The leading textbook on imperfect labor markets and the institutions that affect them—now completely updated and expanded Today's labor markets are witnessing seismic changes brought on by such factors as rising self-employment, temporary employment, zero-hour contracts, and the growth of the sharing economy. This fully updated and revised third edition of *The Economics of Imperfect Labor Markets* reflects these and other critical changes in imperfect labor markets, and it has been significantly expanded to discuss topics such as workplace safety, regulations on self-employment, and disability and absence from work. This new edition also features engaging case studies that illustrate key aspects of imperfect labor markets. Authoritative and accessible, this textbook examines the many institutions that affect the behavior of workers and employers in imperfect labor markets. These include minimum wages, employment protection legislation, unemployment benefits, family policies, equal opportunity legislation, collective bargaining, early retirement programs, and education and migration policies. Written for advanced undergraduates and beginning graduate students, the book carefully defines and measures these institutions to accurately characterize their effects, and discusses how these institutions are being transformed today. Fully updated to reflect today's changing labor markets Significantly expanded to discuss a wealth of new topics, including the impact of the COVID-19 pandemic Features quantitative examples, new case studies, data sets that enable users to replicate results in the literature, technical appendixes, and end-of-chapter exercises Unique focus on institutions in imperfect labor markets Self-contained chapters cover each of the most important labor-market institutions Instructor's manual available to professors—now with new exercises and solutions

Lawyer's Desk Book is an extraordinary guide that you can't afford to be without. Used by over 150,000 attorneys and legal professionals, this must-have reference supplies you with instant, authoritative legal answers, without exorbitant research fees. Packed with current, critical information, *Lawyer's Desk Book* includes: Practical guidance on virtually any legal matter you might encounter: real estate transactions, trusts, divorce law, securities, mergers and acquisitions, computer law, tax planning, credit and collections, employer-employee relations, personal injury, and more - over 75 key legal areas in all! Quick answers to your legal questions, without having to search stacks of material, or wade through pages of verbiage. Key citations of crucial court cases, rulings, references, code sections, and more. More than 1500 pages of concise, practical, insightful information. No fluff, no filler. Just the facts you need to know. The *Lawyer's Desk Book, 2017 Edition* incorporates recent court decisions, legislation, and administrative rulings. Federal statutes and revised sentencing guides covered in this edition reflect a growing interest in preventing terrorism, punishing terror-related crimes, and promoting greater uniformity of sentencing. There is also new material on intellectual property law, on legislation stemming from corporate scandals, such as the Sarbanes-Oxley Act, and on legislation to cut individual and corporate tax rates, such as the Jobs and Growth Tax Relief Reconciliation Act. Chapters are in sections on areas including business planning and litigation, contract and property law, and law office issues.
