The first book from LA
Times Book Prize and
Printz Honor winner A.S.
King--a witty, snarky tale
of love and family,
revenge and
reincarnation, and pirates.
In the late seventeenth

century, famed teenage
pirate Emer Morrisey was
on the cusp of escaping
the pirate life with her one
true love and
unfathomable riches when
she was slain and cursed
with "the dust of one
hundred dogs," dooming
her to one hundred lives
as a dog before returning
to a human body-with her
memories intact. Now
she's a contemporary
American teenager and all
she needs to escape her

no-good family and
establish a luxurious life
of her own is a shovel and
a ride to Jamaica...
Hold'em Poker Dimat
Enterprises
Two-time world champion
Doyle Brunson, shows
how to win big-time
money online or play for
free. From the basics of
getting started the rules
of the games, best sites to
play, and online safety
features to the winning
strategies of poker

(including hold'em and 7-card stud) and 25 online-specific strategies, Doyle shows you the inside path to profits. Learn how to spot online tells, the real truth about bluffing, and how to extract more money against online players they're weaker to earn more profits.

Includes free CD (\$25 value) featuring an online heads-up match between Doyle and Mike Caro with hand-by-hand strategy advice and winning tips. 192 pages

Leading poker experts discuss how to study,

play and master NLHE
Huntington Press Inc
Poker star Dusty Schmidt presents his first book [→] one that stands to shake up poker in the same way Moneyball did for baseball. Schmidt offers an inspiring look at how in just five years, he went from not knowing a thing about poker to netting a seven-figure annual income. Far from a mathematical or technological genius, Schmidt says what guides him through is a fundamental understanding of

business. Treat Your Poker Like A Business provides a foundation upon which all poker will be evaluated in the future, and will help an entire generation of poker players evolve their games into empires. A consummate "grinder," Dusty Schmidt has played nearly 7 million hands of online poker over more than 10,000 hours during his five-year career. He's won over \$3 million during that period, and has never experienced a losing month. In 2007, he achieved Poker Stars' SuperNova Elite status in

just eight months while playing high-stakes cash games exclusively. Schmidt posted the world's highest win rate in both 5/10 NL and 10/20 NL in both 2007 and 2008. In a four-month period between Nov. 2007 and Feb. 2008, Schmidt won in excess of \$600,000 in high-stakes cash games. He is now a highly respected instructor at Stoxpoker.com, and plays as high as 25/50 NL. As a young man, Schmidt was a top-ranked golfer. He broke two of Tiger Woods' junior records, and was

the leading money winner on the Golden States Tour when, at age 23, he suffered a career-ending heart attack. Schmidt returned to golf in 2009, winning medalist honors in qualifying for the Oregon Amateur Championship. Later that year, Schmidt famously represented himself in federal court in his suit against the United States Golf Association, which controversially stripped him of his amateur status, in part due to his poker profession. Schmidt is now a volunteer assistant

coach for the University of Oregon's men's golf team, working under his good friend, Head Coach Casey Martin. Schmidt is also a successful entrepreneur. He is part-owner of Stoxpoker.com and Imagine Media, and the creator of 10thGreen.com, the first social network for golfers. His story has been featured in Sports Illustrated, Card Player, Poker News, Golf Magazine, Fairways and Greens, Golf Week, Golf World and the Portland Oregonian, as well as on ESPN, cnn.com,

wallstreetjournal.com, forbes.com, fortune.com, espn.com, golfdigest.com and golf.com, among many others. He recently founded the House of Cards Project, a philanthropic effort to provide food and shelter to disadvantaged families. His life story will be told in the book [→Raise: The Impossibly True Tale of Dusty Schmidt, [→? to be released later in 2010. He lives in Portland, Ore., with his wife, Nicole, and daughter, Lennon.

Doyle Brunson's Super System 2 Two Plus Two

Publishing LLC Handbook to help readers master the online poker game which is a somewhat different game from that played in the world of casino games. *PKO Poker Strategy* D&B Publishing
Questo è un manuale per tutti quei giocatori di poker che vogliono conoscere in modo approfondito la modalità "torneo" nel gioco Texas Hold'em. Niccolò Caramatti, limita al minimo il ruolo della fortuna nel poker: il giocatore, infatti, deve

solamente saper fare i calcoli giusti e comprendere al meglio le caratteristiche dei suoi avversari per giocare la sua partita in modo vincente. Facendo riferimento tanto alla modalità live quanto a quella online, l'autore analizza il torneo fase per fase, corredando le sue spiegazioni con numerosi esempi, fittizi o tratti da partite realmente giocate: il lettore è condotto direttamente nel vivo del torneo e sperimenta in prima persona i suggerimenti che gli

vengono dati. Il manuale spiega inoltre quali sono le formule matematiche da applicare e le riflessioni utili da fare per calcolare le probabilità della riuscita di determinate giocate, e consiglia al lettore particolari strategie di gioco da utilizzare in funzione delle diverse tipologie di avversari. Essential Attitudes for Poker Success Dimat Enterprises Incorporated This classic book is considered by the pros to be the best book ever written on poker! Jam-

packed with advanced strategies, theories, tactics and money-making techniques no serious poker player can afford to be without this hard-hitting information. Includes fifty pages of the most precise poker statistics ever published. Features chapters written by poker's biggest superstars, such as Dave Sklansky, Mike Caro, Chip Reese, Bobby Baldwin, and Doyle two world champions and three master theorists. Essential strategies, advanced play, and no-nonsense winning

advice on making money at 7-card stud (razz, high-low split, cards speak, and declare), draw poker, lowball, and hold'em (limit and no-limit). This is a must-read. 605 pages **Phil Gordon's Little Green Book Two Plus Two** Publishing LLC The poker gods are smiling on Mark Newcomb. He's in his element playing against the best at a million-dollar Texas Hold'em tournament. Marks no pro, just a criminal defense lawyer with incredible instincts and

lucky underwear. But keeping his head in the game gets tough when players start dying. The first to get bumped off is poker legend Shooter Deukart. Mark and his gambling buddies are at the top of the suspect list. He offers legal advice to his friends, but when another player gets whacked, hes left wondering if one of them could be the killer. With the police on his back and a mob hitman after him, Mark just wants to make it through the game alive. Will Lady Luck be on his

side when the murderer strikes again?
Every Hand Revealed
 Citadel Press
 Poker is America's national card game, and its popularity continues to grow. Nationwide, you can find a game in progress everywhere. If you want to play, you can find poker games on replicas of 19th century riverboats or on Native American tribal lands. You can play poker at home with the family or online with opponents from around the world. Like bowling and billiards before it,

poker has moved out from under the seedier side of its roots and is flowering in the sunshine. Maybe you've never played poker before and you don't even know what a full house is. *Poker For Dummies* covers the basics. Or perhaps you've played for years, but you just don't know how to win. This handy guide will help you walk away from the poker table with winnings, not lint, in your pockets. If you're a poker expert, you still can benefit - some of the suggestions may surprise

you, and you can certainly learn from the anecdotes from professional players like T.J. Cloutier and Stu Unger. Know what it takes to start winning hand after hand by exploring strategy; getting to know antes and betting structure; knowing your opponents, and understanding the odds. *Poker For Dummies* also covers the following topics and more: *Poker games such as Seven-Card Stud, Omaha, and Texas Hold'em* *Setting up a game at home* *Playing in a casino: Do's and*

don'ts *Improving your play with Internet and video poker* *Deciphering poker sayings and slang* *Ten ways to read your opponent's body language* *Playing in poker tournaments* *Money management and recordkeeping* *Knowing when and how to bluff* *Poker looks like such a simple game. Anyone, it seems, can play it well - but that's far from the truth. Learning the rules can be quick work, but becoming a winning player takes considerably longer. Still, anyone*

willing to make the effort can become a good player. You can succeed in poker the way you succeed in life: by facing it squarely, getting up earlier than the next person, and working harder and smarter than the competition. Foreword by Chris Moneymaker, 2003 World Series of Poker Champion. *Animal Farm* Llewellyn Worldwide
Three top tournament winners walk readers through the key hands of actual tournaments, explaining what is

required to win, how to play the final table, and how to dominate weak players and outthink strong players to maximize your advantage.

The Theory of Poker Two
Plus Two Publishing LLC

If you believe that winning at casino games depends entirely on chance or luck, then this is not the book for you. If, on the other hand, you think that it's crucial to have an effective strategy in order to win, then you simply can't do without it. The green table is the most

democratic place to play, where the inequalities between you and the dealer are at a minimum and players can significantly increase their chances of victory. You just need to know how. Simply told and with a touch of irony, 'games king' Dario De Toffoli guides us through rules, secrets, tactics and advice, in a book that is as much for beginners as experts. So prepare yourselves to explore the world of Blackjack, which is 'deconstructed' and analysed in all its

mathematical glory for the first time, making readers more conscious and successful when they play. Whether you are in front of a croupier in the flesh and blood or in front of your computer screen playing an online game, now is the time to abandon all those good luck charms and understand that your success depends on you. Because it's fun to play, but it's even more fun to win. So, what are you waiting for? Play the game, but don't let the game play you...

A Champion's Guide

John Wiley & Sons

Texas Hold 'em is not an easy game to play well. To become an expert you must balance many concepts, some of which occasionally contradict each other. In 1988, the first edition appeared. Many ideas, which were only known to a small, select group of players, were made available to anyone who was striving to become an expert, and the hold 'em explosion had begun. It is now a new century, and the authors have again

moved the state of the art forward by adding over 100 pages of new material, including extensive sections on "loose games," and "short-handed games." Anyone who studies this text, is well disciplined, and gets the proper experience should become a significant winner. Some of the other ideas discussed include play on the first two cards, semibluffing, the free card, inducing bluffs, staying with a draw, playing when a pair flops, playing trash hands,

desperation bets, playing in wild games, reading hands, and psychology. *Eagle Strike* D&B Publishing
"Now, for the millions of poker players who know the basics, but do not fully understand the logic and principles of skillful play, here is a serious, comprehensive guide that shows how to think like a professional poker player"--Page 4 of cover. Strategies to consistently beat small stakes poker tournaments and cash games Penguin
Modern Poker Theory is a

comprehensive, rigorous guide to the most important aspects of No-Limit Hold'em. It is based around an in-depth examination of what is meant by game theory optimal play (GTO) and how it can be applied at the table. Understanding GTO is fundamental to being able to make accurate poker decisions and being able to exploit players who don't. Modern Poker Theory uses modern poker tools to develop a systematic approach to the analysis of GTO. It organizes the

ideas and concepts in an intuitive manner that is totally focused to practical applications. Next time you are at a table some of the players will have studied Modern Poker Theory and some won't. The players who have studied Modern Poker Theory will, without doubt, have a better theoretical and practical understanding of No-Limit Hold'em. They will be the favourites in the game. Make sure you are one of them. Michael Acevedo, one of the world's leading poker theorists, is a game

theory expert who is renowned for creating cutting-edge content for the world's leading players. The production of *Modern Poker Theory* is the culmination of many thousands of hours of his research work with the most advanced poker software tools available. It is poker theory for the 21st century. *Modern Poker Theory Two Plus Two Publishing LLC* Small stakes no-limit hold'em cash games offer remarkable opportunities...if you come armed with the

right skills. To win in today's game you need to draw on a complete arsenal of the latest theories, strategies, and tactics. Now, available for the first time in print, this ultimate handbook outlines a powerful path to success, as three of the world's top experts noted poker authority Ed Miller, top pro Sunny Mehta, and renowned practical theorist Matt Flynn put their expertise to work for you. Using hand examples from actual play to illustrate key concepts, Small Stakes No-Limit

Hold'em translates high-level poker theory into an easy-to-learn format that will give you the edge needed to win in today's games. You'll learn solid money-winning tactics and be able to craft winning strategies just like the top cash-game pros. Get the lowdown on:

- 7 easy steps to no-limit hold'em success
- Making decisions using steal equity and showdown equity
- Beating online 6-max games
- Isolating bad players and handling tough, aggressive players
- Determining optimal

bluff sizes and planning big bluffs - Balancing your lines of play to maximize deception ...and much more! Poker is a fun game, but it's even more fun when you win. With Miller, Mehta, and Flynn as your mentors, you will have all the advanced-yet-practical information you need to dominate any small stakes no-limit hold'em cash game.

Dead Money Dimat Enterprises Incorporated

George Orwell was a much-respected English novelist, who wrote some of the finest pieces in

literary criticism, fiction. Orwell's work is known for its simplicity and wit. He wrote with smartness on subjects such as anti-fascism, democratic socialism etc. His best works include "ANIMAL FARM". It's an allegorical novella. It got published in August 1945. The fiction based on Farm animals, the author has named them too. Such as Major (a majestic-looking pig), 3-dogs (Bluebell, Jessie, and Pincher), many hens, pigeons, ducklings, sheeps and cows. Two horses, Boxer and Clover.

Amongst them, Major is their leader. He wanted to speak on "the nature of life on this earth" and "How any animal is now living". The author has nicely elaborated through these Characters about the animals' misery and slavery. Animals complain that despite their hard labour, why then do they continue in the miserable condition? They also complain about human beings that they use to steal nearly the whole of their produce. Their main enemy is - Man. So, remove Man from the

scene and the root cause of hunger and overwork will be abolished for ever. The book narrates about the agony of ill-treated farm animals. Then what decision they take and how this Animal Farm born, everything has become very interesting. The ultimate satire on fascism. A must-read book. This is the first book to provide winning strategies for the small buy-in (\$100 or less) no-limit hold'em tournaments that have exploded in poker rooms all over the country-and on the Internet. The strategies for small buy-in no-limit hold'em tournaments are similar to the big-money games, but the important factors-

hand value, position, aggression and others, and speed of play-cause a radical change of strategy. Snyder recounts his own experience with these methods at a win rate of almost 300% and gives readers specific strategies for winning the big money available in prizes at the hundreds of small buy-in no-limit hold'em tournaments taking place weekly around the country and on the Internet.

The Poker Mindset Doyle Brunson's Super System Provides poker strategies

for every phase of tournament play, covering the early phase where the stakes are small to later tactics such as bluffing, flops, scare cards, playing shorthanded, loose games, and endgame play.

Tournament-Poker

Strategies for Today's

Aggressive Game Jared

Tendler LLC

Phil Gordon plays poker with the best players in the world. He has won -- and lost -- in tournaments and cash games around the globe, all the while studying the game and learning from every hand dealt. As the resident expert and cohost of Celebrity Poker Showdown, Phil has quickly become one of the most sought-after teachers of No Limit Texas Hold'em. It's a tough game. But anyone can become a winning player with the right amount of courage,

patience, aggression, observation, and, perhaps most important, dedication to becoming a better player. After fifteen years of keeping notes on the things he's learned, the greats he's played with, and the celebrities he's taught, Phil Gordon has poured every single thing he knows about No Limit Texas Hold'em into this little green book. Taking a page from Harvey Penick's bestselling book of golf wisdom, Phil plays the role of both teacher and student, offering up

insightful tips on how to think about poker and how to develop a singular style of play. Through philosophy, psychology, strategy, math, and the knowledge gleaned from playing poker with everyone from T. J. Cloutier and Phil Ivey to Hank Azaria and Ben Affleck, Phil breaks down the game into enlightening instructional tidbits and illustrative anecdotes that inspire the kind of persistence and motivation necessary to improve your game. A book to rank with Doyle

Brunson's Super System and David Sklansky's The Theory of Poker, Phil Gordon's Little Green Book deserves a spot on the shelf of every serious student of the game. [VUOI VINCERE? Strategie- spiegazioni e storia del poker](#) D&B Publishing Is must reading for anyone planning to play hold 'em. It was the first definitive work on hold'em poker and was originally

published in 1976. Yet it is still one of the best-selling poker books available, and in 1997 it was expanded and updated to account for today's modern double blind structure. The text is designed for someone relatively new to the game, but it still contains much sophisticated material which all players should find beneficial. It is probably best known for

the Sklansky Hand Rankings, which made the game much simpler to quantify and understand. Some of the topics include how Texas hold'em is played, the importance of position, the first two cards, the key flops, strategy before the flop, semibluffing, the free card, slowplaying, check raising, heads-up on fifth street, and how to read hands.
