Pearson UK

Interchange is a three-level course for learners of English as a foreign language. Written in American English, Interchange reflects the fact that English is a language of international communication. The multi-skills syllabus

on which the course is based integrates structural, functional, lexical, phonological, situational and thematic syllabuses, while the methodology emphasises a communicative approach, focusing on both accuracy and fluency. Interchange is attractively designed to appeal to adult and young adult learners who want a course that provides them with extensive opportunities to express their own ideas and opinions, while developing the skills they need to communicate effectively in English. Key Features of the Course are: - Snapshots' contain interesting real-world information to stimulate thought and discussion related to the themes of the units - Conversations present structures and functions in a situational context and serve as language models for speaking tasks - 'Word Power' exercises present and practice key language used in each unit - Pair work, group work, and role-play activities provide freer and more personalised practice of the language - All four skills are developed through discrete exercises and within integrated activities - Special tasks called 'Interchange activities' provide a communicative extension to each unit, allowing learners to use the language they have acquired in creative ways - Review units after every three units review and recycle material - Tests accompanying the review units are in the teacher's book and are photocopiable - Interchange was field-tested widely in many countries before publication Level 1 takes learners from false-beginner to low-intermediate level, presenting and practising basic language items with opportunities for personalisation right from the start. Level 2 extends and develops language from Level 1, through a range of motivating material, taking learners up

to the intermediate level. For intermediate learners and above, Level 3 further extends the grammatical, functional and lexical skills of learners, with challenging contemporary readings and recordings.

New Interchange is the second edition of Interchange, one of the world's most successful English courses for adult and young adult learners at the beginning to intermediate levels. New Interchange incorporates suggestions from students and teachers using the first edition from around the world. It offers more comprehensive grammar presentation and practice, more opportunities to develop listening skills and build fluency, as well as fresh new content in every unit. New Interchange features high-interest topics, a focus on both accuracy and fluency, and a multi-skills syllabus integrating themes, structures, functions, vocabulary, and pronunciation. The underlying philosophy of the course is that language is best learned when used for meaningful communication. New Interchange is written in American English, but reflects the fact that English is the major language of international communication, and is not limited to any one country, region, or culture.
