*In Love- Till My Last Breath* Center Point  
I've imagined this in my head so many times. I've always thought about what I would say; what I would do, and how it would all turn out to be. And every time I would remove some detail . . . She's a flight attendant—young, bright and living her dream. He's a heartbroken singer on his way to becoming big. She's an ardent

fan of his. He can't imagine why and yet seems to find comfort in her words. It's the first time they are together and in their hearts both are wishing, hoping and praying that the night would never end. That the time they are spending together lasts and lasts... In the world of love, there is always someone perfectly right for you. *I Love You until My Last Breath* Simon and Schuster  
Crack open Ruby Redfort's second adventure — and you will literally be on the edge of your wits. Everyone's favorite girl detective is back for a second mind-

blowing installment, packed with all the off-the-wall humor, action, and friendship of the first book. This time, though, it's an adventure on the wide-open ocean, and Ruby is all at sea. . . . Can she crack the case of the Twinford pirates while evading the clutches of a vile sea monster as well as the evil Count von Viscount? Well, you wouldn't want to bet against her. *OF COURSE I LOVE YOU* Henry Holt and Company (BYR)  
Falling under the spell of an enigmatic extreme-sports surfer, a thrill-seeking pair of western Australian adolescents is

initiated into a world of high-stakes adventures and dangerous boundary testing.

Till the Last Breath . . . Macmillan

"Sleep is one of the most important but least understood aspects of our life, wellness, and longevity ... An explosion of scientific discoveries in the last twenty years has shed new light on this fundamental aspect of our lives. Now ... neuroscientist and sleep expert Matthew Walker gives us a new understanding of the vital importance of sleep and dreaming"--Amazon.com.

*Moby Dick* Penguin

After watching her parents brutally murdered when she was only nine. Niah is plunged into a world of brutality, never knowing why they were killed. She sets her eyes on revenge, but the answers come at a price. The revenge she gets may not be quite as she had always imagined, as she has to come to terms with the truth. Niah must learn how to battle the real demons on Earth, while battling with her inner demons looming over her. She must learn to trust. to work as a team. and maybe even learn what friendship means.

**The Last Breath** Penguin

A Seattle reporter is stalked by a serial killer in this psychological thriller by the New York Times bestselling author of *The Bad Sister*. A young Portland couple is brutally murdered in a game gone awry. A Chicago woman plummets to her death from an office building. An aspiring screenwriter is asphyxiated in his New York apartment. At first, the deaths seem random. But then television reporter Sydney Jordan starts receiving macabre souvenirs that hint at a connection—one that is both personal and terrifying. When her life fell apart in Chicago, Sydney fled to Seattle with her teenage son. But instead of getting a fresh start, Sydney is plagued by strange occurrences. Someone is watching her closely—someone who knows her intimately. She is his chosen one. Every murder is a piece of a tisted puzzle designed for her. Soon, Sydney will understand why each victim had to suffer—and why she's next in line.

Final Breath HarperCollins

When Pihu and Dushyant are wheeled into room 509 of GKL Hospital, all they know is that their lives are in the worst possible moment. Pihu has an incurable, fatal

disease, and Dushyant's reckless addiction has begun to shut down his organs. Their only hope is to put their lives in the hands of their brilliant doctors. All they know is that they are looking at a terrifying death coming for them. But will they find love along the way? When Pihu and Dushyant were first admitted to GKL Hospital and were assigned the same room, no one, especially not their doctors, could have imagined how their lives were going to transform in the course of a month. From surprising sparks of medical brilliance to unexpectedly tender moments, room 509 bore witness to a host of miracles. But can it bring everlasting happiness to its occupants? Read on to find out what fate has in store for Pihu and Dushyant and their doctors in this final instalment of Durjoy Datta's compelling story *Till the Last Breath . . .*

**Breath** Simon and Schuster

A serial killer known as the Cowboy is killing young women in cheap motels in North Seattle. Even after a stalker leaves a menacing message for Crosswhite, suggesting the killer or a copycat could be targeting her personally, she is charged with bringing the murderer to justice. Still

scarred after the sensational retrial of her sister's killer, and with clues scarce, Tracy realizes the key may lie in a decade-old homicide investigation that others would prefer to keep buried.

**Pocket Book of Hospital Care for Children** Bookouture

#1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST • This inspiring, exquisitely observed memoir finds hope and beauty in the face of insurmountable odds as an idealistic young neurosurgeon attempts to answer the question What makes a life worth living? NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • People • NPR • The Washington Post • Slate • Harper's Bazaar • Time Out New York • Publishers Weekly • BookPage Finalist for the PEN Center USA Literary Award in Creative Nonfiction and the Books for a Better Life Award in Inspirational Memoir At the age of thirty-six, on the verge of completing a decade's worth of training as a neurosurgeon, Paul Kalanithi was diagnosed with stage IV lung cancer. One day he was a doctor treating the dying, and the next he was a patient

struggling to live. And just like that, the future he and his wife had imagined evaporated. When *Breath Becomes Air* chronicles Kalanithi's transformation from a naïve medical student "possessed," as he wrote, "by the question of what, given that all organisms die, makes a virtuous and meaningful life" into a neurosurgeon at Stanford working in the brain, the most critical place for human identity, and finally into a patient and new father confronting his own mortality. What makes life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir. Paul Kalanithi died in March 2015, while working on this book, yet his words live on as a guide and a gift to us all. "I began to realize that coming face to face with my own mortality, in a sense, had changed nothing and everything," he wrote. "Seven words from Samuel Beckett began to repeat in my head: 'I can't go on. I'll go on.'" When

*Breath Becomes Air* is an unforgettable, life-affirming reflection on the challenge of facing death and on the relationship between doctor and patient, from a brilliant writer who became both.

**A Breath Too Late** Penguin Random House India Private Limited

Connor Price has seen his fair share of violence and mayhem. Being a vampire hunter in Detroit, it kind of comes with the territory. He met his boyfriend while staking a bloodsucker, his best friend is a fellow hunter and when he's not engaging in hand-to-hand combat with monsters he's usually bragging about a recent kill (in between swallows of Miller Lite and greasy food). In a harrowing tale of sex, blood and sadism Connor finds himself in the spotlight of his foes. He endures tortures of various kinds at the hands of Randall Sullivan-a centuries-old vampire with an insatiable appetite for pain and amusement- as well as other members of the coven. In the vampires' lair Connor discovers that all leeches aren't the same, and that some of them crave more than just his blood. \*Life After Last Breath is written in short chapters that keep you going well into the night. It is

recommended for a mature audience, as it contains themes of explicit violence, sex, and noncon situations.

*Till the Last Breath* . . . Sphere

The Guardian's Best Science Book of 2017: the fascinating science and history of the air we breathe. It's invisible. It's ever-present. Without it, you would die in minutes. And it has an epic story to tell. In *Caesar's Last Breath*, New York Times bestselling author Sam Kean takes us on a journey through the periodic table, around the globe, and across time to tell the story of the air we breathe, which, it turns out, is also the story of earth and our existence on it. With every breath, you literally inhale the history of the world. On the ides of March, 44 BC, Julius Caesar died of stab wounds on the Senate floor, but the story of his last breath is still unfolding; in fact, you're probably inhaling some of it now. Of the sextillions of molecules entering or leaving your lungs at this moment, some might well bear traces of Cleopatra's perfumes, German mustard gas, particles exhaled by dinosaurs or emitted by atomic bombs, even remnants of stardust from the universe's creation. Tracing the origins and ingredients of our atmosphere, Kean

reveals how the alchemy of air reshaped our continents, steered human progress, powered revolutions, and continues to influence everything we do. Along the way, we'll swim with radioactive pigs, witness the most important chemical reactions humans have discovered, and join the crowd at the Moulin Rouge for some of the crudest performance art of all time. Lively, witty, and filled with the astounding science of ordinary life, *Caesar's Last Breath* illuminates the science stories swirling around us every second.

*My Final Breath* Pinnacle Books

A New York Times Bestseller A Washington Post Notable Nonfiction Book of 2020 Named a Best Book of 2020 by NPR "A fascinating scientific, cultural, spiritual and evolutionary history of the way humans breathe—and how we've all been doing it wrong for a long, long time." —Elizabeth Gilbert, author of *Big Magic* and *Eat Pray Love* No matter what you eat, how much you exercise, how skinny or young or wise you are, none of it matters if you're not breathing properly. There is nothing more essential to our health and well-being than breathing: take air in, let it out, repeat

twenty-five thousand times a day. Yet, as a species, humans have lost the ability to breathe correctly, with grave consequences. Journalist James Nestor travels the world to figure out what went wrong and how to fix it. The answers aren't found in pulmonology labs, as we might expect, but in the muddy digs of ancient burial sites, secret Soviet facilities, New Jersey choir schools, and the smoggy streets of São Paulo. Nestor tracks down men and women exploring the hidden science behind ancient breathing practices like Pranayama, Sudarshan Kriya, and Tummo and teams up with pulmonary tinkerers to scientifically test long-held beliefs about how we breathe. Modern research is showing us that making even slight adjustments to the way we inhale and exhale can jump-start athletic performance; rejuvenate internal organs; halt snoring, asthma, and autoimmune disease; and even straighten scoliotic spines. None of this should be possible, and yet it is. Drawing on thousands of years of medical texts and recent cutting-edge studies in pulmonology, psychology, biochemistry, and human physiology, *Breath* turns the conventional wisdom of

what we thought we knew about our most basic biological function on its head. You will never breathe the same again.

*Last Breath* ABDO Publishing Company  
With her boss preoccupied researching the Founder Houses in Morganville, student Claire Danvers is left to her own devices when she learns that three vampires have vanished without a trace. She soon discovers that the last person seen with one of the missing vampires is someone new to town—a mysterious individual named Magnus. After an uneasy encounter with Morganville's latest resident, Claire is certain Magnus isn't merely human. But is he a vampire—or something else entirely?

*The Sons of Philo Gaines* Revell  
Josie presses her hands into the center of the drowned girl's chest and pumps, counting off compressions. She takes in the girl's beautiful face, her brown eyes glassy. Breathe. Just breathe... The body of a young girl lying face down in a swimming pool—white tennis shoes still on her feet, chestnut hair fanned out like a halo—is the last thing Detective Josie Quinn expects to find on an early morning visit to see her brother before class at

Denton University. But when she recognizes the girl's face as she drags her limp body from the water, there's only one question racing through Josie's mind: how does a champion swimmer accidentally drown? Nysa Somers' family are distraught. She was a model student, beloved daughter and everybody's friend. There's no way she would do anything reckless enough to put her scholarship at risk, let alone her life. It's up to Josie and her team to piece together what happened in the hours leading up to Nysa's death, and that begins with finding her missing backpack. But the bag, discarded in the woods on the nearby campus, contains nothing more than empty food wrappers, Nysa's phone and a cryptic calendar entry telling her to be a mermaid. The next day, a terrible housefire envelops the nearby home of a retired fireman, nearly killing his two granddaughters. The last words the little girls heard him mutter before he set the blaze were, be a match. As the body count rises, it's only Josie who can see the deadly pattern forming. Can she convince her team that the wrapper found in Nysa's bag is the crucial link they're missing? Josie knows she must go it alone

if she's going to stop this silent and calculated serial killer before any more precious lives are taken. But with the killer finally in her sights, Josie takes a dangerous risk and finds herself hanging onto life by her fingernails. Can she trust her team to save her, and before it's too late? An unputdownable and nail-biting crime thriller from an Amazon, USA Today and Wall Street Journal bestselling author. Perfect for fans of Angela Marsons, Robert Dugoni and Rachel Caine. Everyone is talking about *Breathe Your Last*:  
'Absolutely brilliant!!!! One hell of a rollercoaster ride, with so many twists and turns it'll make you dizzy!! It's energetic, exciting, thrilling and nerve-wracking!!... will have you shouting O.M.G. at every page!!' Stardust Book Reviews, 5 stars  
'Brilliant, nail-biting, rollercoaster of a ride... There were times I gasped "Oh No!" and shed a few tears... a super novel.' NetGalley reviewer, 5 stars  
'Wow! Great story. There was one moment where I completely froze in shock... Can't wait for the next one!' Rachel Owl Books, 5 stars  
'An absolutely brilliant book. I was totally gripped from the first page. Full of intrigue and psychological thrills. A really fast-

paced book. The ending is a total wow!!' Goodreads Reviewer, 5 stars 'Wow, what a rollercoaster of a thrill ride! Absolutely loved this book it had me hooked from page one... five stars.' Goodreads reviewer, 5 stars 'Wow, wow, wow!... blew me away... so much nail-biting action. I really thought I was going to have no nails left by the end of this book... Just loved it so much.' Blue Moon Blogger, 5 stars  
*Last Breath* Simon and Schuster  
 ONE LAST STEP (A Tara Mills Mystery—Book One) is the debut novel in a new FBI mystery series by debut author Sarah Sutton. Two hikers go missing along the Appalachian Trail, leaving only a bloodstained forest behind them, and when another hiker collapses on someone's porch in New Hampshire, murdered by crossbow, the local police realize they have a serial killer on their hands--and need to call in the FBI. FBI Agent Tara Mills is young, brilliant and new to the force. With a promising career in

front of her, she faces the ultimate test when she is assigned the case. It soon proves to be more challenging than she ever could have imagined--an impossible riddle that leaves even her seasoned partner stumped. Meanwhile, something about the case stirs a darkness within her—a tortured past that even her long-term boyfriend doesn't fully understand. As nightmares consume her, she only hopes that her past will not come back to ruin her once again. As more hikers go missing, and with her job on the line, Tara finds herself on a race against time as she combs through the forest's trails. Peeling back each layer, she soon realizes that she is up against a true diabolical mastermind. And just when she thinks she has it all figured out, her instincts lead her to the most shocking truth of all. Book #2 in the series—ONE LAST BREATH—is also now available! "First read by this new upcoming author and she has a winner with this series. Suspenseful from beginning to end." --Goodreads Reviewer, 5 stars "I was pulled in from the very start...in my mind it played out just like a movie." --Goodreads Reviewer, 5 stars "Absolutely loved this first in the series

from start to finish. Fast paced and easy to follow with a storyline that was tense and exciting, I found it hard to put down." -- Goodreads Reviewer, 5 stars  
*Last Breath* Penguin UK  
 When Pihu and Dushyant are wheeled into room 509 of GKL Hospital, all they know is that their lives are in the worst possible moment. Pihu has an incurable, fatal disease, and Dushyant's reckless addiction has begun to shut down his organs. Their only hope is to put their lives in the hands of their brilliant doctors. All they know is that they are looking at a terrifying death coming for them. But will they find love along the way? If Pihu could diagnose herself with ALS, then she knows what lies ahead for her. But she also knows she has to do everything in her power—before her body gives up on her—to delay the very thing that could kill her. In the biggest race against time, will she manage to get what she wants? Read on to get a deeper glimpse into the lives of GKL Hospital's most peculiar patients and their doctors in this next instalment of Durjoy Datta's *Till the Last Breath* . . .  
*When Breath Becomes Air* Penguin UK  
 This best-selling tale is based on the

biblical figures of David, Saul, and Absalom. For the many Christians who have experienced pain, loss, and heartache at the hands of other believers, this compelling story offers comfort, healing, and hope. Christian leaders and directors of religious movements throughout the world have recommended this simple, powerful, and beautiful story to their members and staff. You will want to join the thousands who have been profoundly touched by this incomparable story.

*Breath* Little, Brown

The Pocket Book is for use by doctors nurses and other health workers who are responsible for the care of young children at the first level referral hospitals. This second edition is based on evidence from several WHO updated and published clinical guidelines. It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines. In some settings these guidelines can be used in any facilities where sick children are admitted

for inpatient care. The Pocket Book is one of a series of documents and tools that support the Integrated Managem.

*A Tale of Three Kings* Macmillan

Protecting someone always comes at a cost. At the age of thirteen, Charlie Quinn's childhood came to an abrupt and devastating end. Two men, with a grudge against her lawyer father, broke into her home—and after that shocking night, Charlie's world was never the same. Now a lawyer herself, Charlie has made it her mission to defend those with no one else to turn to. So when Flora Faulkner, a motherless teen, begs for help, Charlie is reminded of her own past, and is powerless to say no. But honor-student Flora is in far deeper trouble than Charlie could ever have anticipated. Soon she must ask herself: How far should she go to protect her client? And can she truly believe everything she is being told? Razor-sharp and lightning-fast, this electrifying story from the #1 international bestselling author will leave you

breathless. And be sure to read Karin Slaughter's extraordinary new novel *The Good Daughter*—available August 22, 2017.

**Her Final Breath** Tyndale House Publishers, Inc.

When death is that close, will your heart skip a beat? Two patients are admitted to room no. 509. One is a brilliant nineteen-year-old medical student, suffering from an incurable, fatal disease. She counts every extra breath as a blessing. The other is a twenty-five-year-old drug addict whose organs are slowly giving up. He can't wait to get rid of his body. To him, the sooner the better. Two reputed doctors, fighting their own demons from the past, are trying everything to keep these two patients alive, even putting their medical licences at risk. These last days in the hospital change the two patients, their doctors and all the other people around them in ways they had never imagined. *Till the Last Breath* is a deeply sensitive story that reminds us what it means to be alive.
