I Am Kind follows a little girl who sees kindness all around her. Her mother is kind when she volunteers in the community, and her neighbor is kind when he gives her strawberries from his garden. Even her nature troop is kind when they take care of the earth! The little girl realizes that she, too, has the power to be kind, and that even small actions can have a big impact. In this new installment of the Positive Power early reader series, children will learn the affirmation "I am kind" through an encouraging story of community and everyday kindness. 'A book to take readers into another world.' - Caroline Jones AO, presenter, Australian Story 'A raw, honest story that needs to be heard.' - Tony Park, bestselling author of *An Empty Coast* 'This mesmerizing book is not just about a love of elephants, it is also about the indomitable spirit of someone who followed her passion.' - Cynthia Moss, world-renowned elephant specialist, celebrated in the BBC's *Echo of the Elephants* In 2001, Sharon Pincott traded her privileged life as a high-flying corporate executive to start a new one with the Presidential Elephants of Zimbabwe. She was unpaid, untrained, self-funded and arrived with the starry-eyed idealism of most foreigners during early encounters with Africa. For thirteen years - the worst in Zimbabwe's volatile history - this intrepid Australian woman lived in the Hwange bush fighting for the lives of these elephants, forming an extraordinary and life-changing bond with them. Powerfully moving, sometimes disturbing and often very funny, *Elephant Dawn* is a celebration of love, courage and honour amongst our greatest land mammals. With resilience beyond measure, Sharon earns the supreme right to call them family.

"Reluctant readers and fans of the Wimpy Kid series and its ilk will appreciate the book's dynamic

type, graphics galore, cartoonish illustrations, and ironic footnotes."—Kirkus Don't call him scaredy-cat Sam, because Sam Wu IS NOT AFRAID of ghosts! Except . . . he totally is. Can he conquer his fear by facing the ghost that lives in the walls of his house? After an unfortunate (and very embarrassing) incident in the Space Museum, Sam goes on a mission to prove to the school bully, and all his friends, that he's not afraid of anything—just like the heroes on his favorite show, *Space Blasters*. And when it looks like his house is haunted, Sam gets the chance to prove how brave he can be. A funny, touching, and charming story of ghost hunting, escaped pet snakes, and cats with attitude!

CHOOSING BETWEEN PARENTS AND FRIENDS Candyfloss is the perfect introduction to Jacqueline Wilson. When Floss's mother and stepfather announce they are moving to Australia for six months, Floss has to decide whether to go with them or stay home with Dad--inept, but loving and always lots of fun. And how will her choice affect her friendship with her popular but not-so-loyal best friend, Rhiannon? About girls everywhere, for girls everywhere, Candyfloss speaks in universals: it's about friendship, family, and growing up in a complicated world. Like all Wilson's novels, it has an honesty and cheerful integrity that offers a real alternative to the materialistic values of so much fiction aimed at girls.

"Georgia Pritchett is a singularly hilarious person. Her book is a delightful and perfect reflection of her. Its tenderness sneaks up on you and really packs a punch. What a magnificent read!"—Julia Louis Dreyfus Jenny Lawson meets Nora Ephron in this joyful memoir-in-vignettes on living—and thriving—with anxiety from a multiple Emmy Award-winning comedy writer whose credits include *Succession* and *Veep*. When Georgia Pritchett found herself lost for words—a bit of a predicament for a comedy writer—she turned to a therapist, who suggested she try writing down some of the things that worried her. But instead of a grocery list of concerns, Georgia wrote this book. A natural born

worrywart, Georgia's life has been defined by her quirky anxiety. During childhood, she was agitated about the monsters under her bed (Were they comfy enough?). Going into labor, she fretted about making a fuss ("Sorry to interrupt, but the baby is coming out of my body," I said politely). Winning a prestigious award, she agonized over receiving free gifts after the ceremony (It was an excruciating experience. Mortifying). Soul-baring yet lighthearted, poignant yet written with a healthy dose of self-deprecation, *My Mess Is a Bit of a Life* is a tour through the carnival funhouse of Georgia's life, from her anxiety-ridden early childhood where disaster loomed around every corner (When I was little I used to think that sheep were clouds that had fallen to earth. On cloudy days I used to worry that I would be squashed by a sheep), through the challenges of breaking into an industry dominated by male writers, to the exquisite terror (and incomparable joy) of raising children. Delightfully offbeat, painfully honest, full of surprising wonders, and delivering plenty of hilarious, laugh-out-loud moments, *My Mess Is a Bit of a Life* reveals a talented, vulnerable, and strong woman in all her wisecracking weirdness, and makes us love it—and her—too.
