MCMAHON ELIANNA

Daily Academic Vocabulary, Grade 3 Teaching Resources
Develop your grade 4 students sentence editing, punctuation, grammar, vocabulary, word study, and reference skills using 180 focused 10- to 15-minute daily activities.

180 Lessons and 18 Assessments; 36 Weeks of Lessons Mark Twain Media

General Science: Daily Bell Ringers for grades 5 to 8 features daily activities that prepare students for assessment expectations. Aligned to current state standards, this science supplement offers review and additional practice to strengthen skills and improve test performance. --Mark Twain Media Publishing Company specializes in providing engaging supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, this product line covers a range of subjects including math, science, language arts, social studies, history, government, fine arts, and character.

180 Lessons and 18 Assessments Carson-Dellosa Publishing
Lesson plans and activities to help teach basic science to elementary school level students.

180 Math Problems for Every Day of the School Year Carson-Dellosa Publishing

Collection of activities for daily use that review language arts concepts such as sentence editing, punctuation, grammar, vocabulary, spelling, and comprehension skills.

Practice, Assess, Diagnose Teacher Created Materials
Common Core Science 4 Today: Daily Skill Practice provides the perfect standards-based activities for each day of the week. Reinforce science topics and the math and language arts Common Core State Standards all year long in only 10 minutes a day! Weeks are separated by science topic so they may be completed in the order that best complements your science curriculum. Review essential skills during a four-day period and assess on the fifth day for easy progress monitoring. Common Core Science 4 Today series for kindergarten through fifth grade

covers 40 weeks of science topics with engaging, cross-curricular activities. Common Core Science 4 Today includes a Common Core Standards Alignment Matrix, and shows the standards covered on the assessment for the week for easy planning and documentation. Common Core Science 4 Today will make integrating science practice into daily classroom instruction a breeze!

Common Core Science 4 Today, Grade 3 Carson-Dellosa Publishing

Using standardized testing formats, math skills are kept sharp with focused practice in computation, word problems, graphing, measurement and numbers. Includes scope and sequence charts and answer keys.

Evan-Moor Corporation

Describes the philosophy of the Daily 5 teaching structure and includes a collection of literacy tasks for students to complete daily.

Grade 3, Class Pack Evan-Moor Corporation

Scientifically proven: Daily Word Problems frequent, focused practice leads to mastery and retention of the math skills practiced.

Grade 6+ Teacher Created Materials

Lesson plans and activities to teach science to middle school students.

Daily Science Evan Moor Educational Publishers

Lesson plans and activities to teach science to elementary level students.

Daily Warm-Ups: Science Grade 2 Carson-Dellosa Publishing

Supplement your science curriculum with 180 days of daily practice! This invaluable classroom resource provides teachers with weekly science units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze and evaluate scientific data and scenarios, improve their understanding of science and engineering practices, answer constructed-response questions, and increase their higher-order thinking skills. Each week covers a particular topic within one of three science strands: life science, physical science, and Earth and space science. Aligned to Next Generation Science Standards (NGSS) and state standards, this resource includes digital

materials. Provide students with the skills they need to think like scientists with this essential resource!

Provide your students with frequent, focused skills practice with this Reproducible Teacher's Edition. The reproducible format and additional teacher resources give you everything you need to help students master and retain basic skills.

Student Practice Books 5-pack Evan-Moor

Supplement your language arts block with 180 days of daily spelling and word work practice! This third grade spelling workbook provides teachers with weekly spelling and word study

units that are easy to incorporate into the classroom or home. Perfect for after school, intervention, or homework, teachers and parents can help students gain daily practice through these quick activities that correlate to state and national standards. Arranged into weekly units, the worksheets feature fun activities for third grade students such as analogies, word sorts, homophones, sentence completions, sentence types, inflectional endings, prefixes, suffixes, synonyms, antonyms, and more! The repetitive structure helps students focus on the words rather than the activities and allows for more independent practice. Provide fun, engaging, and purposeful practice for your students with this must-have student workbook that includes digital materials.

Daily Oral Language, Grades 3 - 5 Teacher Created Materials

Supplement your social studies curriculum with 180 days of daily practice! This essential classroom resource provides teachers with weekly social studies units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze primary sources, answer text-dependent questions, and improve their grade-level social studies knowledge. Each week covers a particular topic within one of the four social studies

disciplines: history, economics, civics, and geography. Aligned to the National Council for the Social Studies (NCSS) and state standards, this social studies workbook includes digital materials.

Daily Learning Drills, Grade 3 Isha Enterprises

Fit standards-based science instruction into your curriculum! Help your grade 2 students develop a genuine understanding of standards-based scientific concepts and vocabulary using the 150 engaging activities in Daily Science! A variety of rich resources, including vocabulary practice, hands-on science activities, and comprehension tests in multiple-choice format, help you successfully introduce students to earth, life, and physical science concepts.

General Science, Grades 5 - 8 Daily Reading Comprehension

Daily Learning Drills provides complete daily practice for essential third grade skills. Topics include adjectives and adverbs, using quotation marks, vocabulary development, multiplication, word problems, using graphs, states and capitals, and many more.

Daily Learning Drills provides complete daily practice for essential school skills. Learning activities support the Common Core State Standards and cover English language arts and reading, math,

science, and social studies. A review section reinforces skills for each subject area. With Daily Learning Drills, students will find the skills and practice they need for school success.

Daily Math Warm-Ups, Grade 3 Evan Moor Educational Publishers

Make sure students use their skills, not lose them, with a daily dose of oral language! Daily Oral Language is a comprehensive guide for third- through fifth-grade teachers to prepare readers and writers with grammar, editing, and vocabulary skills and familiarize students with standardized test-taking practices. It includes 180 brief daily oral exercises with instructions for use, 18 multiple choice assessments with instructions for use, extension activities, a reproducible guide to proofreader's marks, and an answer key. This 96-page book aligns with Common Core State Standards, as well as state, national, and Canadian provincial standards.

Daily Language Review Grade 3 Evan-Moor

The teacher's edition contains reproducible student activity pages, and accompanying teacher support, answer key, and skills charts.
