SIERRA HUDSON

60 Original Song Lyrics Watkins Glen,
N.Y. : Century House

Early in the century, Marie Dressler was hailed as one of America's finest comics, with a 20-year string of Broadway and vaudeville successes including *The Lady Slavey*, *Miss Prinnt*, *Higgledy Piggledy*, *The Man in the Moon*, and *Tillie's Nightmare*. She starred with Charlie Chaplin in the first ever feature-length comedy *Tillie's Punctured Romance* and later in *Min and Bill* for which she won an Academy Award. A brilliant comedienne in body, timing, inflection and reactions, her talents far exceeded the expectations of slapstick, and her movies earned sums far greater than those of Garbo, or Harlow, or even Gable. This work examines Dressler's life from vaudeville to talkies. Based on extensive research and interviews with Dressler's surviving friends, co-stars and colleagues, including Maureen O'Sullivan, Jackie Cooper and Anita Page, it details her public and personal successes and failures. A listing of her stage appearances, vocal recordings and films is included.

Is there a recording of the songs from *Smile*? How many scores by Sondheim have been recorded in the past ten years? Answers to these and other such questions can be found in this unique volume. All shows are listed alphabetically, and essential information is included for each song, as well as other recordings of the same score and

who recorded them. There are performer, composer, lyricist, and musical director indexes, making this a user-friendly reference. This volume, along with the author's previous discographies (Greenwood 1987, 1989, 1990), provides a definitive reference source for recorded musicals—from Broadway, Hollywood, television, or merely hoping-to-be-produced—up to 1995. The work is useful not only to scholars and students but also to the collector of musical show recordings. Show recordings are listed by title in alphabetical order. Each song is listed in the order it was recorded on the album or CD, and the performer of the song is given. The recording is identified by composer, lyricist, and musical director, as well as the date of original production and date of this particular recording. There is a chronology of all shows included in this volume, and there are two indexes: one by performer and one by composer, lyricist, and musical director.

The 1910s shaped the future of the American musical. In *The Complete Book of 1910s Broadway Musicals*, Dan Dietz covers all 312 musicals that opened on Broadway during this decade. Among the shows discussed are *The Balkan Princess*, *The Kiss Waltz*, *Naughty Marietta*, *The Firefly*, *Very Good Eddie*, *Leave It to Jane*, *Watch Your Step*, *See America First*, and *La-La-Lucille*. Dietz places each musical in its historical context, including the women's suffrage movement and the decade's defining historical event, World War I. Each entry features the following: Plot summary Cast members Creative team, including writers, lyricists, composers,

directors, choreographers, and producers Opening and closing dates Number of performances Critical commentary Musical numbers and the performers who introduced the songs Numerous appendixes include a chronology, discography, filmography, Gilbert and Sullivan productions, Princess Theatre musicals, musicals with World War I themes, and published scripts, making this book a comprehensive and significant resource. "The Gershwin Years is the chronicle of how it all happened, from George's early days as a song plugger and Ira's first attempts at lyric writing while he was a steam-bath attendant through their subsequent conquest of Broadway and Hollywood. There are pictures and anecdotes about such associates and friends as Irving Berlin, Jerome Kern, the Astaires, Gertrude Lawrence and Maurice Ravel, scenes from musicals and movies, snapshots from the family album, sketches and paintings by both George and Ira. Also included are a new critical bibliography, a revised comprehensive listing of all the Gershwins' compositions, complete with show sources and dates of first performances, and a new "informal discography" of what the authors consider to be the best available recordings of the Gershwin's fabulous legacy, written in collaboration with Kay Swift."--Inside flap.

How do filmmakers guide viewers through the frame using the movement of bodies on screen? What do they seek to communicate with their cinematic choreography, and how were those choices shaped by industrial conditions? This book is about the powerful relationship between human movement and cinema. It demonstrates how filmmakers have used moving bodies and dance as key storytelling elements and how media industries' changing investment in this aspect of film style impacts filmmakers' choices in portraying movement on screen.

In *Magic to Do*, which celebrates the 50th anniversary of *Pippin*'s opening, two-time Pulitzer Prize jury member Elysa Gardner turns her attention to this innovative show, the musical retelling of

the story of Prince Pippin, son of Charlemagne, and his quest for an "extraordinary life." *Magic to Do* dives deep into the legendary clashes, backstage drama, and incredible artistic synergy that produced one of Broadway's most influential musicals, a show that paved the way for the pop-informed musicals that we know and love today. Full of big personalities, brilliant creative minds, and never-before-told stories, *Magic to Do* is an intimate look at a moment in history, a time and a place in which popular culture was as defined by conflict—between the young and the old, idealism and cynicism, creation and destruction—as anything else. Gardner draws out this friction through her examination of the creative struggles between Pippin's director/choreographer, the iconic Bob Fosse, for whom the show would mark a massive career resurgence, and its young composer/lyricist, Stephen Schwartz (of *Wicked* fame), who was making his Broadway debut. *Magic to Do*, named for the opening song of the musical, clearly marks the lasting cultural significance of

Pippin, which derives in large part from the timelessness of the search for self, one that presents itself anew to each succeeding generation, accounting for the show's enduring popularity around the world. Infused with R&B sounds and a universal message, it is fair to say that, without Pippin, there is no *Spring Awakening*, *Dear Evan Hansen*, or even *Hamilton*.
