert, featuring photos of all three animals. Angel, Potato, and Bueller's stories have been featured on The Dodo, one of social media's most popular animal brands, with over 33 million followers! Their inspiring stories are the perfect example of just how far an animal can go when they have the love of a supportive human by their side.

In this brilliant sequel to *The Rise and Fall of D.O.D.O.*—an enthralling, history-bending adventure traversing time and space, fact and fiction, magic and science co-written with #1 New York Times bestselling author Neal Stephenson—a daring young time traveler must return to Jacobean England to save the modern world. This fast-paced sequel to the New York Times bestselling near-future adventure *The Rise and Fall of D.O.D.O.* picks up where the original left off, as Tristan Lyons, Mel Stokes, and their fellow outcasts from the Department of Diachronic Operations (D.O.D.O.) fight to stop the powerful Irish witch Gráinne from using time travel to reverse the evolution of all modern technology. Chief amongst Gráinne's plots: to encrypt cataclysmic spells into Shakespeare's "cursed" play, *Macbeth*. When her fellow rogue agents fall victim to Gráinne's schemes, Melisande Stokes is forced to send Tristan's untested, wayward sister Robin back in time to 1606 London,

where Edmund Tilney, the king's Master of Revels, controls all staged performances in London. And now Gráinne controls Tilney. While Robin poses as an apprentice in Shakespeare's Globe Theatre, Mel travels to the ancient Roman Empire and, with the help of double-agent Chira in Renaissance Florence, untangles the knotted threads of history while the diabolical Gráinne jumps from timeline to timeline, always staying frustratingly one step ahead—or is it behind? Historical objects disappear, cities literally rise and fall, and nothing less than the fate of humanity is at stake. As Gráinne sows chaos across time and space, the ragtag team of ex-D.O.D.O. agents must fix the past—in order to save the future. Critically acclaimed author Nicole Galland brings her deep knowledge of history and signature wit to this gripping romantic adventure.
