## COLLINS VILLARREAL

*Pacifiers Are Not Forever* Working Classics

Builds on the tradition of Kevin Phillips's *The Emerging Republican Majority*, forecasting a progressive era as indicated by a rise of a diverse post-industrial society and current opinions on such topics as health care and the environment. Reprint.

*Dirty Tricks* John Wiley & Sons

A little girl, who accumulates germs on her hands during her busy day, defeats them by washing her hands before meals.

**The Story of the Three Wise Kings** Createspace Independent Publishing Platform

It's been three years since I set foot in Club Explicit, and three long years since I set eyes on Andy Morgan. He doesn't want me here, doesn't want to know me, doesn't want to even hear my name. But I'm back on his doorstep, in his office, in his life... with a suitcase full of dirty bad secrets. Faye

Devere is out to claim her old life back. Three years in Italy have come at a heavy price, and she's running back to the only anchor she has left: her fifty-fifty share of Club Explicit, and the man she left to pick up her pieces. But Andy Morgan's long over it. Long over her. Club Explicit is his baby now. His club, his rules, his way. Andy's not a man who shares easily. And certainly not with the woman who upped and left without so much as a goodbye. When your battlefield is London's horniest playground, and sex is the sole weapon left in your arsenal, it's only a matter of time before the fight gets dirty... and the secrets get dirty bad. WARNING: As is always the case with Jade West novels, please proceed with caution. The book contains hardcore BDSM and sexual practices that may offend some readers. Please use your own discretion. Most definitely 18+

**Germs Are Not for Sharing** Page Street Publishing

Tomie dePaola's beloved 1983 classic returns to print just in time for the holiday season! Three wise men of the East, having seen a new star symbolizing the birth of a great king, follow the star to Bethlehem where they present gifts to the newborn Jesus. This beautiful rendition of the well-known tale is sure to delight young readers.

*Smiling From Ear to Ear* Simon and Schuster

Stories centuries in the making, and many centuries worth of stories, are an integral part of modern society. Whether modern or ancient, every culture has its myths. Mythology forms our understanding of our origin, history, and traditions. They tell of our heroes and deities. Myths are vehicles for understanding religion, for learning language, and for understanding society, but they can often be difficult to understand and confusing. The Handy Mythology Answer Book examines and explains, in plain English, numerous myths and mythology. From the ancient Greek and Roman to Egypt and Babylon, from Native North American Indian to Celtic, Middle Eastern, Indian, Asian, African, and the lesser known myths from around the world, The Handy Mythology Answer Book has them covered. Whether it is the modern retelling of a classic myth or an ancient story about a Norse god, this helpful resource demystifies the myth, looks at different archetypes and motifs, and even shows how myths help explain our existence and institutions. It answers nearly 600 questions and offers fun facts about the treachery and violence, the inspirational and epic, the supernatural monsters and heroic mortals found in mythology, such as How and when did myths originate? What are the three primary myth types? What is the nature of Creation Myths? How can myths be compared to dreams? Why do humans tell myths? What was the Egyptian Book of the Dead? How is the epic of Gilgamesh like later epics? Why is the biblical flood story so like the Babylonian flood myth? What was the myth of Theseus, the Labyrinth, and the Minotaur? What are the Homeric Hymns? How and why are the Odyssey and the Iliad so different from each other? What is the popular appeal of the Odyssey? Did the Greeks see these myths as religion or as entertainment? What was the background myth of the Oedipus plays? What was the nature of Roman mythology during the Roman Republic? What was the Metamorphosis? How did Christian narrative and tradition fit into and come to dominate the Roman mythological tradition? How is Celtic culture and mythology related to the culture and mythology of Greek, Roman, and other cultures? How did the Vedas contribute to Hindu mythology? Who invented Chinese writing? What was the Aztec pantheon? What is the story of the Cherokee Grandmother Sun? Who are some Native American tricksters? What is the story of Schrödinger's Cat? How did Freud use myths? How is myth used in politics? A glossary of commonly used terms and an appendix of parallel mythology exploring universal themes, motifs, and archetypes from across various cultures further explains the world of mythology.

**Cooking for Geeks** W. W. Norton & Company

On a day when everything goes wrong for him, Alexander is consoled by the thought that other people have bad days too.

*Those Mean Nasty Dirty Downright Disgusting but...Invisible Germs* World Scientific

For those who have experienced heartbreak and are dreaming about the sheer satisfaction of sticking it to the person who stuck it to them, this fully loaded, juiced-up book on how people devise, execute, and relish passionate revenge is a must-have. Find answers to important questions like: - What type of revenge would best suit your personality? - Does karma really burn? - The dishes are done. When is it time to move on? Whether you're feeling juvenile or sinister, this laugh-out-loud joy of a book shows how to get in touch with your inner Revenger.

*Out of My Mind* Simon and Schuster

The D. A.'s brass, a sheriff's deputy, and a rough-and-tumble bagman are unknowingly chasing a nightmare in this thrilling novel from the author of "some of the most powerful crime novels ever written" (New York Times). Los Angeles, 1950 Red crosscurrents: the Commie Scare and a string of brutal mutilation killings. Gangland intrigue and Hollywood sleaze. Three cops caught in a hellish web of ambition, perversion, and deceit. Danny Upshaw is a Sheriff's deputy stuck with a bunch of snuffs nobody cares about; they're his chance to make his name as a cop...and to sate his darkest curiosities. Mal Considine is D.A.'s Bureau brass. He's climbing on the Red Scare bandwagon to advance his career and to gain custody of his adopted son, a child he saved from the horror of postwar Europe. Buzz Meeks-bagman, ex-Narco goon, and pimp for Howard Hughes-is fighting communism for the money. All three men have purchased tickets to a nightmare.

Sneezes, coughs, runny noses, spills, and messes are facts of everyday life with children. And that's why it's never too soon to teach little ones about germs and ways to stay clean and healthy. This book is a short course for kids on what germs are, what they do, and why it's so important to cover them up, block them from spreading, and wash them down the drain. Simple words complement warm, inviting, full-color illustrations that show real-life situations kids can relate to. A special section for adults includes ideas for discussion and activities.

Bullying is a widespread and concerning issue that affects children of all ages. Focusing on character education in the early years, this resource aims to prevent bullying before it starts. Educators can use this comprehensive framework and developmentally appropriate activities to teach young children compassion, conflict resolution, respect, and other positive, pro-social values as they cultivate a peaceful and supportive learning environment for all children. Judith Anne Rice is a keynote speaker specializing in character building. She is the author of several books and an early childhood family education teacher.

Turtleback Books

This popular science book shows that chemists do have a sense of humor, and this book is a celebration of the quirky side of scientific nomenclature. Here, some molecules are shown that have unusual, rude, ridiculous or downright silly names. Written in an easy-to-read style, anyone ? not just scientists ? can appreciate the content. Each molecule is illustrated with a photograph and/or image that relates directly or indirectly to its name and molecular structure. Thus, the book is not only entertaining, but also educational.

[The Glass Castle](#) Simon and Schuster

This delightful board book follows the journey of a germ using unique heat-sensitive pages and combining interaction, play and learning, showing pre-schoolers the importance of clean hands. The journey, from the toilet seat to the tummy (and out again!), explores the concepts of germs being invisible to the naked eye, multiplying and causing illness. By placing their warm hands on the thermochromic patches, the multiplying germs are revealed. The simple, bright and bold illustrations by Charlie Evans allow children to develop an understanding of science and health from a young age, while having fun in the process

*The Handy Mythology Answer Book* Hal Leonard Corporation

"A satire of writerly ambition wrapped in a psychological thriller . . . An homage to Patricia Highsmith, Oscar Wilde and Edgar Allan Poe, but its execution is entirely Boyne's own."—Ron Charles, The Washington Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND MINNEAPOLIS STAR TRIBUNE Maurice Swift is handsome, charming, and hungry for fame. The one thing he doesn't have is talent—but he's not about to let a detail like that stand in his way. After all, a would-be writer can find stories anywhere. They don't need to be his own. Working as a waiter in a West Berlin hotel in 1988, Maurice engineers the perfect opportunity: a chance encounter with celebrated novelist Erich Ackermann. He quickly ingratiates himself with the powerful – but desperately lonely – older man, teasing out of Erich a terrible, long-held secret about his activities during the war. Perfect material for Maurice's first novel. Once Maurice has had a taste of literary fame, he knows he can stop at nothing in pursuit of that high. Moving from the Amalfi Coast, where he matches wits with Gore Vidal, to Manhattan and London, Maurice hones his talent for deceit and manipulation, preying on the talented and vulnerable in his cold-blooded climb to the top. But the higher he climbs, the further he has to fall. . . .

Sweeping across the late twentieth century, A Ladder to the Sky is a fascinating portrait of a relentlessly immoral man, a tour de force of storytelling, and the next great novel from an acclaimed literary virtuoso. Praise for A Ladder to the Sky "Boyne's mastery of perspective, last seen in The Heart's Invisible Furies, works beautifully here. . . . Boyne understands that it's far more interesting and satisfying for a reader to see that narcissist in action than to be told a catchall phrase. Each step Maurice Swift takes skyward reveals a new layer of calumny he's willing to engage in, and the desperation behind it . . . so dark it seems almost impossible to enjoy reading A Ladder to the Sky as much as you definitely will enjoy reading it."—NPR "Delicious . . . spins out over several decades with thrilling unpredictability, following Maurice as he masters the art of co-opting the stories of others in increasingly dubious ways. And while the book reads as a thriller with a body count that would make Highsmith proud, it is also an exploration of morality and art: Where is the line between inspiration and thievery? To whom does a story belong?"—Vanity Fair

**The No Asshole Rule** Visible Ink Press

Create a larger vision in your child care program and perform your job as a center director with motivation and creativity. *Those mean nasty dirty downright disgusting but-- invisible Germs* Follettbound

From Colleen Hoover, the #1 New York Times bestselling author of It Ends With Us, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.
