DOUGLAS HOWARD

Secret Keepers Series #2 Simon and Schuster

A Texas Ranger and a U.S. Marshal take on a mystery that stretches back centuries as they help the FBI's Krewe of Hunters stop a serial killer, in book 5 in the beloved suspense series, only from New York Times bestselling author Heather Graham. San Antonio, Texas, 1800s: In room 207 at the Longhorn Saloon, in the long shadow of the Alamo, a woman was brutally murdered. Her killer was never found. One year ago, in that same historic room, another woman vanished without a trace. Now, San Antonio has become a dumping ground for battered bodies. When Texas Ranger Logan Raintree is approached to lead a group of elite paranormal investigators working the case, he accepts the challenge. And with it, his powerful ability to commune with the dead. U.S. Marshal Kelsey O'Brien has been waiting all her life to work with someone who can understand her ability to "see" the past. Now she has her chance. Together, Kelsey and Logan follow their instincts to the Alamo and to the newly reopened Longhorn, which once tempted heroes with drink, cards and women. If the spirits of those long-dead Texans are really appearing to the victims before their deaths, only Kelsey and Logan have the skills to find out why....

★★★★ "An outstanding read. I rarely give 5 stars, but this one was definitely worth it... One of those that I couldn't put

down.” Goodreads Reviewer The cobbled streets were dark as Isabelle hurried through the shadows, dodging in and out of doorways, constantly looking back. She worried the sound of her loudly thumping heart would give her away, as she peered around a corner. Suddenly, Isabelle was surrounded by Nazi soldiers, their black boots pounding on the pavement, barring her way... 1939, Berlin. Max Albrecht is the young and handsome heir to a beautiful house on a lake where he spent his happy childhood. As war approaches, his parents tell him he must join the Nazi party or the whole family will be killed. But when his beloved French fiancé Isabelle shows him the horrifying truth, Max faces an impossible choice: protect his family or save the girl he loves? 2010, San Francisco. Anna Young is content with her life, running a bustling deli and taking care of her adored grandfather Max, who raised her. Max has never spoken of his past until he hands over an old map, the plans to a grand house just north of Berlin. With a shaking finger, he points to it and says, “I left something behind under the floorboards. Please bring it home before I die.” When Anna arrives at the crumbling manor in Germany, she discovers a hidden engagement ring in a velvet box. She is desperate to find the woman her grandfather hoped to marry, but the local villagers look away when she mentions Max’s name, and back in San Francisco he is now in hospital, too unwell to speak to her. What did Max do so many years ago? Is Anna ready for the terrible secret that her family’s past may hold? A gripping and heartbreaking novel that uncovers the secrets and devastating choices that people were forced to make during history’s darkest time. If you were captivated by My Name

is Eva, The Nightingale and All the Light We Cannot See, you’ll adore The House by the Lake. Readers are utterly captivated by The House by the Lake: “Brilliant... It made me cry (can’t remember when I last did that)—I also laughed and felt sad when the book finished. I wanted to know what happened next... I highly recommend this book. Really looking forward to her next one.” Goodreads Reviewer ★★★★★ “I LOVED this book!! I didn’t want it to end because the story was so great and fast moving.” Goodreads Reviewer ★★★★★ “I NEEDED to know what happened. It kept me turning the pages... I have grabbed up the other two books in the set.” Goodreads Reviewer ★★★★★ “I loved this book! The history has such beautiful detail and it was also a beautiful love story!!! I felt like I was there with them!” Goodreads Reviewer ★★★★★ “I absolutely loved this book. I could not put it down and read it in one night. Ella Carey's descriptions had me in awe, I truly could visualize everything especially the Christmas scenes!!!” Goodreads Reviewer ★★★★★ “WOW! What a great story... I highly recommend this book.” Goodreads Reviewer ★★★★★ “One of the best books I have read in a long time. I will definitely read anything by this author. I recommend it to everyone, it’s really, really an excellent read.” Goodreads Reviewer ★★★★★ “Wow!! This book was awesome and I couldn’t put it down. I was so enthralled with the story and characters. I can’t wait for the sequel to come out!!” Goodreads Reviewer ★★★★★ “A real page-turner. I couldn’t put this book down... The ripple down effects continue to this very day, as this story illustrates so well.” Goodreads Reviewer ★★★★★ “I have only one Ella Carey book left to read... Please, write MORE & MORE!” Goodreads

A Novel Methuen Drama

Monday or Tuesday by Virginia Woolf is a collection of 8 short stories first published in 1921. Apparently, when it was originally published, the author's husband called it one of the worst printed books ever published, because it contained so many errors (these were corrected in later editions). The stories included in this collection are as follows: A Haunted House; A Society; Monday or Tuesday; An Unwritten Novel; The String Quartet; Blue and Green; Kew Gardens; and, The Mark on the Wall.

Shadow Beast Shifters 1 Knopf Books for Young Readers

A young woman discovers a strange portal in her uncle's house, leading to madness and terror in this gripping new novel from the author of the "innovative, unexpected, and absolutely chilling" (Mira Grant, Nebula Award-winning author) *The Twisted Ones*. Pray they are hungry. Kara finds the words in the mysterious bunker that she's discovered behind a hole in the wall of her uncle's house. Freshly divorced and living back at home, Kara now becomes obsessed with these cryptic words and starts exploring this peculiar area—only to discover that it holds portals to countless alternate realities. But these places are haunted by creatures that seem to hear thoughts...and the more one fears them, the stronger they become. With her distinctive "delightfully fresh and subversive" (SF Bluestocking) prose and the strange, sinister wonder found in Guillermo del Toro's *Pan's Labyrinth*, *The Hollow Places* is another compelling and white-knuckled horror novel that you won't be able to put down.

The Book Thief Berkley

'Welcome to the Knight Bus, emergency transport for the stranded witch or

wizard. Just stick out your wand hand, step on board and we can take you anywhere you want to go.' When the Knight Bus crashes through the darkness and screeches to a halt in front of him, it's the start of another far from ordinary year at Hogwarts for Harry Potter. Sirius Black, escaped mass-murderer and follower of Lord Voldemort, is on the run - and they say he is coming after Harry. In his first ever Divination class, Professor Trelawney sees an omen of death in Harry's tea leaves... But perhaps most terrifying of all are the Dementors patrolling the school grounds, with their soul-sucking kiss... Having now become classics of our time, the Harry Potter ebooks never fail to bring comfort and escapism to readers of all ages. With its message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.

High in the mountains, Zel lives with her mother, who insists they have all they need -- for they have each other. Zel's life is peaceful and protected -- until a chance encounter changes everything. When she meets a beautiful young prince at the market one day, she is profoundly moved by new emotions. But Zel's mother sees the future unfolding -- and she will do the unspeakable to prevent Zel from leaving her... "Will leave readers spellbound."-- Publishers Weekly, starred review

Obsession in Death Fire Quill Publishers

From the coauthor of the New York Times bestselling *Illuminae Files* comes the first book in a new series that's part Romeo and Juliet, part Terminator, and all adrenaline. On an island junkyard beneath a sky that glows with radiation, a deadly secret lies buried in the scrap.

Seventeen-year-old Eve isn't looking for trouble--she's too busy looking over her shoulder. The robot gladiator she spent months building has been reduced to a smoking wreck, she's on the local gangster's wanted list, and the only thing keeping her grandpa alive is the money she just lost to the bookies. Worst of all, she's discovered she can somehow destroy machines with the power of her mind, and a bunch of puritanical fanatics are building a coffin her size because of it. If she's ever had a worse day, Eve can't remember it. The problem is, Eve has had a worse day--one that lingers in her nightmares and the cybernetic implant where her memories used to be. Her discovery of a handsome android named Ezekiel--called a "Lifelike" because they resemble humans--will bring her world crashing down and make her question whether her entire life is a lie. With her best friend Lemon Fresh and her robotic sidekick Cricket in tow, Eve will trek across deserts of glass, battle unkillable bots, and infiltrate towering megacities to save the ones she loves...and learn the truth about the bloody secrets of her past.

Number One New York Times bestselling author Sandra Brown returns with another suspenseful thriller When her four-year-old daughter informs her a sick man is in their yard, Honor Gillette rushes out to help him. But that 'sick'

man turns out to be Lee Coburn, the man accused of murdering seven people the night before. Dangerous, desperate, and armed, he promises Honor that she and her daughter won't be hurt as long as she does everything he asks. She has no choice but to accept him at his word. But Honor soon discovers that even those close to her can't be trusted. Coburn claims that her beloved late husband possessed something extremely valuable that places Honor and her daughter in grave danger. And Coburn is there to retrieve it - at any cost. Praise for Sandra Brown 'Suspense that has teeth' Stephen King 'Lust, jealousy, and murder suffuse Brown's crisp thriller' Publishers Weekly 'An edge-of-the-seat thriller that's full of twists . . . Top stuff!' Star

Magical Compass Kristy Nicolle

The epic conclusion to the Shadow Beast Shifters. I finally have the life I always dreamed of. So why does it taste like ash on my tongue? Growing up in Torma, the strongest of the shifter packs, I wanted nothing more than to find my true mate and live my best life. Of course, that dream existed before my father betrayed the pack and turned me into their punching bag. I'd all but given up, until a quirk of true mate genetics gifted me a true mate like no other. My childhood dreams were finally a reality. Funny how quickly dreams turn into nightmares. I'm being lied to, missing weeks and months of time. Someone messed with me and no matter how often I'm told to forget it and move on as Torin's mate, there's no way I can. Whoever did this to me should have known I'd pick at it until it bled. It's my nature after all. As I search out random growls, flutters in my chest, and a suspicion that there's so much more going on than I could even imagine, I

sense that I'm racing against an unknown clock. I need to get to the bottom of this mystery. And when I figure out who stole my memories, they're going to wish they never messed with Mera Callahan. Game on. -If you like sexy, dark paranormal romances, with humor, steam, action, a tough heroine and an antihero, this is for you.

This set includes all four books in the Secret Keepers series. Ready to break the rules? Emma, Callie, Maya, and Avalon have a few things in common: 1. They're all part of a secret society that exists within the human world. 2. They're big fans of Converse, great food, and sarcasm. 3. They're about to find themselves co-existing alongside some of the most alpha, frustrating, gorgeous men in both worlds. Yeah, that's right. Two worlds. Two worlds that might end if someone isn't ready to break the rules. Lucky these four have never been a huge fan of rules, and together with the overlords, they're going to figure out how to save everyone. Or die trying.

**This paranormal romance series is over 350k words, filled with strong, sarcastic women and alpha men. **

Gripping and emotional World War 2

fiction HarperCollins

From The New York Times bestselling

author of *The Girl Who Came Home*

comes a historical novel inspired by true

events, and the extraordinary female

lighthouse keepers of the past two

hundred years. "They call me a heroine,

but I am not deserving of such

accolades. I am just an ordinary young woman who did her duty." 1838: Northumberland, England. Longstone Lighthouse on the Farne Islands has been Grace Darling's home for all of her twenty-two years. When she and her father rescue shipwreck survivors in a furious storm, Grace becomes celebrated throughout England, the subject of poems, ballads, and plays. But far more precious than her unsought fame is the friendship that develops between Grace and a visiting artist. Just as George Emmerson captures Grace with his brushes, she in turn captures his heart. 1938: Newport, Rhode Island. Nineteen-years-old and pregnant, Matilda Emmerson has been sent away from Ireland in disgrace. She is to stay with Harriet, a reclusive relative and assistant lighthouse keeper, until her baby is born. A discarded, half-finished portrait opens a window into Matilda's family history. As a deadly hurricane approaches, two women, living a century apart, will be linked forever by their instinctive acts of courage and love. *Emblaze* ReadHowYouWant.com

Described by Virginia Woolf herself as 'easily the best of my books', and by her husband Leonard as a 'masterpiece', *To the Lighthouse*, first published in 1927, is one of the milestones of Modernism. Set on the Isle of Skye, over a decade spanning the First World War, the narrative centres on the Ramsay family, and is framed by Mrs Ramsay's promise to take a trip to the lighthouse the next day - a promise which isn't to be fulfilled for a decade. Flowing from character to character and from year to year, the novel paints a moving portrait of love, loss and perception. Bearing all the hallmarks of Woolf's prose, with her delicate handling of the complexities of human relationships, *To the Lighthouse*

has earned its reputation - frequently appearing in lists of the best novels of the twentieth century, it has lost not an iota of brilliance.

Callie has spent her life moving towns

every four months in a bid to "stay off the grid." Her only family is a paranoid mother who believes there's a race of supernatural beings out there actively searching for Callie. A race who could destroy Earth if they get their hands on her. Callie's never seen one thing to suggest there's any truth to her mom's insane ramblings, and at the age of eighteen now, she's grown numb to her reality - she's never going to have a normal life. That is, until they move to New Orleans. The moment Callie steps foot into the Quarter, hears the jazz music, feels the soul of the city, the cold shell she's built to protect herself starts to thaw. Then they come for her. Turns out her mom's stories are quite real, and whatever happens, Callie's empty world will never be the same again.
