Wedding Planning and Management John Wiley & Sons

Why do professional wedding planners, engaged couples, parents, clergy, and therapists rave about this book? Take Back Your Wedding combines wisdom from the world of family therapy with a realistic picture of how couples and families behave under the stress of planning a wedding. Weddings bring out the best and worst in all of us because they combine romance, money, loyalties, jealousies, new in-law relations, and endless practical decisions—all played out in front of your whole community of family and friends! No one gets through this without times of frustration, confusion, and sometimes anger. This book is an essential guide to handling the stress, avoiding the common pitfalls, having a great wedding, and launching a successful marriage. The website from the book is www.TheFirstDance.com
