JAIRO GAGE

A Novel Sourcebooks, Inc.

From the award-winning, #1 New York Times bestselling author of *Wayward Son*, *Fangirl*, *Carry On*, and *Landline* comes a hilarious and heartfelt novel about an office romance that blossoms one email at a time.... Beth Fremont and Jennifer Scribner-Snyder know that somebody is monitoring their work e-mail. (Everybody in the newsroom knows. It's company policy.) But they can't quite bring themselves to take it seriously. They go on sending each other endless and endlessly hilarious e-mails, discussing every aspect of their personal lives. Meanwhile,

Lincoln O'Neill can't believe this is his job now—reading other people's e-mail. When he applied to be “internet security officer,” he pictured himself building firewalls and crushing hackers—not writing up a report every time a sports reporter forwards a dirty joke. When Lincoln comes across Beth's and Jennifer's messages, he knows he should turn them in. He can't help being entertained, and captivated, by their stories. But by the time Lincoln realizes he's falling for Beth, it's way too late to introduce himself. What would he even say...?

Ten years after her high-school graduation--and her failed

elopement with Logan Webster--Dani Quinn returns home for her tenth reunion, dreading a confrontation with the man she had betrayed and desperately struggling to find a way to come to terms with the past. Reprint.

Words in Deep Blue Simon and Schuster

In the year 1311, in the highest tower of Cloud of Sparrows Castle, a beautiful woman sits by the window, watching as enemies gather below and fires spread through the night. As she calmly awaits her fate, she begins to write, carefully setting down on a scroll the secret history of the Okumichi clan...of the gift of prophecy they share and the extraordinary destiny that awaits them. For six centuries, these remarkable writings lay hidden—until they are uncovered by an American woman, a missionary named Emily Gibson, who arrived in Edo harbor in 1861, in flight from a tragic past. Soon an extraordinary man would enter her life: Lord Genji of the Okumichi clan, a nobleman with a gift of prophecy who must defend his embattled family—and confront forbidden feelings for an outsider in his midst. Emily, too, soon finds herself at a turning point; courted by two westerners, she knows her heart belongs to the one man she cannot have. But Emily has found a mission of her own: translating Genji's ancestral history, losing herself in an epic tale of heroism and forbidden love. For here is the story of Lady Shizuka, the beautiful witch-princess who has enchanted Okumichi men for generations...of Genji's ancestors, Lord Hironobu and Lord Kiyori, and of the terrible betrayals that befell them...and of Genji's parents: a wastrel father and his child bride whose tragic love has shaped Genji as a leader and as a man. As Emily sifts through the fragile scrolls, she begins to see threads of

her own life woven into the ancient writings. And as past and present collide, a hidden history comes to life, and with it a secret prophecy that has been shrouded for centuries, and may now finally be revealed. Takashi Matsuoka's spellbinding novel is infused with spectacle, intricately woven, magically told. Autumn Bridge is a feast for the senses, a work of truly dazzling storytelling.

Beyond summarizing the three volumes on Persona, Shadow and Ego in the Map of the Soul series, this latest book explores the entire BTS album, start to finish, revealing profound insights into the collective psyche of BTS. The title of BTS's latest album, Map of the Soul: 7, captivates the mind with its suggestive and alluring imagery. It came as a surprise to many fans. Expected was an album that would follow upon Map of the Soul: Persona with songs about Shadow or Ego. While the new album does indeed include songs with these themes, it is much more complex and broader in vision than expected. The number 7 suggests mystery. It catches the mind's attention with its symbolic significance. What does this number mean in relation to the idea of a "map of the soul?" This book dives into this mystery and explores the unconscious reaches of our mind. Fans of BTS from around the world will marvel at the depth of meaning in the songs contained in Map of the Soul: 7. They take the listener into deep reflection upon the meaning of striving and ambition, the dangers of worldly success, and the amazing resiliency of the human spirit to recover and go on despite the pitfalls on life's journey. The songs themselves function as a map for souls who are setting out in life and engaging in challenging relationships.

The songs are reflective, mirroring what we find within ourselves in our struggles to become and to thrive. When you stand on the threshold of a new land, it is useful to have a map as your guide. The great psychologist of the 20th Century, Carl Jung, created a Map of the Soul that many people in his time found more than a little helpful, even lifesaving. It is even more so now, for people in the 21st Century, caught in the profound complexities of modern life. Armed with this map, people are better able to find their way successfully through life's journey. Today, BTS is putting this map into the hands of their fans. For this great service we are profoundly very grateful.

Terjemahan Dan Makna Surat 02 Al Baqarah (Sapi Betina) The Cow Edisi Bilingual Dalam Bahasa Inggris Dan Bahasa Indonesia. Surah Al-Baqarah (bahasa Indonesia: "Sapi Betina") adalah surah ke-2 dalam AlQur'an. Surah ini terdiri dari 286 ayat tergolong

surah Madaniyah. Surah ini merupakan surah dengan jumlah ayat terbanyak dalam AlQur'an. Surah ini dinamai al-Baqarah yang artinya Sapi Betina sebab di dalam surah ini terdapat kisah penyembelihan sapi betina yang diperintahkan Allah kepada Bani Israil. Surah ini juga dinamai Fustatul Qur'an (Puncak Al-Qur'an) karena memuat beberapa hukum yang tidak disebutkan dalam surah yang lain. Dinamai juga surah Alif Lam Mim karena ayat pertama di surah berisi tiga huruf arab yakni Alif, Lam, dan Mim. The Cow or Surah al-Baqarah is the second and longest chapter (Surah) of The Noble Qur'an. It consists of 286 verses. It is a Medinan surah, that is to say that it was revealed at Medina after the Hijrah, with the exception of a few verses which Muslims believe was revealed during the Farewell Pilgrimage, the last Hajj of Prophet Muhammad SAW. This is the longest Surah in The Noble Quran. It was the first Surah to be revealed at Medina, but different verses were revealed at different times, covering quite a long period so much so that the verses with regard to riba (interest or usury) were revealed in the final days of Prophet Muhammad SAW, after the conquest of Makkah (Maariful Quran). Verse 281 in this chapter was the last verse of The Noble Quran to be revealed, on the 10th of Dhul al Hijjah 10 A.H, when Prophet Muhammad SAW was in the course of performing his last Hajj, and only 80 or 90 days later he died (Qurtubi). Surah al-Baqarah enjoins fasting on the believer during the holy month of Ramadan.

Proper design of printed circuit boards can make the difference between a product passing emissions requirements during the first cycle or not. Traditional EMC design practices have been

simply rule-based, that is, a list of rules-of-thumb are presented to the board designers to implement. When a particular rule-of-thumb is difficult to implement, it is often ignored. After the product is built, it will often fail emission requirements and various time consuming and costly add-ons are then required. Proper EMC design does not require advanced degrees from universities, nor does it require strenuous mathematics. It does require a basic understanding of the underlying principles of the potential causes of EMC emissions. With this basic understanding, circuit board designers can make trade-off decisions during the design phase to ensure optimum EMC design. Consideration of these potential sources will allow the design to pass the emissions requirements the first time in the test laboratory. A number of other books have been published on EMC. Most are general books on EMC and do not focus on printed circuit board design. This book is intended to help EMC engineers and design engineers understand the potential sources of emissions and how to reduce, control, or eliminate these sources. This book is intended to be a 'hands-on' book, that is, designers should be able to apply the concepts in this book directly to their designs in the real-world.

The Courage to Reconcile Faith and Freedom Alaf 21

Arya Winters is your typical cozy heroine. She lives in a cottage in a small English village, and bakes for a living - well, she specializes in macabre desserts. She has nosy neighbors, who she avoids ruthlessly due to her social anxiety. And she has a keen interest in all things sexy, especially Branwell Beam, the writer next door. When her neighbor Tobias Yards turns up dead after eating poisoned tiramisu (definitely not poisoned when she

baked it), no one seems to connect it to Arya's Auntie Meera's recent death. Instead, they blame her excruciatingly average ex-boyfriend—and Tobias's nephew—and so she takes matters into her own hands. Now all she has to do to uncover the truth is to get over her aversion to Other People. Besides that, it's just a matter of getting beyond some yellow tape, dodging her former BFF Tallulah from secondary school, and getting into Branwell's pants—he seems strangely reluctant. What Arya doesn't realize is that the murderer is dangerous, preying on lonely people who've experienced trauma, and that she might have to do all she can not to become the next victim.

Following her internationally bestselling book *The Good Women of China*, Xinran has written one of the most powerful accounts of the lives of Chinese women. Her searing stories of mothers who have been driven to abandon their daughters or give them up for adoption is a masterful and significant work of literary reportage and oral history. Xinran has gained entrance to the most pained, secret chambers in the hearts of Chinese mothers—students, successful businesswomen, midwives, peasants—who have given up their daughters. Whether as a consequence of the single-child policy, destructive age-old traditions, or hideous economic necessity, these women had to give up their daughters for adoption; others even had to watch as their baby daughters were taken away at birth and drowned. Xinran beautifully portrays the “extra-birth guerrillas” who travel the roads and the railways, evading the system, trying to hold on to more than one baby; naïve young girl students who have made life-wrecking mistakes; the “pebble mother” on the banks of the Yangtze River still

looking into the depths for her stolen daughter; peasant women rejected by their families because they can't produce a male heir; and Little Snow, the orphaned baby fostered by Xinran but confiscated by the state. For parents of adopted Chinese children and for the children themselves, this is an indispensable, powerful, and intensely moving book. *Message from an Unknown Chinese Mother* is powered by love and by heartbreak and will stay with readers long after they have turned the final page. *ASEAN Summit Meeting, Bali, 23-25 Feb. 1976* Clarkson Potter

ALLAH, LIBERTY AND LOVE Bloomsbury Publishing USA

In this exhilarating culinary novel, a woman's road trip through Indonesia becomes a discovery of friendship, self, and other rare delicacies. Aruna is an epidemiologist dedicated to food and avian politics. One is heaven, the other earth. The two passions blend in unexpected ways when Aruna is asked to research a

handful of isolated bird flu cases reported across Indonesia. While it's put a crimp in her aunt's West Java farm, and made her own confit de canard highly questionable, the investigation does provide an irresistible opportunity. It's the perfect excuse to get away from corrupt and corrosive Jakarta and explore the spices of the far-flung regions of the islands with her three friends: a celebrity chef, a globe-trotting "foodist," and her coworker Farish. From Medan to Surabaya, Palembang to Pontianak, Aruna and her friends have their fill of local cuisine. With every delicious dish, she discovers there's so much more to food, politics, and friendship. Now, this liberating new perspective on her country--and on her life--will push her to pursue the things she's only dreamed of doing.

Supernova: The Knight, The Princess and the Falling Star presents a series of intertwined and unconventional love stories, straight and gay, with a bit of science and spirituality added to the mix. The major characters are young, urban, and technologically

highly aware. They are caught up in major forms of contemporary social conflict. The work has been highly acclaimed. The poet Taufiq Ismail has written: "A renewal has taken place in Indonesian literature over the past decade. *Supernova* is an intelligent, unique and truly exciting exploration of science, spirituality and the nature of love." The literary critic Jacob Soemardjo suggests: "This is an attractive novel by a young writer. It is an intellectual work in the form of a work of pop art, set in the real world. It opposes old values with new ways of understanding, so that readers can see the world in a different way."

New York Times bestseller "Neal combines spiritual reflection with medical facts to create lessons that are profound and eminently practical. . . an inspiring work any believer can enjoy." --Publishers Weekly In this inspired follow-up to her million-copy bestseller, *To Heaven and Back*, Dr. Mary Neal shares untold stories about her encounters with Jesus and powerful insights about how the reality of heaven can make each day magnificent. Dr. Mary Neal's unforgettable account of a 1999 kayaking accident that took her life, and what happened next, has riveted more than a million readers. But something happened as she shared her story in the years since. Not only did Neal realize she had more to tell, she discovered she had yet to answer the biggest question of all: How does knowing heaven is real change

our lives on Earth? "I have never finished speaking at a venue, including corporate settings, without people wanting to know more," says Dr. Neal. In *7 Lessons From Heaven*, Neal takes readers deeper into her experience, which includes encounters with angels, a journey to a "city of light," and what it was like to meet Jesus face-to-face. Even more, Neal shares how she was sent back with the absolute knowledge that the God we hope for--the one who knows us, loves each of us as though we are the only one, and wants us to experience joy in our daily life--is real and present. She offers practical insights and inspiration for how each of us can experience this God every day and begin living without regret, worry, anxiety, or fear.

Tripping Arcadia Polis Books

From debut author Kit Mayquist, a propulsive and atmospheric modern Gothic with all the splendor of *The Great Gatsby* . . . and all the secrets, lies, and darkness that opulence can hide. Med school dropout Lena is desperate for a job, any job, to help her parents, who are approaching bankruptcy after her father was injured and laid off nearly simultaneously. So when she is offered

a position, against all odds, working for one of Boston's most elite families, the illustrious and secretive Verdeaus, she knows she must accept it—no matter how bizarre the interview or how vague the job description. By day, she is assistant to the family doctor and his charge, Jonathan, the sickly, poetic, drunken heir to the family empire, who is as difficult as his illness is mysterious. By night, Lena discovers the more sinister side of the family, as she works overtime at their lavish parties, helping to hide their self-destructive tendencies . . . and trying not to fall for Jonathan's alluring sister, Audrey. But when she stumbles upon the knowledge that the Verdeau patriarch is the one responsible for the ruin of her own family, Lena vows to get revenge—a poison-filled quest that leads her further into this hedonistic world than she ever bargained for, forcing her to decide how much—and who—she's willing to sacrifice for payback. The perfect next read for fans of Mexican Gothic, *Tripping Arcadia* is a page-turning and shocking tale with an unforgettable protagonist that explores family legacy and inheritance, the sacrifices we must make to get by in today's world, and the intoxicating, dangerous power of wealth.
